

NEW YORK POLITICS

A TALE OF TWO STATES

THIRD EDITION

EDWARD V. SCHNEIER, ANTOINETTE POLE,
AND ANTHONY MANISCALCO

New York Politics A Tale Of Two States

Joseph F. Zimmerman

New York Politics A Tale Of Two States:

New York Politics Edward V. Schneier, Brian Murtaugh, 2015-01-28 Most New Yorkers have very little knowledge of how influence is wielded in Albany. This acclaimed book offers a chance to look behind those closed doors. The authors, an Albany-based political scientist and a former State Assembly member, now joined by an expert on political blogging and networking, infuse their discussion of institutions and processes with the drama and significance of real power politics. Completely revised and updated with extensive new material, the book covers recent political developments and electoral contests as well as all the basics: constitutional issues, historical economic, social, and demographic factors, the functioning of executive, legislative, and judicial institutions, urban, local, and special district governments, parties, interest groups, and bureaucracies, and finance, budgets, health, education, and welfare programs. Throughout, the authors are attentive to the many paradoxes and dualities that distinguish political, social, and economic life in the Empire State. [New York Politics](#) Edward V. Schneier, Brian

Murtaugh, 2020-08-26 This book discusses the patterns of cleavage and division in New York regional, partisan, economic, and political. It facilitates the New York citizens' understanding of their government: what's right about it, what's wrong, and what the individual citizen can do. **New York Politics** Edward V. Schneier, John Brian Murtaugh, Antoinette Pole, 2009-09-17

Most New Yorkers have very little knowledge of how influence is wielded in Albany. This acclaimed book offers a chance to look behind those closed doors. The authors, an Albany-based political scientist and a former State Assembly member, now joined by an expert on both state politics and political blogging and networking, infuse their discussion of institutions and processes with the drama and significance of real power politics. Completely revised and updated with extensive new material, the book covers recent political developments and electoral contests as well as all the basics: constitutional issues, historical economic, social, and demographic factors, the functioning of executive, legislative, and judicial institutions, urban, local, and special district governments, parties, interest groups, and bureaucracies, finance, budgets, and health, education, and welfare programs. Throughout, the authors are attentive to the many paradoxes and dualities that distinguish political, social, and economic life in the Empire State. To keep coverage current, updates, links, and related readings will be provided via the authors' website. **The Oxford Handbook of New York State Government and Politics** Gerald Benjamin, 2012-09-20

The Oxford Handbook of New York State Government and Politics brings together top scholars and former and current state officials to explain how and why the state is governed the way that it is. The book's thirty-one chapters assemble new scholarship in key areas of governance in New York, document the state's record in comparison to other U.S. states, and identify directions for future research. *New York Politics* Edward V. Schneier, Brian Murtaugh, Antoinette Pole, 2015 Most New Yorkers have very little knowledge of how influence is wielded in Albany. This acclaimed book offers a chance to look behind those closed doors. The authors, an Albany-based political scientist and a former State Assembly member, now joined by an expert on political blogging and networking, infuse their discussion of institutions and processes with the drama and

significance of real power politics Completely revised and updated with extensive new material the book covers recent political developments and electoral contests as well as all the basics constitutional issues historic *Governing New York State* Robert F. Pecorella, Jeffrey M. Stonecash, 2006-02-16 Essays on New York State government and politics **The Government and Politics of New York State** Joseph F. Zimmerman, 2008-03-27 Comprehensive overview of New York State government and politics **New York State: Peoples, Places, and Priorities** Joanne Reitano, 2015-08-11 The state of New York is virtually a nation unto itself Long one of the most populous states and home of the country's most dynamic city New York is geographically strategic economically prominent socially diverse culturally innovative and politically influential These characteristics have made New York distinctive in our nation's history In *New York State Peoples Places and Priorities* Joanne Reitano brings the history of this great state alive for readers Clear and accessible the book features Primary documents and illustrations in each chapter encouraging engagement with historical sources and issues Timelines for every chapter along with lists of recommended reading and websites Themes of labor liberty lifestyles land and leadership running throughout the text Coverage from the colonial period up through the present day including the Great Recession and Andrew Cuomo's governorship Highly readable and up to date *New York State Peoples Places and Priorities* is a vital resource for anyone studying teaching or just interested in the history of the Empire State *Putting People Back in Politics* Edward Schneier, 2019-12-26 Since 2016 millions of Americans have demonstrated organized and contributed in the cause of political change Some have been effective most are wasting their time While there are few clear rules of political efficacy there are techniques of campaigning agitating and lobbying that manifestly work better than others Making the works of scholars and practitioners accessible to activists what I have tried to show is how real reform is possible when we put ordinary people back into politics More than a book of how to do it it shows why a new politics of interpersonal engagement can help renew our democratic system Schneier's books are always sophisticated and readable appealing not only to undergraduate students but also to activists and people with a general interest in politics Here he smoothly blends the insights of academics with those of campaign professionals and politicians *Putting People Back in Politics* is must reading for people concerned that the long term future of American democracy may be determined by the 2020 election and who want to do something about it Ken Sherrill Professor Emeritus of Political Science Hunter College How can we put everyday people at the center of our politics Ned Schneier not only tells us how but why it is crucial to counter big money to reform an increasingly dysfunctional political system From simple but meaningful conversations with neighbors to effective get out the vote efforts to mass mobilizations Schneier packs a remarkable amount of experience research and wisdom into a slim and highly readable book Want to help create the world we want Read this book now It will help us forge viable pathways towards a desirable 21st century A must read for anyone seeking to make a difference in 2020 and beyond Ron Hayduk Professor of Political Science San Francisco State University **A ^AFeminist in the White House** Doreen J.

