Forgiveness, Reconciliation, and Restoration Martin William Mittelstadt, Geoffrey W. Sutton, 2010-08-01 Although history is replete with tales of revenge Christian forgiveness provides an alternate response In this volume Pentecostal scholars from various disciplines offer their vision for forgiveness reconciliation and restoration The essayists offer long overdue Pentecostal perspectives through analysis of contemporary theological issues personal testimony and prophetic possibilities for restoration of individual relationships and communities Though Pentecostals remain committed to Spirit empowered witness as recorded in Luke Acts these scholars embrace a larger Lukan vision of Spirit initiated inclusivity marked by reconciliation The consistent refrain calls for forgiveness as an expression of God s love that does not demand justice but rather seeks to promote peace by bringing healing and reconciliation in relationships between people united by one Spirit

The Practice of Prophecy Li Ming Dennis

Lum,2018-03-26 The charisma of prophecy is found throughout the history of the global Pentecostal movement Within the movement prophecy is seen as the communication of an inspired spontaneous revelation bringing edification to the faith community Despite its prevalence academic research has mostly focused on the biblical theological aspect neglecting the actual contemporary practice This book addresses this gap with a study on the practice of prophecy within the Assemblies of God of Singapore The book investigates the nature purpose and significance of the phenomenon It also identifies theological variables that are correlated with its practice and explicates these relationships The investigation employs the empirical theological method of Johannes van der Ven utilizing both a qualitative and a quantitative study The results provide a rich description of the actual reception delivery and judging of prophecy Significant findings include relationships between prophecy and courage love personality types prayer types and evangelism *Norming the Abnormal* Aaron T.

Friesen,2013-02-19 Pentecostalism is one of the largest and fastest growing religious movements around the world Yet the movement s defining doctrine has met with controversy and criticism since its inception Classical Pentecostals have not only affirmed and valued the experience of speaking in other tongues they have argued that such an experience is the first evidence of a Christian having reached a level of spiritual empowerment they call Baptism in the Holy Spirit That speaking in an unknown language should be considered by many Pentecostals to be a normative and uniform right of passage for all Christians is interesting That such a controversial doctrine could rise to take such a prominent role in defining and shaping the Pentecostal movement begs further historical and social study This work charts the development of the doctrine from a small community in the Midwest to become a norm for Pentecostal identity and a hallmark of Pentecostal experience around the world Then through an empirical study of ministers in three Pentecostal denominations the work explores the current beliefs of practices of Pentecostals regarding the doctrine of initial evidence in order to form some conclusions and proposals about the future of the doctrine among classical Pentecostals **The Doctrine of the Holy Spirit** Yacob

Godebo,2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit s presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective

experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha *David du Plessis and the Assemblies of God* Joshua R. Ziefle, 2012-09-28 In David du Plessis and the Assemblies of God Joshua R Ziefle details the complicated tensions that arose during the Charismatic Movement of the 1960s and 1970s He highlights the story of Pentecostal missionary David du Plessis whose deep involvement in every area of the revival illustrates the tenor of the movement and the controversies it engendered Du Plessis s ejection from the ministerial ranks of the Assemblies of God over his continued involvement with non Pentecostals and the denomination s slow but steady rapprochement with the ecumenism of the Charismatic Movement are important themes in this monograph Ultimately Ziefle argues that both du Plessis s enthusiastic embrace of charismatics and the Assemblies own hesitant approach to Spirit filled Roman Catholics and mainline Protestants represent persistent hallmarks of Pentecostalism **Pentecostal and Charismatic Studies** William Kay, Anne E. Dyer, 2017-10-30 The Pentecostal and Charismatic movement is one of the miracles of the 20th century Without government support without an advertising campaign often without the notice of journalists and academics and sometimes in the face of persecution and ridicule it has spread its message around the world and now attracts in the region of 500 million people Many of its original and formative documents are unknown and out of print This book collects together samples from the writings of key Pentecostals and charismatics going back about 100 years and over a range of issues and practices shows how they vary and how they have developed historically These texts have lain in out of print magazines and archives and so far as we know have never been collected before in this way This book allows you to hear the authentic voice of the Pentecostal and charismatic movements drawing especially from sources in English **Latino Pentecostals in America** Gastón Espinosa, 2014-08-25 This excellent study of the Latino Pentecostal movement is an important resource for understanding the future of Christianity in North America Choice Every year an estimated 600 000 U S Latinos convert from Catholicism to Protestantism a transformation spearheaded by the Pentecostal movement and Assemblies of God Latino Assemblies of God leaders and their 2 400 churches across the nation represent a new and growing force in denominational Evangelical and presidential politics In a deeply researched social and cultural history Gast n Espinosa uncovers the roots and contemporary developments of this remarkable turn Latino Pentecostals in America traces the Latino AG back more than a century to the Azusa Street Revivals in Los Angeles and Apostolic Faith Revivals in Houston from 1906 to 1909 Espinosa describes the uphill struggles for indigenous leadership racial equality women in the ministry social and political activism and immigration reform Their outspoken commitment to an active faith has led a new generation of leaders to combine the reconciling message of Billy Graham with the social transformation politics of Martin Luther King Jr This eye opening study explains why this group of working class Latinos once called the Silent Pentecostals is silent no more By giving voice to their untold story Espinosa

