

A photograph of a narrow street in Damascus, Syria. The scene is captured in a cinematic style with strong shadows. In the foreground, two men are walking away from the camera; one is pushing a bicycle. To their right, two women wearing black hijabs and light-colored clothing are walking towards the camera. The background features a weathered wall and trees with sparse foliage. The overall mood is somber and reflective.

Muhammad Y. Muslih

Nice Book Damascus Diaries Life Under Assads:

Rida Said Sabah Kabbani, 2021-06-05 Like many founding fathers Rida Sa d 1876 1946 lived a cosmopolitan life before taking on his monumental contribution to building the modern nation of Syria Born in Damascus in 1876 Said trained as a medical doctor in Istanbul and Paris As a young man he served as a field doctor with the Ottoman Empire s army in the Balkan Wars but he soon became disillusioned about his homeland s foreign rulers Like other Syrians he was opposed to the aggressive Turkish nationalism that alienated Arabs and dreamed of a more inclusive system for his people After his medical work in Damascus during World War I and following the collapse of the Ottoman Empire Said took on a critical role in establishing an independent Syria he became a pioneering educator advocating for the importance of providing institutions to educate the Arab people He went on to become the first head of Damascus University and then Minister of Education He died in 1945 a few months before Syria finally achieved independence in 1946 Now available for the first time in English Rida Sa d A Man for All Seasons tells the story of this remarkable life at the heart of a nation in deep conflict Indeed Sa d s story resonates profoundly today as the Syrian people struggle for a future of opportunity and respect [An Inside Story of](#)

[Modern Syria](#) Omar Imady, 2023-02-22 The Syrian Arab Republic has rarely been out of the headlines following the rise to power of Hafiz al Asad in 1970 and Bashar al Asad in 2000 and has been at the heart of the popular protests which have come to be known as the Arab Spring This is a political biography of the author s father Dr Muhammad Imady the longest serving minister of economy in modern Syria and holder of several senior government posts Dr Imady served at the center of government personally and professionally during Hafiz al Asad s presidency and was an intimate and objective observer of all aspects of Syria s turbulent history Omar Imady follows his father s story from his beginnings to the present day charting out the seemingly never ending civil conflict human suffering and international interventions that plague the country s past and present This is an inside story based on rare sources and experiences from both father and son It illustrates the original and unique contribution of Muhammad Imady as a Damascene Reformer a rare individual who pursued the seemingly impossible task of implementing positive change while serving a regime that demanded obedience and loyalty in response to actions often at odds with Muhammad Imady s own liberal democratic political ideas At its heart this book examines the timeless challenge of maintaining one s own integrity and principles in the face of a power system which seems bent on promoting the opposite **The Iron Wall** Avi Shlaim, 2015-07-30 Avi Shlaim s The Iron Wall Israel and the Arab World is the outstanding

book on Israeli foreign policy now thoroughly updated with a new preface and chapters on Israel s most recent leaders In the 1920s hard line Zionists developed the doctrine of the Iron Wall negotiations with the Arabs must always be from a position of military strength and only when sufficiently strong Israel would be able to make peace with her Arab neighbours This doctrine argues Avi Shlaim became central to Israeli policy dissenters were marginalized and many opportunities to reconcile with Palestinian Arabs were lost Drawing on a great deal of new material and interviews with many key participants Shlaim

places Israel's political and military actions under an uncompromising lens. His analysis will bring scant comfort to partisans on both sides but it will be required reading for anyone interested in this fascinating and troubled region of the world. The Iron Wall is strikingly fair-minded, scholarly, cogently reasoned and makes enthralling reading. Philip Ziegler, Daily Telegraph.

Anyone wanting to understand the modern Middle East should start by reading this elegantly written and scrupulously researched book. Trevor Royle, Sunday Herald.

A milestone in modern scholarship of the Middle East. Edward Said, Fascinating Shlaim presents compelling evidence for a revaluation of traditional Israeli history. Ethan Bronner, The New York Times Book Review.

Avi Shlaim is Professor of International Relations at St Antony's College, Oxford. His previous books include *Collusion Across the Jordan* (1988) and *War and Peace in the Middle East* (1995). [Damascus Diaries](#) Peter Clark, 2015. Highly entertaining first-hand account of life in Damascus in the 1990s.

The World of Protracted Conflicts Michael Brecher, 2016-05-26. The World of Protracted Conflicts seeks to frame the models to answer three crucial questions about interstate protracted conflict: what are the most likely conditions for the onset of a protracted conflict, its escalation, persistence and its termination. It presents the findings on protracted conflict occurrence, continuation and resolution through testing these models and their derived hypotheses against the evidence from 33 interstate protracted conflicts in the last century. These findings will in turn shed further light on the conflict-crisis-war linkage. This book examines and explains patterns that exist in the eruption, evolution and winding down of these conflicts through a systematic comparison of recent and contemporary PCs.

