New Orleans Requiem Broussard And Franklyn:

New Orleans Requiem D.J. Donaldson,2013-01-01 A man is found stabbed one eyelid removed and the Scrabble tiles KOJE on his chest Then a second victim but this time only three tiles KOJ It is clear the clues left are part of a sick game the killer is playing with Andy Broussard probably by an attendee at the annual forensics meeting held in New Orleans Has he finally met his match *The New Orleans of Fiction* James A. Kaser,2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on New Orleans centered fiction are available they are of little use to scholars researching works written before the 1980s In *The New Orleans of Fiction A Research Guide* James A Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included *Mystery Women, Volume Two (Revised)* Colleen Barnett,2011-12-31 Many bibliographers focus on women who write Lawyer Barnett looks at women who detect at women as sleuths and at the evolving roles of women in professions and in society Excellent for all women's studies programs as well as for the mystery hound Look at the popularity of such reading guides as Willetta Heising's *Detecting Women* 3rd ed 0 9644593 7 X or Amanda Cross fiction *Honest Doubt* 0 345 44011 0 11 00 **Assassination at Bayou Sauvage** D.J. Doctor-Detectives in the Mystery Novel Howard Brody, 2021-01-18 This is the first book to offer a critical analysis of one variant of the mystery story or novel the use of a physician as the major detective There is little difference between a medical case study and a mystery story The book reviews the works of major authors from R Austin Freeman Helen McCloy Josephine Bell and H C Bailey to Patricia Cornwell Kathy Reichs Aaron Elkins and Colin Cotterill with briefer reviews of minor authors It also addresses historical fictional physician detectives psychological detectives and physician detective nonfiction
