## **Newman And His Contemporaries:**

**Newman and His Contemporaries** Edward Short, 2011-04-21      **Newman and His Contemporaries** Edward Short, 2011-04-21 This is a book on John Henry Newman's influence on some of the most fascinating characters of the 19th century and their influence on him. No one in nineteenth century England had a more varied circle of friends and contacts than John Henry Newman. 1801-1890 the priest, theologian, educator, philosopher, poet, and writer who began his career as an Anglican, converted to Catholicism and ended his days a Cardinal. That he was also a leading member of the Oxford Movement, brought the Oratory to England, founded the Catholic University in Dublin, and corresponded with men and women from all backgrounds from around the world made him a figure of enormous interest to his contemporaries. In this study of Newman's personal influence, Edward Short looks closely at some of Newman's relations with his contemporaries to show how this prophetic thinker drew on his personal relationships to develop his many insights into faith and life. Some of the contemporaries covered include Keble, Pusey, Gladstone, Matthew Arnold, Richard Holt Hutton, Lady Georgiana Fullerton, and Thackeray. Based on a careful reading of Newman's correspondence, the book offers a fresh look at an extraordinary figure whose work continues to influence our own contemporaries.

**CARDINAL NEWMAN & HIS CONTEMPORARIES** Wilfrid Meynell, 1952-1948      **Newman and His Critics** Edward Short, 2024-09-08 In **Newman and his Critics**, the third volume of his trilogy, Edward Short provides ten fascinating portraits of Newman's most consequential critics.

**Cardinal Newman and His Contemporaries...** Wilfrid Meynell, 2013-12 Unlike some other reproductions of classic texts: 1 We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos. 2 In books where there are images such as portraits, maps, sketches, etc. We have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

**Newman and His Critics** Short, 2024-09-08 Criticism is often received as a sharp sword, enraging and embittering the recipient. Yet it may also prompt an honest re-examination and a humble defense of one's writings. Newman and his Critics, Edward Short's masterful account of John Henry Newman's dealings with his critics, demonstrates that Newman's charity and love of the truth brought forth magnificent writings that are instructive and convincing, free of acrimony and acerbity. We have much to learn from Newman's truly Christian way of engaging with those who disagreed with him.

**THE REV GERALD E MURRAY** Author of *Calming the Storm: Navigating the Crises Facing the Catholic Church and Society*. Edward Short is the author of *Newman and his Contemporaries* and *Newman and his Family*, both now reissued by Gracewing in uniform editions to the present volume as well as *Newman and History*. The first volume of his collected essays and reviews, *Adventures in the Book Pages*, was acclaimed by the *Catholic Herald* as wise, witty, and entertaining. His critical edition of the first volume of Newman's *Difficulties of Anglicans* introduces and annotates the lectures that Newman delivered in London in 1850, which taken together constitute a dress rehearsal for his

Apologia Pro Vita Sua Edward Short Short also edited the Saint Mary's Book of Christian Verse 2022 which Prof Emma Mason of Warwick University called a mesmerizingly beautiful anthology His latest collection What the Bells Sang Essays and Reviews 2023 includes far ranging pieces on poets novelists moralists and historians Lord Andrew Roberts Churchill's biographer called the book beautifully written brave and wise *Newman and His Family* Edward Short,2013-10-24 Newman and his Family looks at how John Henry Newman 1801-90 the priest educator theologian philosopher novelist poet and satirist both learned from and was transformed by his parents and his brothers and sisters Publisher description

**Cardinal Newman and His Contemporaries** Wilfrid Meynell,1890 *Gerard Manley Hopkins and His Contemporaries, Liddon, Newman, Darwin, and Pater* Jude V. Nixon,1994 **John Henry Newman and His Age** Owen F. Cummings,2019-02-01 Many books exist devoted to the life thought and writings of Blessed John Henry Newman the premier Catholic theologian in nineteenth century England His influence has been enormous perhaps especially on Vatican II 1962-65 This book is a Newman primer and not only a primer about Newman himself but also about his time and place in church history It attends to the papacy during his lifetime his companions and friends some of his peers at Oxford University the First Vatican Council 1869-70 as well as some of his writing and theology It should be especially helpful to an interested reader who has no particular background in nineteenth century church history or in Newman himself *The Philosophy of John Henry Newman and Pragmatism* Marial Corona,2023-07-07 In recent years interest in John Henry Newman as a philosopher has gained momentum This work places his philosophical insights in conversation with philosophers from the pragmatic tradition particularly with C S Peirce the classical pragmatists and those who have followed their line and shows several lines of concurrence It argues that Newman overcame the modern philosophy of his time by reconnecting to the Aristotelian tradition in a very similar way to how Peirce did it fifty years later and the new pragmatists a century after Without claiming that Newman is a pragmatist philosopher pragmatism is used as a foil or point of access to delve into Newman's philosophy and bring forth the richness of his thought while placing him in the canon of philosophy This approach deepens the understanding of his philosophical contributions and widens their reach to circles that have previously not engaged with him Further this study provides a means to understand pragmatism's resources from a seldom used vantage point and perhaps appreciate its fruitfulness in a new way Much emphasis is placed in Newman's texts that refer to his search for and commitment to the truth The particular nuances of his thought that are brought to light showcase the effective intellectual resources that his writings contain Newman does not provide ready made answers to today's questions but the way he analyzes and engages with the quandaries of his time can point us to creative and fruitful ways of engaging with those of our times Cardinal Newman in His Age Harold L. Weatherby,2008-04-22 An examination of Cardinal Newman Cardinal Newman Henry James Jennings,1882 **Cardinal Newman and His Contemporaries** Wilfrid Meynell,2013-12-07 This is a reproduction of a book published before 1923 This book may have occasional imperfections

