(A) Management is sending a signal that it expects the economy to expand.
(B) Management is sending a signal that the company has good projected future earnings.
(C) While the company was able to pay a higher dividend, management preferred a more conservative figure.
(D) The company has overextended its cash position and may have liquidity problems in the future.
- Wave Inc. is a telecommunications company that wants to become involved in e-commerce. It has to decide whether to develop a business-to-business or business-to-consumer strategy. As Wave's strategic planner, you have been asked to develop a business plan for each opportunity and present these to senior management. The answer to which of the following questions is most important to know before starting your plan?
(A) What are the company's core competencies?
(B) What is the potential market size?
(C) What is the impact on the estimated revenue?
(D) Does the company have e-commerce capabilities?
