The Burden Is Light Jon Tyson, 2018-03-13 A NYC pastor and global influencer inspires readers to find their most meaningful and purposeful life Surprising to many this life is not measured by success comparison or accolades Rather free and joyful living stems from a God centered celebration of our union with Christ and the lives of those around us Jon Tyson's exploration of the reverse economy of the kingdom frees his readers from merit based living not just in terms of salvation but daily earthly value Life is not meant to be a series of competitions or a survival of the fittest rat race Yet so many of the messages around us so many of the voices bombarding our hearts and minds tie up our value and package it with our accolades This book gives another way forward It shows readers how to value their individual lives based on what God says about them rather than how they measure themselves against the world This is a must read for each and every person trying to find their voice and purpose in a loud and frenetic world

The Mind of Pope Francis Massimo Borghesi, 2018-10-04 A commonly held impression is that Pope Francis is a compassionate shepherd and determined leader but that he lacks the intellectual depth of his recent predecessors Massimo Borghesi's *The Mind of Pope Francis* Jorge Mario Bergoglio's Intellectual Journey dismantles that image Borghesi recounts and analyzes for the first time Bergoglio's intellectual formation exploring the philosophical theological and spiritual principles that support the profound vision at the heart of this pope's teaching and ministry Central to that vision is the

church as a coincidentia oppositorum holding together what might seem to be opposing and irreconcilable realities Among his guiding lights have been the Jesuit saints Ignatius and Peter Faber philosophers Gaston Fessard Romano Guardini and Alberto Methol Ferrer and theologians Henri de Lubac and Hans Urs von Balthasar Recognizing how these various strands have come together to shape the mind and heart of Jorge Mario Bergoglio offers essential insights into who he is and the way he is leading the church Notably this groundbreaking book is informed by four interviews provided to the author via audio recordings by the pope himself on his own intellectual formation major portions of which are published here for the first time

Contino, 2020-08-17 In this book Paul Contino offers a theological study of Dostoevsky s final novel The Brothers Karamazov He argues that incarnational realism animates the vision of the novel and the decisions and actions of its hero Alyosha Fyodorovich Karamazov The book takes a close look at Alyosha s mentor the Elder Zosima and the way his role as a confessor and his vision of responsibility to all for all develops and influences Alyosha The remainder of the study which serves as a kind of reader s guide to the novel follows Alyosha as he takes up the mantle of his elder develops as a monk in the world and at the end of three days ascends in his vision of Cana The study attends also to Alyosha s brothers and his ministry to them Mitya s struggle to become a new man and Ivan s anguished groping toward responsibility Finally Contino traces Alyosha s

generative role with the young people he encounters and his final message of hope
