**Looking After Your Pet Hamster** Helen Piers, 2002-01. Provides answers to questions such as: how do I choose my hamster? What food will it like and how much? How do I train it and keep it happy?

*Caring for My New Hamster* John Bankston, 2019-07-04. What age is the right age to have your first pet? Everything a youngster needs to know about owning and caring for a new hamster is explained in this book, including easy-to-understand instructions about daily care, cleaning, feeding, and maintaining for one of the most popular pets in North America.

**The Hamster Care Guide** Henry J. Ross, 2022-09-06. Do you currently own a pet hamster, or are you considering obtaining one? Do you want to provide your new pet the best care available? If so, you have come to the right place. Hamsters are a great choice for new pet owners because they are relatively simple to care for. Observing these animals go about their daily chores, storing their food in charming ways, or exercising on their wheels is entertaining. They are often docile and pleasant by nature with reasonably clean practices. The best part about hamsters is that they can be trained like dogs or cats since they will notice their owners' presence in exchange for treats. However, if they are not handled appropriately, they may become hostile when held and may even bite. You need to have a few tricks in your sleeve if you want to avoid it, and this book will show you just how to do that. You can learn everything you need to know about caring for a pet hamster from this book, from teaching it appropriate behavior and eating to maintaining optimum health. This hamster care guide includes the following information: Advice that every hamster keeper should read; How to take care of your hamster properly and deal with frequent issues and illnesses; An instruction manual for training your hamster; How to set up a cage so that a hamster is as content as possible; Tips and strategies for cleaning and maintaining the ideal diet for your hamster, plus a lot more. Everything you need to know to give your pet hamster the greatest care is available online.

[Hamster Care : a Comprehensive Hamster Care Guide on Habitat, Training and How to Care for Your Pet](#) Connor Murphy, 2012-06-01. Hamsters make absolutely wonderful pets, both for children and for adults. They are easy to take care of and very active little creatures that will give their owners joy in taking care of them. However, when you do decide to take on

a hamster as a pet you will need to be ready to take on the responsibility of cleaning their cages at least once a week and expending both the resources and the time in getting the right cage and the appropriate toys and accessories in order to keep them healthy and happy at all times Having a wheel inside a hamster s cage is almost as important to the hamster s wellbeing as the cage itself is This is so due to the fact that hamsters love to run and the wheel gives them the opportunity to do so since you in essence do have them in captivity In addition to a hamster s wheel you can also include other toys in their cage to keep them active and happy By nature rodents love to chew and as such a chew toy should definitely be included in the number of toys you decide to play in your hamster s cage It is also the responsibility of the hamster owner to carry out daily checks in their hamsters to ensure that they are maintaining good health and if not to take them to the vet so that they can get the care they need Hamster owners should equip themselves with all the information they possibly can before actually acquiring one so that when they do they will be able to properly take care of them