Mattingly,2016-04-29 Midge Costanza was one of the unlikeliest of White House insiders But for a time during the seventies this loud mouthed pushy little broad with no college education was a prominent focal point of the American culture wars In this book Doreen J Mattingly draws on Costanza s life to tell a wider but heretofore neglected story of the hopeful yet fraught era of gender politics in late 70s Washington a history that is not just important to US women s and presidential history but which continues to resonate in politics today Reproductive Rights in New York and New Jersey Jonathan F.

Parent,2018-04-17 New York and New Jersey maintain almost identical laws dealing with abortion but the process for developing those laws differed in each state Courts were heavily involved in New Jersey whereas most policy decisions came from elected officials in New York In this book Parent argues that these differences in the location of policy development in the two states are attributable to early changes that took place either in the courts or the state houses These early changes set the narrative frame for how abortion was conceptualized in New York and New Jersey respectively helping to lock in a legal or political outlook that kept development of abortion law and policy within its originating institution Using the words of judges and justices from state and federal courts as well as lawmakers in the two states over a forty year period Parent demonstrates that how policy makers thought and wrote about abortion had a critically important impact on the extent to which courts or elected officials would ultimately create the laws that limited or expanded access to reproductive rights

The Politics of Imprisonment Vanessa Barker,2009-08-26 The attention devoted to the unprecedented levels of imprisonment in the United States obscure an obvious but understudied aspect of criminal justice there is no consistent punishment policy across the U S It is up to individual states to administer their criminal justice systems and the differences among them are vast For example while some states enforce mandatory minimum sentencing some even implementing harsh and degrading practices others rely on community sanctions What accounts for these differences The Politics of Imprisonment seeks to document and explain variation in American penal sanctioning drawing out the larger lessons for America s overreliance on imprisonment Grounding her study in a comparison of how California Washington and New York each developed distinctive penal regimes in the late 1960s and early 1970s a critical period in the history of crime control policy and a time of unsettling social change Vanessa Barker concretely demonstrates that subtle but crucial differences in political institutions democratic traditions and social trust shape the way American states punish offenders Barker argues that the apparent link between public participation punitiveness and harsh justice is not universal but dependent upon the varying institutional contexts and patterns of civic engagement within the U S and across liberal democracies A bracing examination of the relationship between punishment and democracy The Politics of Imprisonment not only suggests that increased public participation in the political process can support and sustain less coercive penal regimes but also warns that it is precisely a lack of civic engagement that may underpin mass incarceration in the United States *Encyclopedia of U.S. Campaigns, Elections, and Electoral Behavior* Kenneth F. Warren,2008-04-04 Overall a first rate resource and yes pleasantly

