Nice Frankenstein Four Lost Souls:

The Turn to Gruesomeness in American Horror Films, 1931-1936 Jon Towlson, 2016-09-12 Critics have traditionally characterized classic horror by its use of shadow and suggestion Yet the graphic nature of early 1930s films only came to light in the home video DVD era Along with gangster movies and sex pictures horror films drew audiences during the Great Depression with sensational content Exploiting a loophole in the Hays Code which made no provision for on screen gruesomeness studios produced remarkably explicit films that were recut when the Code was more rigidly enforced from 1934 This led to a modern misperception that classic horror was intended to be safe and reassuring to audiences The author examines the 1931 to 1936 happy ending horror in relation to industry practices and censorship Early works like Murders in the Rue Morgue 1932 and The Raven 1935 may be more akin to The Texas Chain Saw Massacre 1974 and Hostel 2005 than many critics believe Golden Horrors Bryan Senn, 2015-09-03 From the grindhouse oddities to major studio releases this work details 46 horror films released during the genre s golden era Each entry includes cast and credits a plot synopsis in depth critical analysis contemporary reviews time of release brief biographies of the principal cast and crew and a production history Apart from the 46 main entries 71 additional borderline horrors are examined and critiqued in an appendix New York Magazine , 1968-07-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Lugosi** Gary Don Rhodes, 2015-09-03 He was born Bela Ferenc Dezso Blasko on October 20 1882 in Hungary He joined Budapest s National Theater in 1913 and later appeared in several Hungarian films under the pseudonym Arisztid Olt After World War I he helped the Communist regime nationalize Hungary s film industry but barely escaped arrest when the government was deposed fleeing to the United States in 1920 As he became a star in American horror films in the 1930s and 1940s publicists and fan magazines crafted outlandish stories to create a new history for Lugosi The cinema s Dracula was transformed into one of Hollywood s most mysterious actors This exhaustive account of Lugosi s work in film radio theater vaudeville and television provides an extensive biographical look at the actor The enormous merchandising industry built around him is also examined Horror Unmasked Brad Weismann, 2023-09-05 From the silent film era to the blockbusters of today Horror Unmasked is a fun filled highly illustrated dive into the past influences and present popularity of the horror film genre The horror film s pop culture importance is undeniable from its early influences to today s most significant and exciting developments in the genre Since 1990 the production of horror films has risen exponentially worldwide resulting in impressive ticket sales in the modern day not to mention how the genre has expanded into books fashion music and other media throughout the world Horror has long been the most popular film genre and more horror movies have been made than

any other kind We need them We need to be scared to test ourselves laugh inappropriately scream and flinch We need to get through them and come out blinking still in one piece This comprehensive guide features A thorough discussion on monster movies and B movies The Thing It Came from Outer Space The Blob The destruction of the American censorship system Blood Feast The Night of the Living Dead The Texas Chainsaw Massacre International horror zombies horror comedies and horror in the new millennium Matango Suspiria Ghostbusters A dissection of the critical reception of modern horror Neon Demon Pan's Labyrinth Funny Games Stunning movie posters and film stills plus fan made tributes to some of the most lauded horror franchises in the world Aliens the Evil Dead The Hills Have Eyes Scream A perfect reference and informational book for horror fans and those interested in its cultural influence worldwide Horror Unmasked provides a general introduction to the genre serves as a guidebook to its film highlights and celebrates its practitioners trends and stories

Hollywood Gold: Films of the Forties and Fifties John Howard Reid, 2005 Hollywood's Golden Era I'd pick the period from 1939 through 1960 Here are 144 classic movies from this Golden Age of the Cinema ranging alphabetically from The Admiral Was a Lady to You Were Never Lovelier Other films discussed in comprehensive detail and with full background and release information in this book include The Adventures of Mark Twain The Chase Daisy Kenyon The Ghost of Frankenstein Humoresque In Old California Joan of Paris Letter from an Unknown Woman Magic Town Nightmare Alley The Paradine Case Roughly Speaking The Scarlet Claw Where the Sidewalk Ends and You'll Never Get Rich *A Dictionary of Writers and their Works* Christopher Riches, Michael Cox, 2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer's nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication

