Alan Sheridan,1982 **Michel Foucault** Dan Beer,2017 *Michel Foucault* Barry Smart,2002 This classic series provides students with concise and readable introductions to the work life and influence of the great sociological thinkers [Michel Foucault](#) Barry Smart,1994 *Michel Foucault* Barry Cooper,1981 **Michel Foucault** Clare O'Farrell,2005-09-16 A truly magnificent book If there is a more comprehensive book on Foucault s work I have yet to see it I anticipate those teaching and taking courses on Foucault s work will find Clare O Farrell s book to be an invaluable resource Barry Smart University of Portsmouth A marvellous introduction This volume captures the penetrating interdisciplinary concerns that have made Foucault a guide to so many beyond the frontiers of philosophy and history beyond the borders of the academic community itself This is an excellent introduction for the general reader to a passionate mind that continues to spread its influence James Bernauer Boston College Offers the best introduction to Foucault s philosophy Superb glossary of major terms excellent bibliography and chronology Summing Up Essential Upper level undergraduates through faculty researchers C E Reagan Kansas State University CHOICE Michel Foucault s work is one of the most influential sources of ideas in the humanities and social sciences today Clare O Farrell offers a comprehensive and accessible introduction to Foucault s enormous diverse and challenging output Her book provides a range of practical tools and a reference work for readers who wish to understand and apply his ideas at both introductory and advanced levels This volume includes A discussion of Foucault s situation in the contemporary context exploring his role as an iconic thinker with clear explanations as to why his work is so difficult to come to grips with and also importantly why it is of interest to so many people The location of Foucault s work within its own historical social and political setting Brief summaries in chronological order of all of Foucault s major works including the more recently published volumes of lectures The organization of Foucault s work around five interrelated assumptions which underpin his world view namely order history truth power and ethics Ideas for which he is well known such as archaeology genealogy discourse discipline and governmentality are discussed within the framework of these A chronology of Foucault s life work and times An extensive list of key concepts in Foucault s work with detailed references pointing to where the relevant material can be found in his writings A wide ranging list of resources and a bibliography of Foucault s work for easy consultation **Problems of Style** Walter Privitera,1995-01-17 This is a unification of Michel Foucault s thought as a systematic epistemological project Privitera shows that the method and unity of Foucault s writings can only be seen by examining their origins in the work of Bachelard and Canguilhem *Michel Foucault* Dianna Taylor,2014-12-05 Michel Foucault was one of the twentieth century s most influential and provocative thinkers His work on freedom subjectivity and power is now central to thinking across an extraordinarily wide range of disciplines including philosophy history education psychology politics anthropology sociology and criminology Michel Foucault Key Concepts explores Foucault s central ideas such as disciplinary power biopower bodies spirituality and practices of the self Each essay focuses on a specific concept analyzing its meaning and uses across Foucault s work highlighting its connection to other

concepts and emphasizing its potential applications Together the chapters provide the main coordinates to map Foucault's work But more than a guide to the work Michel Foucault Key Concepts introduces readers to Foucault's thinking equipping them with a set of tools that can facilitate and enhance further study **[Michel Foucault \(9780415285339\)](#)**, 2002

The Foucault Reader Michel Foucault, 1984-11-12 Michel Foucault was one of the most influential philosophical thinkers in the contemporary world someone whose work has affected the teaching of half a dozen disciplines ranging from literary criticism to the history of criminology But of his many books not one offers a satisfactory introduction to the entire complex body of his work The Foucault Reader was commissioned precisely to serve that purpose The Reader contains selections from each area of Foucault's work as well as a wealth of previously unpublished writings including important material written especially for this volume the preface to the long awaited second volume of The History of Sexuality and interviews with Foucault himself in the course of which he discussed his philosophy at first hand and with unprecedented candor This philosophy comprises an astonishing intellectual enterprise a minute and ongoing investigation of the nature of power in society Foucault's analyses of this power as it manifests itself in society schools hospitals factories homes families and other forms of organized society are brought together in The Foucault Reader to create an overview of this theme and of the broad social and political vision that underlies it **[Michel Foucault and Power Today](#)** Alain Beaulieu, David Gabbard, 2006 Foucault's thought finds innumerable applications across the social sciences from studies in the social aspects of the medical practices and criminal sociology to juridical and economic sciences Owing to their philosophical ramifications his ideas have also impacted the spheres of literary studies ethics political thought and critical ontology Few thinkers have left such an influence across such a diverse range of studies Contributors attempt to pay homage to that diversity by presenting a multidisciplinary series of analyses dedicated to the question of power today Drawn from a number of papers presented at an international conference entitled Michel Foucault and social Control conducted at Maison de la culture CTte des Neiges in Montreal on May 8-10 2004 to commemorate the twentieth anniversary of Foucault's death the essays that comprise this volume address the issue at both a theoretical level and as it pertains to specific fields of practice In addition to paying tribute to Foucault's achievements and situating his thought within the French and larger European context from which it emerged these essays also re-evaluate the relevance of Foucault's ideas for understanding contemporary conditions This book is suited for a broad academic audience in the humanities and Social Sciences especially philosophy sociology and cultural studies

[Michel Foucault ,1989](#) **[Towards a critique of Foucault](#)** Mike Gane, 2013-04-03 The work of Michel Foucault one of the most influential of modern French social theorists and philosophers has had a dramatic and far-reaching effect on many disciplines The essays in this reissued collection originally published in 1986 present Foucault's work as an important contribution to the theoretical analysis of history language and power They also represent a critical response to this contribution encouraging readers not only to read Foucault for themselves but to think about some new problems in a

new way **Michel Foucault** Barker, *The Archaeology of Knowledge* Michel Foucault, 2012-07-11 Madness sexuality power knowledge are these facts of life or simply parts of speech In a series of works of astonishing brilliance historian Michel Foucault excavated the hidden assumptions that govern the way we live and the way we think The Archaeology of Knowledge begins at the level of things aid and moves quickly to illuminate the connections between knowledge language and action in a style at once profound and personal A summing up of Foucault s own methodological assumptions this book is also a first step toward a genealogy of the way we live now Challenging at times infuriating it is an absolutey indispensable guide to one of the most innovative thinkers of our time
