New York Masjid Mosques Of New York:

New York Masjid Ed Grazda, Jerrilynn Denise Dodds, 2002 New York Masjid Mosques of New York took root on February 26 1993 in the midst of an urban crisis the World Trade Center bombing But ultimately more destructive to the city at that time were the tidal waves of toxic and reductive one line headlines that followed in the written and televised media Muslim Terrorist leaving a kind of easy familiar code name for terror To counteract this stereotype scholar Jerrilynn D Dodds joined forces with photographer Edward Grazda to document the Islamic presence in New York by focusing on the places Muslims congregate to worship their god the Mosque New York Masjid Mosques of New York is an insightful and unbiased account of a much maligned and rapidly growing culture around the world taken in perhaps the one place in the world where all manifestations of religious adherents live and work New York City The book features photographs essays and interviews documenting the mosques that New York's Muslim communities have built at their center revealing the ways these buildings reflect and create identities for Muslims within a dense and diverse urban fabric Mr Grazda's penetrating black and white photographs and Ms Dodd s insightful commentaries reveal the range of the city s Islamic houses of worship and their ethnic congregations The New York Times The Encyclopedia of New York City Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis A Community of Many Worlds The Museum of the City of New York, 2002-06-01 New York City's main Arab communities exemplify the continuity and change that has taken place throughout the city's rich history The Museum of the City of New York in partnership with the Middle East Institute at Columbia University and a group of local Arab and non Arab scholars activists and educators undertook a long overdue exploration of New York s Arab populations The result is a revealing collection of writings and photographs that document

and tell the stories of these communities Rethinking Place in South Asian and Islamic Art, 1500-Present Deborah S. Hutton, Rebecca M. Brown, 2016-10-04 10 Useful but dangerous photography and the Madras School of Art 1850 73 11 Temporal transformations terracotta and trash Index Making Muslim Space in North America and Europe Barbara Daly Metcalf, 2023-04-28 Focusing on the private and public use of space this volume explores the religious life of the new Muslim communities in North America and Europe Unlike most studies of immigrant groups these essays concentrate on cultural practices and expressions of everyday life rather than on the political issues that dominate today s headlines The authors emphasize the cultural strength and creativity of communities that draw upon Islamic symbols and practices to define Muslim space against the background of a non Muslim environment The range of perspectives is broad encompassing middle class professionals mosque congregations factory workers in France and the north of England itinerant African traders and prison inmates in New York The truism that Islam is a religion of the word takes on concrete meaning as these disparate communities find ways to elaborate word centered ritual and to have the visual and aural presence of sacred words in the spaces they inhabit The volume includes 46 black and white photographs that illustrate Muslim populations in Edmonton Philadelphia the Green Haven Correction Facility Manhattan Marseilles Berlin and London among other places The focus on space directs attention to the new kinds of boundaries and consciousness that exist not only for these Muslim populations but for people from all backgrounds in today s ever more integrated world This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1997 Focusing on the private and public use of space this volume explores the religious life of the new Muslim communities in North America and Europe Unlike most studies of immigrant groups these essays concentrate on cultural practices and expressions of

From Abyssinian to Zion David W. Dunlap,2004-05-12 From modest chapels to majestic cathedrals and historic synagogues to modern mosques and Buddhist temples this photo filled pocket size guidebook presents 1 079 houses of worship in Manhattan and lays to rest the common perception that skyscrapers bridges and parks are the only defining moments in the architectural history of New York City With his exhaustive research of the city's religious buildings David W Dunlap has revealed and at times unearthed an urban history that reinforces New York as a truly vibrant center of community and cultural diversity Published in conjunction with a New York Historical Society exhibition From Abyssinian to Zion is a sometimes quirky always intriguing journey of discovery for tourists as well as native New Yorkers Which popular pizzeria occupies the site of the cradle of the Christian and Missionary Alliance movement the Gospel Tabernacle And where can you find the only house of worship in Manhattan built during the reign of Caesar Augustus Arranged alphabetically this handy guide chronicles both extant and historical structures and includes 650 original photographs and 250 photographs

