Nice Lesbian Love Addiction Understanding Things:

Lesbian Love Addiction Lauren D. Costine, 2015-11-05 Everyone makes mistakes in relationships at one time or another. Sometimes they learn from those mistakes. Other times they return to those behaviors and cycle through failed relationships after failed relationships. Sometimes those behaviors become an addiction to love that may leave a person feeling unhappy, unfulfilled, lonely, or worse. *Lesbian Love Addiction: Understanding the Urge to Merge and How to Heal When Things Go Wrong* makes visible the elements of love addiction that many lesbians suffer from. Love addiction for lesbians comes in many forms. Some struggle by sexually acting out, and others are serial relationship junkies jumping from one relationship into the next. Some are addicted to the high of falling in love, and once that wears off, don't know how to handle the day-to-day realities of a committed relationship. Some are even addicted to fantasy and intrigue, while others are love avoidants and sexual anorexics. Love avoidants may be able to get into a relationship, but once they are fully committed, struggle with feeling smothered. Others may avoid intimate or sexual relationships altogether, becoming sexually anorexic. Some may even vacillate between all of these. The underlying component and common denominator in all of these scenarios is the Urge to Merge. *Lesbian Love Addiction* is designed to help ameliorate at least part of this problem. Lauren D. Costine offers insight for lesbians, bisexual women, in relationships with women, queer women, and more specifically, any woman who loves women, as well as their family and friends, and health care professionals, into the psychology of lesbian love addiction. It will give those who struggle with and suffer from love addiction ways to understand, cope, and heal from this debilitating addiction. It will give those who work with this population new tools to use to do this more effectively. Mostly, it will help lesbians understand their relationship failures and how to heal from problems associated with them, so they may grow and cultivate happier, more fulfilling connections in the future.

The Outside Thing Hannah Roche,2019-05-28 In a lecture delivered before the University of Oxford s Anglo French Society in 1936 Gertrude Stein described romance as the outside thing that is always a thing to be felt inside Hannah Roche takes Stein s definition as a principle for the reinterpretation of three major modernist lesbian writers showing how literary and affective romance played a crucial yet overlooked role in the works of Stein Radclyffe Hall and Djuna Barnes The Outside Thing offers original readings of both canonical and peripheral texts including Stein s first novel *Q E D* Things As They Are Hall s *Adam s Breed* and *The Well of Loneliness* and Barnes s early writing alongside *Nightwood* Is there an inside space for lesbian writing or must it always seek refuge elsewhere Crossing established lines of demarcation between the in and the out the real and the romantic and the Victorian and the modernist The Outside Thing presents romance as a heterosexual plot upon which lesbian writers willfully set up camp These writers boldly adopted and adapted the romance genre Roche argues as a means of staking a queer claim on a heteronormative institution Refusing to submit or surrender to the straight traditions of the romance plot they turned the rules to their advantage Drawing upon extensive archival research The Outside Thing is a significant rethinking of the interconnections between queer writing lesbian living and literary modernism