The Biology of Science Fiction Cinema, 2d ed. Mark C. Glassy, 2024-12-30 Science fiction cinema has dramatically affected the perception of science by the general population If science fiction and actual science sometimes seem at odds they importantly share the elements of curiosity creativity and imagination and there are many examples of yesterday's science fiction becoming today's science This book explores the imaginative elements of biology seen in 20th century science fiction films Written by a professional scientist and science fiction lover this second edition includes recent updates of biomedical science and science fiction cinema It covers different categories of biology biochemistry or molecular biology and medicine each subcategorized into chapters such as cell biology hematology and dermatology Within each chapter are several film examples explaining the biological sciences principles involved what is right and what is wrong with the science and what changes could be made for the science of the film to become a reality **Chicago TV Horror Movie Shows** Ted

Okuda, Mark Yurkiw, 2016-02-09 By the last 1950s studios saw television as a convenient dumping ground for thousands of films that had been gathering dust in their vaults Distributors grouped them by genre and Chicago's tradition of TV horror movie shows was born From giant grasshoppers to Dracula epics Okuda and Yurkiw take a comprehensive look at these programs with career profiles of the horror hosts a look at the politics behind the shows and broadcast histories as well as guides to many of the films themselves The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr *Merchants of Menace* Richard Nowell, 2014-04-10 Anglophone horror films are typically approached as the inevitable by products of psychological and social demons haunting filmmakers and their homelands in short as if they were our collective nightmares These reflectionist approaches have led horror films routinely and reductively to be framed as mouthpieces for misogynistic sadists lurking in the shadows of the exploitation sector as defiant expressions of resistance enacted by noble progressives or as platforms for the politically reactionary evils of the biggest scariest monster of all Hollywood The industry logic strategies and practices that heavily determine horror film content the nature of horror film production promotion and dissemination as well as the responses to these activities have therefore been either side stepped completely or reduced unhelpfully to the profit making motives underwriting all capitalist endeavours Consequently even though horror has been a key component of media output for almost a century the genre's industrial character remains under explored and poorly understood EDITOR

The Mummy on Screen Basil Glynn, 2019-11-28 The Mummy is one of the most recognizable figures in horror and is as established in the popular imagination as virtually any other monster yet the Mummy on screen has until now remained a largely overlooked figure in critical analysis of the cinema In this compelling new study Basil Glynn explores the history of the Mummy film uncovering lost and half forgotten movies along the way revealing the cinematic Mummy to be an astonishingly diverse and protean figure with a myriad of on screen incarnations In the course of investigating the enduring appeal of this most Oriental of monsters Glynn traces the Mummy's development on screen from its roots in popular culture and silent cinema through Universal Studios Mummy movies of the 1930s and 40s to Hammer Horror's reimagining of the figure in the 1950s and beyond What Ought to Scare You H. Marshall Leicester, 2024-06-27 Using the Hollywood studio system 1931-1960 as a historical center this book performs close readings of classic horror films such as *Frankenstein* and *Cat People* while asking the following three questions What about this movie is weird What does this movie think ought to scare you If there weren't monsters in this movie what would be wrong with these people's lives These questions guide readers toward the uniqueness of horror films in relation to the way they are classified and the feeling of horror that they

offer The horror genre is a collection of culturally shared elements words images or themes used to signify or evoke horror because they have been used that way before Instead of treating movies as examples of the horror genre through how they evoke feelings from viewers this book locates the meaning of horror within individual films and shows how movies make their own genealogies and complicate their own scares in an evolution of the genre It argues that classic horror movies are forms of reception of and resistance to the ideas of horror that were current in their historical period Working historically the author traces movies interactions with their precursors and co conspirators to show how they are the agents of historical changes in the genre and in what we take to be horror

The Guide to United States Popular Culture Ray Broadus Browne, Pat Browne, 2001 To understand the history and spirit of America one must know its wars its laws and its presidents To really understand it however one must also know its cheeseburgers its love songs and its lawn ornaments The long awaited Guide to the United States Popular Culture provides a single volume guide to the landscape of everyday life in the United States Scholars students and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history All American readers will find in it one entry at a time the story of their lives Robert Thompson President Popular Culture Association At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture With its nearly 1600 entries it promises to be the most comprehensive single volume source of information about popular culture The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike Timothy E Scheurer President American Culture Association The popular culture of the United States is as free wheeling and complex as the society it animates To understand it one needs assistance Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations Marshall W Fishwick Past President Popular Culture Association Features of The Guide to United States Popular Culture 1010 pages 1600 entries 500 contributors Alphabetic entries Entries range from general topics golf film to specific individuals items and events Articles are supplemented by bibliographies and cross references Comprehensive index

