The 2011-2012 5% reduction will have negative impacts on the amount of the Special 301 Review conducted each year. Section 4

For this trial, a team of experts from the University of Illinois at Urbana-Champaign, the University of California, Berkeley, and the University of Texas at Austin, prepared the data. The data were then used to train a neural network to predict the outcome of the game. The results of the trial were published in the *Journal of the American Statistical Association*.
