Christ the King Shirley Lucass, 2019-03-12 How foolish you are and how slow to believe all that the prophets have spoken Did not the Messiah have to suffer these things and then enter his glory And beginning with Moses and all the Prophets he explained to them what was said in all the Scriptures concerning himself Luke 24:25-27 There's a selfish part of me that wanted to write everything that I know at this point and the amateur in me wanted to write it all in one book on the definitive way of understanding Jesus through the Jewish Festivals and through the themes that emerge but I felt the Lord had commissioned me to sing a new song not a whole opera just one song that told the story a royal ballad If we understand kingship as the background and framework into which all the other stories fit then we will be a good way along the path of understanding what it was that Jesus was trying to explain to the disciples This road to Emmaus won't tell us everything but it will have started us off on a journey with signposts we can continue to follow all our lives

Jesus, the Gospels, and the Galilean Crisis Tucker S. Ferda, 2018-12-27 Tucker S. Ferda examines the theory of the Galilean crisis the notion that the historical Jesus himself had grappled with the failure of his mission to Israel While this theory has been neglected since the 19th century due to research moving to consider the response of the early church to the rejection of the gospel Ferda now provides fresh insight on Jesus' own potential crisis of faith Ferda begins by reconstructing the origin of the crisis theory expanding upon histories of New Testament research and considering the contributions made before Hermann Samuel Reimarus He shows how the crisis theory was shaped by earlier and so-called pre-critical gospel interpretation and examines how despite the claims of modern scholarship the logic of the crisis theory is still a part of current debate Finally Ferda argues that while the crisis theory is a failed hypothesis its suggestions on early success and growing opposition in the ministry as well as its claim that Jesus met and responded to disappointing cases of rejection should be revisited This book resurrects key historical aspects of the crisis theory for contemporary scholarship

Being There Marie Louise Guste Nix, 2014-03-26 Historical documents confirm that Jesus Christ toured Israel during the first century healing expelling demons and raising the dead to life His powerful teaching His love and His rising from the tomb helped identify Him as the Messiah sent to save mankind from sin and death In *Being There* we hear from special individuals chosen to be present when Jesus changed history forever We hear powerful stories from the voices of the prophet Simeon John the Baptist the apostles Peter and James his mother Mary and His father Joseph and many others These sensitive accounts given by eyewitnesses will awaken your imagination bring history to life and perhaps deepen your love for the Lord of life *The Incarnate Christ and His Critics* Robert M. Bowman Jr., J. Ed Komoszewski, 2024-11-12 A current

comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ **Received by Christ** Celine S. Yeung,2023-07-21 Huldrych Zwingli had an idea To the shock of both Rome and fellow Protestant Martin Luther he argued that Christ is not physically present in the Lord s Supper Rather the Eucharistic elements only represent Christ s body and blood However the unique basis undergirding his theory is often overlooked both by his contemporaries and later commentators He specifically understood the Lord s Supper to be patterned after the Passover meal the meal of the Old Testament His memorialist understanding was in fact based on the memorialist nature of the Passover By bringing in Jewish scriptures to bear on our understanding of the Lord s Supper his approach unlocks new questions that do not necessarily presuppose Greek metaphysics or a break from traditions This work seeks to continue to develop the method Zwingli left behind delineating a Eucharistic theology for the church today one that gives careful consideration to God s actions in relation to Israel and therefore sees the meal not metaphysically but historically and relationally *From Sinai to Rome* Angela Costley,Gavin D'Costa,2025-08-29 Can you be a Jewish Catholic At first glance the idea could seem scandalous Catholics affirm that Jesus is the Messiah Jews do not Jews hold that the Torah s precepts should be diligently kept Catholic Christians hold that Christ has fulfilled the law Can they really be reconciled Yet Jesus a Jew tells us that salvation comes from the Jews Jn 4 22 Pope Pius XII once remarked Spiritually we Catholics are all Semites In a sense Christians are Jews by adoption as Saint Paul writes to the Romans Since the days of Peter and Paul the Church has struggled to understand her close yet complex relationship with the people from whom she came at times stressing stark differences at times treasuring their close brotherhood This essential collection by Professors Angela Costley and Gavin D Costa examines the question of Jewish Catholic relations from every angle With contributions from some of the Church s greatest theological minds Scott Hahn Brant Pitre Bruce Marshall Roy Schoeman Robert Fastiggi Lawrence Feingold Fr Antoine Levy and Fr David Neuhaus *From Sinai to Rome* probes the possibility of Hebrew Catholicism which nurtures its Old Covenant roots from within the Church This book refuses to shy away from historical knots in Catholic and Jewish relations but seeks to understand them