enriches our understanding of the diversity of Latino religion Evangelicalism and American culture *Children of the Calling* Eric Nelson Newberg, Lois E. Olena, 2014-12-23 This volume of essays dedicated to Stan and Ruth Burgess has been written by their colleagues and students to honor them as they retire after many years of distinguished service to Evangel University Southwest Missouri State University and Regent University Several meanings can be subsumed under the title Children of the Calling Stan and Ruth grew up in India children of Pentecostal missionaries who felt they had divine callings They were influenced not only by the religious callings of their parents but also by the cultural milieu of India Though they did not personally take on board the specific missionary calling of their parents they charted life maps that benefitted from the cross cultural proficiencies developed in their childhoods in India which to a large extent colored the influence they would have on their children academic colleagues and students some of whom have submitted essays for this Festschrift The diversity of subjects in this volume attests to the breadth of the scholarly work of Stan and Ruth Burgess The first section narrates the major highlights of Stan and Ruth s academic biographies the second presents pioneering studies of biblical studies and church history and the third offers application based research and personal reminiscences **Empowering Spirit, Empowering Structures** Stephen Charles McKnight, 2023-08-03 Noel Perkin a banker turned missionary led Assemblies of God World Missions AGWM for more than thirty years 1927-59 His life exemplifies the missionary zeal historians have noted within the early Pentecostal movement Perkin s experience of the Holy Spirit and his experiences as a missionary in Argentina led him to create systems intended to empower others to fulfill Christ s commission to make disciples of all nations Perkin s empowering leadership played a significant part in AGWM s remarkable growth into a leading Pentecostal mission sending agency which currently sends over 2 000 missionaries to 140 countries As one of the principal architects of AGWM s missiology and operation Perkin transformed a two person office relying on envelope boxes for its accounting system into a well structured strategic mission agency and laid a foundation for AGWM s continued growth Empowering Spirit Empowering Structures uses the foundation of a biographical study to examine the concept of empowerment through Perkin s life and the impact that Perkin and his missiology had and continues to have upon AGWM **Essentials of Pentecostal Theology** Tony Richie, 2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has arisen for identification and evaluation of the Pentecostal movement s original and ongoing theological essentials What is Pentecostal theology really all about anyway This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers worship of God in prayer and praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches house

fellowships and various mission settings in America and around the world Birthed in the fires of revival movements essential Pentecostalism including Pentecostal theology continues to burn brightest wherever it is fueled most directly **A Light to the Nations** Stanley M. Burgess, Paul W. Lewis, 2017-03-02 The essays in this volume which are written by friends colleagues and former students are dedicated to Gary B McGee as a memorial to his life work and service As a professor with a clear calling to teach he modeled this passion at the Open Bible College Des Moines Iowa Central Bible College Springfield Missouri and the Assemblies of God Theological Seminary Springfield Missouri He exuded the understanding that quality teaching superior scholarship a genuine Pentecostal spirituality and an irenic spirit can and should go together Within the title of this volume A Light to the Nations two aspects become clear First each person is called to be a light to the nations as Gary McGee modeled Second and foundational to the first is the reality that Jesus Christ is the ultimate light and our energies study discussions and life in general should rely on this fact As a reflection of Gary McGee s life and ministry these two aspects are focused through three lenses which are the three sections of this volume Ecumenism Missions and Pentecostalism The essays represent a diversity of subjects and denote various explorations by colleagues and friends of Gary B McGee **The Missionary Self-Perception of Pentecostal/Charismatic Church Leaders from the Global South in Europe** Claudia Währisch-Oblau, 2009-03-16 In a situation of growing interest in the religion of migrants there are still few publications dealing with pentecostal and charismatic Christians from the global South and the churches they have been starting all over Europe This ground breaking study based on extensive interviews conducted during a nine year research period encompassing more than 100 churches describes how pentecostal charismatic migrant pastors live out their pastoral role how they construct their missionary biographies and how they conceptualize and practice evangelism The result is a comprehensive portrait of an immigrant group which does not define itself as victimized and in need of assistance but as expatriate agents with a clear calling and a vision to change the continent they now live in **Saved, Delivered, and Healed** Tony Richie, 2022-08-30 Should a Christian doctrine of salvation be concerned with this life or the life to come With forgiveness of sins or deliverance of sinners With the saving of the soul or the healing of the body Should it focus on the person and work of Jesus Christ or on the presence and power of Holy Spirit To all these questions and more Tony Richie s Saved Delivered and Healed Introducing a Pentecostal Doctrine of Salvation answers Yes Then it proceeds to present from the Scriptures from Pentecostal theology and spirituality and from decades of pastoral and personal experiences and academic insights an energetic and holistic view of salvation grounded in the wisdom goodness and power of God Its constant focus is God s ultimate redemptive purpose in Jesus Christ by the power of the Holy Spirit for the lives of real human beings living in the real world If you have ever wondered what Christian salvation actually means and how it actually works then this book is for you **Routledge Companion to Christianity in Africa** Elias Kifon Bongmba, 2015-12-22 The Routledge Companion to Christianity in Africa offers a multi disciplinary analysis of the Christian tradition across the African