such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

**John Henry Newman and the English Sensibility** Jacob Phillips,2023-04-06 Asides about John Henry Newman being either particularly English or particularly un English are common John Henry Newman and the English Sensibility scrutinises Newman s theological writings to establish how his theology can be considered distinctively English or un English at the different stages of its development In his Tractarian period Newman s theology is shown to be profoundly characterised by common 19th century tropes of a perceived English sensibility namely an instinct for compromise an affection for reserve and a markedly empirical orientation to life In the period following Newman s conversion to Catholicism in 1845 however his theology turns against the Englishness of his earlier years as he critiques of the many theological dangers of a self confident cultural sensibility In his mature writings nonetheless Newman re incorporates certain elements of his earlier Englishness with a Catholic grounding yet also maintains an antipathy to certain targets of his post conversion polemics Phillips finds that the English instinct for compromise is not incorporated into Newman s mature theology which remains unabashedly one sided in its understanding of God and the Catholic Church taking precedence over elements of a cultural sensibility pertaining ultimately to the sphere of the natural The affection for reserve however is shown to be capable of gracious elevation when reconfigured on a Catholic grounding Most importantly the profoundly empirical orientation to life which was considered typical of Englishness in Newman s day emerges as something exhibiting what Newman might consider a antecedent affinity to Catholic theology This book thus concludes by offering a view of the English Catholic sensibility as characterised by a mindset of careful reserve toward knowledge and words about God arising from a marked concern for the living embodied present as the site of God s transformative action in the twists and turns of human life **Newman and History** Edward Short,2017-11-09 In Newman and History Edward Short shows how important history was to all aspects of the life and work of Blessed John Henry Cardinal Newman There are essays here on Newman and Edward Gibbon Newman and the Whig historians and Newman and the law especially the infamous Achilli trial of 1851 which pitted him against a Protestant Establishment still smarting from the restoration of the Catholic hierarchy disparagingly referred to by many Victorians as papal aggression Readers interested in Newman s history laden conversion will enjoy Newman C S Lewis and the Reality of Conversion those interested in Tractarianism will find a piece that looks at what became of the Oxford Movement after Newman abandoned the via media and seceded to Rome The chapter entitled Newman and the Liberals charts his life long critique of liberalism Edward Short also examines Newman s letters and his writings as a unified whole concludes with a far ranging essay Newman History and Hagiography which shows how Newman was attuned to and

appreciative of the faith of ordinary Catholics      **A Guide to John Henry Newman** Juan R. Velez, 2022-09-10 Provides a wide range of subjects on the life and thought of John Henry Newman 1801 1890 an Anglican clergyman author and poet who became a Roman Catholic priest cardinal and saint The contributors come from disciplines such as theology education literature history and philosophy highlighting the wide range of Newman's work      Spanish Studies in Shakespeare and His Contemporaries José Manuel González Fernández de Sevilla, 2006 Spanish Studies in Shakespeare and His Contemporaries offers a selection of the most significant studies on Shakespeare and his contemporaries from a variety of perspectives in order to present a fresh and inclusive vision of Shakespearean criticism in Spain to reach a worldwide readership Plurality maturity and diversity are its outstanding characteristics as the transition has given shape to new critical attitudes readings and approaches in the analysis and study of Shakespeare in the new Spain      **Newman and his Theological Method** Thomas J. Norris, 2023-11-27      **ENGLISH SOCIAL AND CULTURAL HISTORY** CHOUDHURY, BIBHASH, 2019-05-01 The second edition of the book with its emending and updated text provides a glimpse into the English life and culture starting from the middle ages to the twenty first century As the English life and culture are inextricably interwoven with the literary traditions of England and its myriad aspects this study provides significant insights into the field of English literature and the contexts it emerges from The text begins with a description of English life and culture from the Medieval period to the Renaissance The author gives a masterly analysis of such subjects as Feudalism Medieval Drama and literature the Renaissance the Reformation and most significantly the Elizabethan Theatre A new sub section on Women Writers of the Renaissance has been added to this chapter Then the text goes on to describe in detail about the Restoration Period and the Age of Reason Besides the book gives a wealth of information on important topics like Romanticism the Industrial Revolution Victorianism and Victorian literature The text concludes with a chapter that deals on Modernism Literature and Culture in the Postmodern World and Aspects of Contemporary Culture and Society In the last chapter two sub sections have been introduced on British Fiction in the Twenty First Century and Brexit What distinguishes the text is the provision of a Glossary at the end of each chapter which gives not only the meaning and definition of the terms but also provides the entire cultural background and the history that these terms are associated with Students of English literature both undergraduate honours and postgraduate students will find this book highly informative enlightening and refreshing in its style In addition all those who have an abiding interest in English life and culture will find reading this text a stimulating and rewarding experience