Syria Speaks Nawara Mahfoud, Malu Halasa, Zaher Omareen, 2014-06-16. In Syria, culture has become the critical line of defence against tyranny. Villagers have joined the cultural frontline alongside urban intellectuals, artists, writers and filmmakers and to create art and literature that challenge official narratives. With contributions by over fifty artists and writers, both established and emerging, *Syria Speaks* explores the explosion of creativity and free expression by the Syrian people. They have become their own publishers on the Internet and formed anonymous artists' collectives which are actively working in their country's war zones. The art and writing featured in this book, including literature, poems and songs, as well as cartoons, political posters and photographs, document and interpret the momentous changes that have shifted the frame of reality so drastically in Syria.

[Think in Public](#) Sharon Marcus, Caitlin Zaloom, 2019-06-25. Since 2012, Public Books has championed a new kind of community for intellectual engagement, discussion and action. An online magazine that unites the best of the university with the openness of the Internet, Public Books is where new ideas are debuted, old facts revived and dangerous illusions dismantled. Here, young scholars present fresh thinking to audiences outside the academy; accomplished authors weigh in on timely issues; and a wide range of readers encounter the most vital academic insights and explore what they mean for the world at large. *Think in Public*: A Public Books Reader presents a selection of inspiring essays that exemplify the magazine's distinctive approach to public scholarship. Gathered here are Public Books contributions from today's leading thinkers, including Jill Lepore, Imani Perry, Kim Phillips-Fein, Salamishah Tillet, Jeremy Adelman, N. D. B. Connolly.

Namwali Serpell and Ursula K Le Guin The result is a guide to the most exciting contemporary ideas about literature politics economics history race capitalism gender technology and climate change by writers and researchers pushing public debate about these topics in new directions Think in Public is a lodestone for a rising generation of public scholars and a testament to the power of knowledge Country Life Illustrated ,1945-07 International Book of Honor American Biographical Institute,1987 **The Athenaeum** ,1847 **The New Yorker** ,1991 *A noite do poder* Robert Fisk,2025-09-30 Nesta obra final do renomado jornalista Robert Fisk ele retoma a cobertura do Oriente Médio de onde parou em seu best seller internacional A grande guerra pela civilização Das revoltas rabes guerra civil séria aos conflitos de Israel com a Palestina e o Líbano Fisk denuncia a contumaz hipocrisia e interferência do Ocidente ao mesmo tempo em que revela a terrível realidade da vida no campo de batalha Sem medo de criticar autoridades e de desvendar verdades complexas ele constrói uma narrativa envolvente que mistura jornalismo apaixonado análise histórica e relatos em primeira mão Com posfácio de Nelefer Pazira Fisk e prefácio de Patrick Cockburn A Noite do Poder oferece um relato essencial e profético dos últimos vinte anos expondo as consequências inevitáveis da opressão colonial e da violência no Oriente Médio Jerusalem Quarterly ,2005 The Golan Muhammad Y. Muslih,1999 Beyond the Lines Sarah E. Parkinson,2023-01-15 Beyond the Lines explores the social underpinnings of rebel adaptation and resilience How do rebel groups cope with crises such as repression displacement and fragmentation What explains changes in militant organizations structures and behaviors over time Drawing on nearly two years of ethnographic research Sarah E Parkinson traces shifts in Palestinian militant groups internal structures and practices during the civil war of 1975 to 1990 and foreign occupations of Lebanon She shows that most militants approach asymmetrical warfare as a series of challenges centered around information and logistics characterized by problems such as supplying constantly mobile forces identifying collaborators disrupting rival belligerents operations and providing essential services like healthcare Effective negotiation of these challenges contributes to militant organizations resilience and survival In this context the foundation of rebel resilience lies with militants ability to repurpose their everyday social networks to organizational ends In the Lebanese setting Beyond the Lines demonstrates how regionalized differences in Israeli Syrian and Lebanese deployment of violence triggered distinct social network responses that led to divergent organizational outcomes for Palestinian militants The New Encyclopaedia Britannica: Macropaedia : Knowledge in depth ,2005 **The New Encyclopaedia Britannica: Macropaedia** ,1995 **A Noite do Poder - A Traição ao Médio Oriente** Robert Fisk,2025-06-01 A obra derradeira do correspondente estrangeiro Robert Fisk a continuação do aclamado A Grande Guerra pela Civilização começa com o rescaldo da invasão do Iraque em 2005 Das revoltas rabes e a guerra civil séria até aos conflitos de Israel com a Palestina e o Líbano Fisk condena a hipocrisia e a interferência do Ocidente ao mesmo tempo que revela a terrível verdade sobre a vida no terreno Sem receio de criticar a autoridade e de desvendar verdades complexas cria uma narrativa convincente que conjuga jornalismo apaixonado e cativante com análise histórica e relatos de testemunhas