continent and throughout a long historical span The volume offers historical and thematic essays tracing the introduction of Christianity in Africa as well as its growth developments and effects including the lived experience of African Christians Individual chapters address the themes of Christianity and gender the development of African initiated churches the growth of Pentecostalism and the influence of Christianity on issues of sexuality music and public health This comprehensive volume will serve as a valuable overview and reference work for students and researchers worldwide The New Pentecostal Message? Lewis Brogdon,2015-06-22 The prosperity movement has influenced millions of people in North America Asia Europe South America and Africa through Pentecostal Charismatic and nondenominational preachers in some of the largest churches in the world CNN ABC and Time magazine have examined the preachers and churches in this popular and controversial movement Scholars and church leaders have studied it for more than two decades producing dozens of books and articles on it Considering the widespread popularity of the prosperity movement and the attention it is given by its critics Brogdon asks Is prosperity preaching the new Pentecostal message In order to answer this question one has to examine the prosperity movement as a Pentecostal movement instead of a Word of Faith movement that is a revised form of New Thought metaphysics and Science of Mind Brogdon provides an introduction to the prosperity movement as a Pentecostal movement He asks important questions in the study of the prosperity movement such as who popularized prosperity teaching Oral Roberts or Ken Hagin Do all Pentecostals agree with the prosperity doctrine Is prosperity teaching good news to the poor Has prosperity replaced the emphasis on the Holy Spirit The answers may surprise you California Dreaming Ronald A. Wells,2017-09-11 California matters both as a place and as an idea What famed historian Kevin Starr has called the California Dream is a vital part of American self understanding Just as America was meant to be a place of renewal even redemption for Europe so too California was intended as a place of renewal for America Therefore California place and idea provides a fertile ground for scholars to think deeply about what it means to articulate the promise of American life This book follows in the train of George Marsden s classic *The Outrageous Idea of Christian Scholarship* believing that people of faith have a contribution to make to scholarship and of Jay Green s more recent book *Christian Historiography Five Rival Views* believing that scholars of faith should engage in moral inquiry In this book eight authors inquire into the moral questions that emerge from studying California *Wesleyan Pneumatology, Pentecostal Mission, and the Missio Dei* Jody B. Fleming,2021-05-18 In *Wesleyan Pneumatology Pentecostal Mission and the Missio Dei* Jody B Fleming argues that missiology in a Wesleyan context has been heavily influenced by the Western worldview and needs renewal Spirituality is central to living in many non western cultures integrated with the physical world of everyday life Wesleyan traditions may need to renew and strengthen the pneumatology found in their mission theory and praxis As the center of Christianity is shifting to the global south Pentecostal and charismatic expressions of the faith are becoming more prominent Without forfeiting their solid foundations what might the Wesleyan traditions learn from their theological cousins about engagement

with the Holy Spirit How might pneumatology be renewed in order to address spiritual beliefs found in other cultures in both global and local settings Renewal also includes the indigenous voice as essential for understanding cultural dynamics and spirituality Contextualization is not new to missiology and so mission theory is explored from Latin American scholars as another point for renewal Partnerships in mission and the role of the Holy Spirit are highlighted in the of field work conducted in Venezuela In *Renewing the Spark* the author suggests that a fresh look at pneumatology will more effectively articulate the gospel in holistic and spirit centered non western cultures
