Nice Hope Make Heal Crafts Heart:

Hope, Make, Heal Maya Pagan Donenfeld, 2015-12-29 A welcome companion to anyone suffering a great loss 20 inspiring craft projects to help work through grief from the author of *Reinvention* For anyone seeking renewal and restoration during life's transitions and after deep loss *Hope Make Heal* offers a unique approach to healing using one's hands to mend the heart The twenty craft projects provide ways to make tangible objects that signify the qualities one seeks on a healing path strength calm release and hope Full of gentle encouragement each project is easy to make and suitable for those times when our minds are preoccupied and our spirits are low Grief and pain are universal experiences that touch everyone at one time or another When we grieve most of us reach for the steady hand of loved ones But even if we're blessed with an understanding community a deep sense of isolation comes with tragedy No one else stands in our shoes Rarely is there another person who can understand just what it means to be you For maker and artist Maya Donenfeld when faced with the trauma of a sudden and unexpected ending to her marriage of sixteen years she yearned to find something that would allow her to focus and channel her powerful flood of emotions into something she could see and touch Knowing that busy hands can profoundly nurture the heart and quiet the mind she began making things to wear carry touch and gaze upon beautiful and expressive objects that were simple intentional and most of all meaningful The result is the collection of projects here This book offers a unique approach to mending wounds with inspiring projects that integrate hand heart and mind with thread ink and more The projects encourage renewal and restoration during life's transitions and after deep loss Each one offers comfort and support and is designed to have a personal impact on the maker and those around them It's a resource for personal healing and a gift for your friend in need

The Healing Power of Hope Kenneth P. Walker Ph. D., 2016-07-21 You've received what feels like the worst news imaginable CANCER A dreaded diagnosis a merciless disease a relentless foe Life as you've known it seems irrevocably lost the future hopeless But what if all is not lost and the future holds promise What if you could enlist an ally so powerful that an inevitable diagnosis could be overcome You can That ally The Great Physician our Lord Jesus Christ Commend your carebody and spirit to Him Have faith Embrace hope This is a true story about how faith and hope combined with courage determination love and a tenacious will to live can help you fight cancer and find joy in the face of adversity O LORD if you heal me I will be truly healed if you save me I will be truly saved My praises are for you alone Jeremiah 17:14 NLT

Queering Your Craft Cassandra Snow, 2025-09-12 As evident through the pages of this book Snow holds a vision for the queer aspirant who hears the call to witchery to find healing empowerment strength and pride through their craft Through creative and unique journal prompts introspection rituals and spells Snow achieves this beautifully and herein lays the perfect guide for the queer witch to stand in their power and stand beside others truly queering our craft with compassion and pride Mat Auryn author of *Psychic Witch A Metaphysical Guide to Meditation Magick and Manifestation* Witchcraft has always belonged to the outsiders and outcasts in society yet so much of the practice enforces and adheres to

the same hierarchy we face in the world at large a hierarchy that isolates and hurts those living beyond society's binaries and boundaries While there are books that address magick for resistance and queer myth until now there has not been one that specifically addresses the practice of queer magick from an LGBTQ standpoint *Queering Your Craft* combines queer aesthetic and culture like DIY culture and an emphasis on chosen family over formal covens with pagan and metaphysical spiritual practice in a way that is commonplace but has not been written about until now This book covers the personal the collective and the political and how deeply intertwined all three are in a magickal practice for those who are LGBTQ In this introduction to witchcraft Snow presents why how each concept is important to a queer craft or how to approach it from a queer mindset For example conventional prayer words and symbols have always been problematic in a queer universe How to make them work and still be true to yourself The bulk of the book is about learning the craft The latter portion is a grimoire of spells While accessible to beginning witches *Queering Your Craft* provides new and inspiring information for longtime practitioners interested in a pure and personal approach that avoids the baggage of history and stereotype