Perspectives on Pendentive Dome Mosque Architecture (Penerbit USM) Ahmad Sanusi Hassan, Spahic Omer, This

book consists of eight topics which discusses on pendentive dome mosque architecture It contributes architectural design

knowledge which emphasizes on sustainable development based on Islamic perspective in the mosque architecture in Anatolia and Bosnia as well as in the Balkan region The mosque design should become the model primary reference to other building designs because the design postures an act and intention of the man's prostration to the God's natural built environment This book also discusses on Ottoman mosque architecture in Anatolia and its influence to the mosque design in Bosnia Herzegovina and the Balkan region All topics are supported by either analytical or literature findings which can benefit the future research education and practices Beyond the Divide Tammy Gaber, 2022-02-23 Canada's first mosque the Al Rashid mosque in Edmonton was built in 1938 In the years since as Canada's Muslim population has grown close to two hundred mosques Islamic centres prayer spaces and jamatkhanas have been built across the country Beyond the Divide explores the mosques of Canada in their diversity beauty practicality and versatility From east to west and to the north Tammy Gaber visits ninety mosques in more than fifty cities including Canada's most northern places of worship in Nunavut and the Northwest Territories For nearly a century Muslims have made mosques in a variety of spaces from converted shops and vacated churches to large purpose built complexes Drawing on site photographs architectural drawings and interviews Gaber explores the extraordinary diversity in how these spaces have been designed built and used as places not only of worship but of community gathering education charitable work and civic engagement Throughout Beyond the Divide provides a groundbreaking analysis of gendered space in Canadian mosques how these spaces are designed and reinforced and how these divides shape community experience The first comprehensive study of mosque history and architecture in Canada Beyond the Divide reveals the mosque to be a dynamic building type that adapts to its context from its climate and physical environment to the community it serves Above all mosque designs depend on the people who gather in them and what those people strive for their mosques to be A ^AMuslim in Victorian America Umar F. Abd-Allah, 2006-09-21 Conflicts and controversies at home and abroad have led Americans to focus on Islam more than ever before In addition more and more of their neighbors colleagues and friends are Muslims While much has been written about contemporary American Islam and pioneering studies have appeared on Muslim slaves in the antebellum period comparatively little is known about Islam in Victorian America This biography of Alexander Russell Webb one of the earliest American Muslims to achieve public renown seeks to fill this gap Webb was a central figure of American Islam during the late nineteenth and early twentieth centuries A native of the Hudson Valley he was a journalist editor and civil servant Raised a Presbyterian Webb early on began to cultivate an interest in other religions and became particularly fascinated by Islam While serving as U S consul to the Philippines in 1887 he took a greater interest in the faith and embraced it in 1888 one of the first Americans known to have done so Within a few years he began corresponding with important Muslims in India Webb became an enthusiastic propagator of the faith founding the first Islamic institution in the United States the American Mission He wrote numerous books intended to introduce Islam to Americans started the first Islamic press in the United States published a journal

