Percy, 1981 Mexico-United States Relations Arturo Santa-Cruz, 2012-09-10 Sovereignty is a key factor to consider when studying the Mexico United States relationship During most of the twentieth century as a result of the new character of the Mexican post revolutionary regime there was a decoupling between the state s maximalist discourse on sovereignty and its practice Sovereignty as an undifferentiated whole does not exist it should instead be disaggregated into the myriad issue areas in which it is constantly negotiated Focusing on a tripartite classification relating to the construction of Mexico s sovereignty towards its northern neighbor since 1920 this volume illustrates how Mexico s sovereignty has varied not only according to the times but also according to the issues at stake In doing so Arturo Santa Cruz comprehensively covers a variety of issues in the bilateral agenda such as drug trafficking electoral observation human rights

investment migration security and trade as well as some defining moments in the relationship such as the 1923 US granting of recognition to the Mexican post revolutionary regime the 1938 oil nationalization the 1982 debt crisis and the 1995 financial bailout These diverse cases analyzed through an original analytical approach capture sovereignty s multifocal meaning Mexico and the United States Matias Romero,2015-10-05 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Report of the Senate Delegation on the Meeting - Mexico-United States**
