new Rachel Barenblat The Velveteen Rabbi and author of Texts to the Holy Female protagonists turn Jewish folktales on their heads What happens when stories with traditional male protagonists are updated with female characters Timeless plots and values remain while old tales transform to inspire and captivate a new generation When Debra Gordon Zaslow first ventured into Jewish storytelling in the mid 1980s she was surprised at how difficult it was to find Jewish tales featuring powerful female characters This seemed odd given the obvious strength of Jewish women Over the years she found herself slipping female characters into stories and changing male protagonists into females Her criterion was simple if it didn't change the basic meaning or plot of the story the character could be female There was always the sense however of meddling with something sacrosanct These Jewish stories have been handed down for centuries and who was she to change them Decades later comes this collection of stories The maggidot Jewish women storytellers who wrote and compiled this innovative anthology have created a collection to honor Jewish values while featuring female characters in every central role Some stories are female centered versions of traditional tales e g The Fishmonger and the Shiviti and The Shekhinah Is in Exile others are original fiction inspired by perennial Jewish themes A Queer Soul in the Shtetl

for *A Treasury of Jewish Inspirational Stories* Epstein searched every corner of Jewish experience from the Bible to modern times He combed the classical literature hasidic lore and the lives of well known Jewish personalities such as Hillel Rashi and Maimonides as well as lesser known figures and ordinary individuals looking for tales that provide us with a shock of insight into eternal mysteries These stories Epstein goes on to say help us become connected to a divine process we can only dimly comprehend but one to which we react with awe and reverence *A Treasury of Jewish Inspirational Stories* is a fine sourcebook for what the author describes as a special kind of literature Epstein has provided us with retellings of such stories as the Exodus from Egypt Mount Sinai the receiving of the Ten Commandments the story of Esther Judah Maccabee Herzl and the rebirth of Israel the fighters of the Warsaw Ghetto over 125 stories that move the intellect and the emotions Epstein remarks that the original idea for writing a book of inspirational stories came after listening to a survivor of the Holocaust It is his hope that *A Treasury of Jewish Inspirational Stories* will allow readers to search for the inspirational stories in their own lives