entitled The Moslem World and served as the representative of Islam at the 1893 World's Parliament of Religions in Chicago In 1901 he was appointed Honorary Turkish Consul General in New York and was invited to Turkey where he received two Ottoman medals of merits In this first ever biography of Webb Umar F Abd Allah examines Webb s life and uses it as a window through which to explore the early history of Islam in America Except for his adopted faith every aspect of Webb s life was as Abd Allah shows quintessentially characteristic of his place and time It was because he was so typically American that he was able to serve as Islam's ambassador to America and vice versa As America's Muslim community grows and becomes more visible Webb's life and the virtues he championed pluralism liberalism universal humanity and a sense of civic and political responsibility exemplify what it means to be an American Muslim Reign of Terror Spencer Ackerman, 2022-08-09 A New York Times Critics Top Book of 2021 An impressive combination of diligence and verve deploying Ackerman's deep stores of knowledge as a national security journalist to full effect. The result is a narrative of the last 20 years that is upsetting discerning and brilliantly argued The New York Times One of the most illuminating books to come out of the Trump era New York Magazine An examination of the profound impact that the War on Terror had in pushing American politics and society in an authoritarian direction For an entire generation at home and abroad the United States has waged an endless conflict known as the War on Terror In addition to multiple ground wars the era pioneered drone strikes and industrial scale digital surveillance weakened the rule of law through indefinite detentions sanctioned torture and manipulated the truth about it all These conflicts have yielded neither peace nor victory but they have transformed America What began as the persecution of Muslims and immigrants has become a normalized feature of American politics and national security expanding the possibilities for applying similar or worse measures against other targets at home as the summer of 2020 showed A politically divided and economically destabilized country turned the War on Terror into a cultural and then a tribal struggle It began on the ideological frontiers of the Republican Party before expanding to conquer the GOP often with the acquiescence of the Democratic Party Today's nativist resurgence walked through a door opened by the 9 11 era And that door remains open Reign of Terror shows how these developments created an opportunity for American authoritarianism and gave rise to Donald Trump It shows that Barack Obama squandered an opportunity to dismantle the War on Terror after killing Osama bin Laden By the end of his tenure the war had metastasized into a bitter broader cultural struggle in search of a demagogue like Trump to lead it Reign of Terror is a pathbreaking and definitive union of journalism and intellectual history with the power to transform how America understands its national security policies and their Beyond the Mosque Rizwan Mawani,2019-09-19 I B Tauris in association with the catastrophic impact on civic life Institute of Ismaili Studies While mosques are the central house of worship for a majority of Muslims around the world many of Islam's communities have developed their own distinctive religious spaces. These complementary spaces serve the different cultures geographies and interpretations of Islam that continue to enrich the Muslim tradition In this book Rizwan Mawani

encounters diverse communities and their sites of worship from the mosque and husayniya to the khanagah and jamatkhana Readers are introduced to a variety of Muslim spaces modest and elaborate their distinct structures and the rituals practised within them as well as the purposes they serve as community centres and markers of identity Beyond the Mosque reveals architectural responses to evolving community needs and local environments from Senegal and China to Iran and India This illuminating survey celebrates the significant pluralism that characterises the living Muslim tradition today Contemporary British Mosque Abdul-Azim Ahmed, 2024-03-21 Repositioning mosques as social cultural and political spaces this book provides new insights on key contemporary debates the religious identity of Britain secularisation the far right and terrorism and gender equality Exploring the story of the British mosque from house conversions to grand works of architecture and the role they play in public life Abdul Azim Ahmed details the establishment of early mosques during the era of Empire and the rapid growth in the years following the Second World War Ahmed takes a sociological approach to this study drawing on fieldwork and ethnographic case studies alongside reviews of databases and historical documents to provide perspectives on the British mosque from the congregants themselves The Muslim congregation a poorly understood and often overlooked dimension of religion in Britain is examined and issues of diversity denomination sacredness and society are explored New York City Curiosities Lisa Montanarelli, 2011-01-11 The definitive collection of New York City s odd wacky and most offbeat people places and things for New York City residents and anyone else who enjoys local humor and trivia with a twist From Chinatown restaurants that make bubble tea to the Burger King peacock statue in Staten Island this book will have it all Muslim Communities in North America Yvonne Yazbeck Haddad, Jane I. Smith, 1994-08-04 This book provides the first in depth look at Muslim life and institutions forming in North America It considers the range of Islamic life in North America with its different racial ethnic and cultural identities customs and religious orientations Issues of acculturation ethnicity orthodoxy and the changing roles of women are brought into focus The authors provide insight into the lives of recent immigrants who are asking what is Islamically appropriate in a non Muslim environment Contrasts are drawn between Sunni and Shi i groups and attention is given to the activities of some Sufi organizations The growing Islamic community among African American Muslims is examined including the followers of Warith Deen Muhammed and the sectarians identified with black power such as the Nation of Islam Darul Islam and the Five Percenters The authors document the challenges and issues that American Muslims face such as prejudice and racism pressure from overseas Muslims dress and education the influence of Islamic revivalism on the development of the community in this country and the maintenance of Muslim identity amidst the pressure for assimilation *Islamophobia, Race, and Global Politics* Nazia Kazi,2018-12-12 Islamophobia Race and Global Politics is a powerful introduction to the scope of Islamophobia in the U S Nazia Kazi highlights the vast impact of Islamophobia and its connections with the long history of racial inequality in America