thoroughly in the context of the sacred Catholic tradition This timely volume gives intellectual grounds for the hope that Jews might find their true homeland in Christ with the holy Church that he himself founded

KEY POINTS A rigorous study of the rich relationship between Judaism and Catholicism An in depth account of the Church s Old Testament roots An honest focused summary of the Church s complex history with Jewish practice A robust exploration Th of a possible Hebrew liturgical rite within the Church

The Gospel and the Gospels Simon J. Gathercole, 2022-08-11 A robust scholarly defense of the distinctiveness of the canonical Gospels Do the four New Testament gospels share some essence that distinguishes them from noncanonical early Gospels The tendency among biblical scholars of late has been to declare the answer to this question no that Matthew Mark Luke and John were grouped together by happenstance and are defended as canonical today despite there being no essential commonalities between them Simon Gathercole challenges this prevailing view and argues that in fact the theological content of the New Testament Gospels distinguishes them substantially from noncanonical Gospels Gathercole shows how the Gospels of Matthew Mark Luke and John each include four key points that also formed the core of early Christian preaching and teaching Jesus s identity as messiah the saving death of Jesus the resurrection of Jesus and Scripture s foretelling of the Christ event In contrast most noncanonical Gospels like the Gospel of Thomas the Gospel of Truth and Marcion s Gospel only selectively appropriated these central concerns of early Christian proclamation

The Consciousness of the Historical Jesus Austin Stevenson, 2024-02-22 In this book Austin Stevenson argues that it is not the divinity of Jesus that causes problems for historians but his humanity To insist that Jesus was fully human as both theologians and historians do still leaves us with the question of what it means to be human It turns out that theologians and historians often have different answers to this question on both a philosophical and a theological register Furthermore historians frequently misunderstand the historiographical implications of classical Christology and thus the compatibility between traditional beliefs about Jesus and critical historical inquiry Through close engagement with the thought of Thomas Aquinas c 1225-74 this book offers a new path toward the reconciliation of these disciplines by focusing on human knowledge and subjectivity which are central issues in both historical method and Christology By interrogating and challenging the normative metaphysical assumptions operative in Jesus scholarship a range of possibility is opened up for approaches to Jesus that are genuinely historical but not naturalistic

The Metaphysics of Historical Jesus Research Jonathan Rowlands, 2015-10-15 In this book Rowlands interrogates the theological and philosophical foundations of the Quest for the historical Jesus from Reimarus to the present day culminating in a call for greater metaphysical transparency and diversity in the discipline This multidisciplinary approach to historical Jesus research drawing on historiography sociology philosophy and theology makes a significant and original contribution to the field Part I outlines the implicit role of metaphysical presuppositions in historical methodology by examining the concept of an historiographical worldview Part II provides an overview of the Quest for the historical Jesus demonstrating that the disparate historiographical worldviews

operative in the Quest evidence a particular shared characteristic in that they might accurately be described as secular Rowlands study concludes with a call for a greater plurality and openness regarding the philosophical and theological presuppositions at work in historical Jesus research The Metaphysics of Historical Jesus Research is of interest to students and scholars working on New Testament studies and historical Jesus research **Hearing and Doing the Word** Daniel J.