readable School Library Journal The Encyclopedia of U S Campaigns Elections and Electoral Behavior covers virtually everything one would want to know about American political campaigns With more than 450 entries these two comprehensive volumes present a significant array topics of campaigns elections and electoral behavior The encyclopedia s diverse content shows that although the subject matter of campaigns elections and electoral behavior is inherently related each topic has a distinct focus Key Features Presents topics in a straightforward easy to understand manner intentionally avoiding unnecessary technical language Includes entries written by electoral behavior scholars from around the country Focuses on American campaigns elections and electoral behavior but also provides a culturally and politically diverse perspective of American democratic practices and institutions Offers a rich campaign history by looking at many colorful candidates corrupt yet intriguing political machines rapidly changing technologies campaign organizations and strategies Provides a description and scholarly analysis for all presidential elections including state and general elections Presents and simplifies complicated election laws that govern federal state and local elections Examines various efforts throughout the decades to reform elections especially from social upheaval and the resulting political realignments Includes extensive electoral research into the development of political opinions attitudes and ideologies in American voters Key Themes Ballot Issue Campaigns Campaigns Elections and the Law Corruption in American Campaigns and Elections Electoral Behavior of Various Groups Local Campaigns and Elections Media s Role in American Campaigns and Elections People Political Parties Interest Groups and American Campaigns and Elections Political Theory and Democratic Elections in America Polls Public Opinion and Campaigns and Elections Presidential Campaigns and Elections Reforming American Campaigns and Elections Running Political Campaigns Management Organization and Strategies Social and Psychological Dynamics of Electoral Behavior State and Congressional Campaigns and Elections History and State Profiles The Encyclopedia of U S Campaigns Elections and Electoral Behavior is an especially useful reference published to coincide with the 2008 presidential election This informative yet intriguing resource is a welcome addition to any academic or public library New York State and the Rise of Modern Conservatism Timothy J. Sullivan, 2008-12-01 From the early 1960s until 1980 New York s Conservative and Republican Parties battled on the editorial page at the ballot box and in the courts over the ideology of the GOP New York State and the Rise of Modern Conservatism recounts the story of how New York reputedly the most liberal of all states played a critical role in conservatism s political ascendancy and in the redrawing according to ideology of the country s party lines Examining the colorful personalities central to the transformation including Governor Nelson Rockefeller William F Buckley Jr John Lindsay Roy Cohn Jackie Robinson Clare Booth Luce G Gordon Liddy and William Casey author Timothy J Sullivan recounts the details of the party s battle a battle that ultimately forced the state s liberal Republicans to choose between their party and their ideology resulting in a reliably conservative national GOP prepared to nominate Ronald Reagan

Political Encyclopedia of U.S. States and Regions Donald P. Haider-Markel, Michael A. Card, 2009 Providing expert

analysis of government and politics in all 50 states and the U S territories this innovative two volume reference fills the critical need for information and analysis of the roles and functions of state government through accessible state by state and regional overviews of government and politics *Robert Wagner and the Rise of New York City's Plebiscitary Mayoralty: The Tamer of the Tammany Tiger* Richard M. Flanagan,2014-12-12 Robert Wagner was New York City's true New Deal mayor killed Tammany Hall The world Wagner shaped delivers municipal services efficiently at the cost of local democracy The story of Wagner's mayoralty will be of interest to anyone who cares about New York City local democracy and the debate about the legacy of the City's important leaders **The Legislative Branch of State Government** Thomas H. Little,David B. Ogle,2006-04-21 This comprehensive volume examines the historic and contemporary role of the state legislatures and assemblies of all 50 states offering insight into important details of how each of these legislative bodies functions The Legislative Branch of State Government People Process and Politics is one of three titles in ABC CLIO's About State Government set offering comprehensive coverage of contemporary American politics at the state level Each of the three volumes focuses on a specific governmental branch providing both general information and comparative details on how that branch operates in each state Ranging from colonial times to the present this volume takes a broad look at how the nation's state legislative institutions have evolved and operate Combined with the other two volumes in the set a clear overview of state government emerges The Legislative Branch of State Government covers the historical constitutional and political environment in which state legislatures exist then focuses on their functions and processes the people who serve in them and their interaction with other key political institutions A concluding chapter looks at characteristics that make each of the 50 state legislative bodies fascinating and unique *For the Culture* Lakeyta Bonnette-Bailey,Adolphus Belk,2022-03-23 Examines the relationship between social justice Hip Hop culture and resistance *City Son* Wayne Dawkins,2012 The story of an unforgettable African American journalist and his impact on New York City and America **Crafting Constitutional Democracies** Edward Schneier,2006-05-12 By examining the institutions of government through the lens of constitution making Crafting Constitutional Democracies provides a broad and insightful introduction to comparative politics Drawn from a series of lectures given in Jakarta Indonesia on the drafting of the U S constitution the book illustrates the problems faced by generations of founders through numerous historic and contemporary examples Both Indonesia in 1999 and the United States in 1789 faced the same basic issue how to construct a central government for a large and diverse nation that allowed the majority of the people to govern themselves without intruding on the rights of minorities What kinds of institutions make for good government What factors need to be considered in designing a government Author Edward Schneier explores these questions through a rich variety of examples from both recent and historic transitions to democracy Drawing frequently upon the arguments of the American Federalist Papers and more contemporary theories of democratization Crafting Constitutional Democracies lucidly explores the key questions of how and why democracies succeed and fail A concluding chapter on

constitutional change and decline raises provocative and important questions about the lessons that citizens of the world's older democracies might take from the struggles of the new