The Spark of Fear Brian N. Duchaney, 2015-05-20 The horror genre is continually being reinvented as societal fears evolve As technology has developed and become ubiquitous in modern life horror films have effectively played upon our increasing reliance on technology as a source of anxiety Focusing on advancements from the advent of electricity to the Internet this book explores how technology ostensibly humanity's means of conquering fear and the unknown has become a compelling and abundant source of dread in horror films

[Frederik Pohl](#) Michael R Page, 2015-09-30 One of science fiction's undisputed grandmasters Frederik Pohl built an astonishing career that spanned more than seven decades Along the way he won millions of readers and seemingly as many awards while producing novels short stories and essays that left a profound mark on the genre In this first of its kind study Michael R Page traces Pohl's journey as an author but also uncovers his role as a

transformative figure who shaped the genre as a literary agent book editor and in Gardner Dozois words quite probably the best SF magazine editor who ever lived **The Edge of Evolution** Ronald Edwards,2016 The book presents a re reading of H G Wells novel The Island of Doctor Moreau as a key to addressing the controversies of our own humanity It raises the issue without human exceptionalism where do ethics come from **Marvel Masterworks** Doug Moench,2024-11-20 Collects Werewolf By Night 1972 22 30 And Giant Size Werewolf 2 5 Now is the hour to bark at the moon The third WEREWOLF BY NIGHT Marvel Masterworks is here This volume goes straight for the good stuff A battle between the Werewolf and Frankenstein s monster and another with Morbius Then Jack Russell is framed for murder It s going to be hard to find out whether Dr Redditch s serum can cure Jack of his curse while the LAPD is in pursuit and the Hangman wants to play executioner Next dreams of Topaz will bring her together with Jack again as they face a resurrected Taboo and the machinations of Dr Glitternight And unfortunately it runs in the family when Jack s sister Lissa s birthday arrives and the curse of werewolf falls on her too **The Horror Show Guide** Mike Mayo,2013-04-01 This cinefile s guidebook covers the horror genre monstrously well Find reviews of over 1 000 of the best weirdest wickedest wackiest and most entertaining scary movies from every age of horror Atomic bombs mad serial killers zealous zombies maniacal monsters lurking around every corner and the unleashing of technology rapidly changing and dominating our lives Slasher and splatter films Italian giallo and Japanese city stomping monster flicks Psychological horrors spoofs and nature running amuck You will find these terrors and many more in The Horror Show Guide The Ultimate Frightfest of Movies No gravestone is left unturned to bring you entertaining critiques fascinating top ten lists numerous photos and extensive credit information to satisfy even the most die hard fans Written by a fan for fans The Horror Show Guide helps lead even the uninitiated to unexpected treasures of unease and mayhem with lists of similar motifs including Urban Horrors Nasty Bugs Mad Scientists and Maniacal Medicos Evil Dolls Bad Hair Days Big Bad Werewolves Most Appetizing Cannibals Classic Ghost Stories Fiendish Families Guilty Pleasures Literary Adaptations Horrible Highways and Byways Post Apocalyptic Horrors Most Regrettable Remakes Towns with a Secret and many more With reviews on many overlooked underappreciated gems new devotees and discriminating dark cinema enthusiasts alike will love this big beautiful end all be all guide to an always popular film genre With many photos illustrations and other graphics The Horror Show Guide is richly illustrated Its helpful appendix of movie credits bibliography and extensive index add to its usefulness *The Encyclopedia of Fantastic Film* R. G. Young,2000-04 Thirty five years in the making and destined to be the last word in fanta film references This incredible 1 017 page resource provides vital credits on over 9 000 films 1896 1999 of horror fantasy mystery science fiction heavy melodrama and film noir Comprehensive cast lists include directors writers cinematographers and composers Also includes plot synopses critiques re title translation information running times photographs and several cross referenced indexes by artist year song etc Paperback
