*Resources in Education* ,1998      *CrossRoads* ,1993      **Crossing the Threshold of Mercy** Mark-David Janus,2015 The Church is commissioned to announce the mercy of God the beating heart of the gospel which in its own way must penetrate the heart and mind of every person Pope Francis With these words Pope Francis invites the Church to celebrate an Extraordinary Jubilee Year of Mercy which is a pilgrimage a journey to the mercy of Good In this book readers follow along the events of this important year taking inspiration from prayers words of Sacred Scripture the thoughts of Pope Francis and the words of those that inspire him Beginning December 8th 2015 with the opening of the Holy Doors at St Peter s Basilica Pope Francis encourages us to reflect upon central importance of mercy in the life and meaning of the Church today Crossing the threshold means leaving behind doubt and fear and allowing God s love to embrace us This pilgrimage us spiritual not geographic it represents the journey of our lives a journey through our self understanding a journey that leads us to a complete and final trust in the love God is for us      *Threshold* Marcillinus O,2024-01-27 Beyond the Threshold Crossing into Spiritual Spaces Embark on a mystical journey into the realms of the unknown with Beyond the Threshold Crossing into Spiritual Spaces In this captivating exploration of spirituality and cosmic understanding author Your Name invites readers to transcend the boundaries of the familiar and step into a world where mortal and celestial forces intertwine The story unfolds in a quaint town surrounded by the enigmatic Whispering Woods a place cloaked in mystery and guarded by an ancient Veil of Shadows As Amelia a seeker of cosmic truths delves into the sacred grove she discovers a celestial map on her hand leading her through veiled prophecies ethereal crossroads and cosmic gateways Each chapter unravels the secrets of the Whispering Woods where trees whisper cosmic truths and ancient guardians hold the key to unveiling the Veil of Shadows As Amelia traverses the astral realms guided by the celestial map she encounters celestial echoes cosmic guardians and the nexus of threads that weave through the fabric of existence The journey reaches its climax in the town square where a cosmic convergence takes place a union of mortal and celestial forces The Veil of Shadows is lifted revealing cosmic knowledge that transcends mortal understanding The Whispering Woods becomes a gateway to cosmic understanding and the celestial map and Codex of Celestial Echoes illuminate with the recognition of intertwined destinies In Beyond the Threshold readers are transported into a world where the familiar meets the celestial and where the threads of destiny are recognized in a cosmic tapestry The story is not just a narrative it is an invitation to explore the depths of spiritual spaces to embrace the unknown and to recognize the cosmic currents that bind us to the vast tapestry of creation With vivid descriptions suspenseful twists and profound insights Beyond the Threshold is a tale that transcends genres It is a spiritual journey a cosmic adventure and a revelation that challenges perceptions of reality As readers follow Amelia s quest for cosmic understanding they too are invited to step beyond the threshold and discover the profound mysteries that await in the spaces between the known and the unknown      *Following Christ Across the Threshold* Ron MacFarlane,2019-09-19

THROUGHOUT THE MODERN age there has been a strong commonly held misconception among religious and non religious persons alike that if there truly exists a spiritual world beyond the physical it is impossible to know anything for certain until after death And unfortunately it is believed no one has come back from death to verify spiritual existence or not Surprisingly and happily however this popular belief turns out to be entirely untrue According to esoteric science mankind has always had the capacity to not only contact the spiritual world before death but on certain rare occasions the soul is able to exit the physical body prior to death briefly sojourn in the spiritual world and then safely return to the physical body afterwards Since the historical incarnation of Christ Jesus as World Saviour there have been two paths of initiation that are suitable for the modern age in order to enter the spiritual world during life and not simply waiting until death 1 the path of Mystic Christianity and 2 the path of Rosicrucian Christianity Both initiatory paths were established though St John the evangelist not the apostle What many esotericists are unaware of at the present time is that there exists a third avenue of conscious entry into the spiritual world made available by Christ Jesus specifically offered to non initiates This unique path has been made possible because of two profound superphysical developments 1 since his world altering ascension into the heavenly realm Christ Jesus has become the new lord of karma governing human evolutionary destiny and 2 for the past two thousand years Christ Jesus has been slowly raising the vibratory level within mankind s collective subconsciousness As a result a relatively small number of present day individuals with no current initiatory training have spontaneously experienced brief moments of supersensible perception To some Christ Jesus has fleetingly appeared in his etheric angel like resurrection form while to others he has been perceived as an internal all wise spirit voice And on even rarer occasions Christ Jesus acting as spirit guide or hierophant has consciously escorted non initiates into the spiritual world for a brief sojourn while still alive and then safely returned them to physical life on earth In all these instances of unexpected and unplanned spiritual encounters there is a strong karmic destiny component involved Though the individuals involved may not have knowingly undertaken initiatory training in their present lifetimes in most cases their inner souls were sufficiently prepared in previous lifetimes to enable these extraordinary experiences to occur Moreover Christ Jesus as the new lord of karma has the power and authority to grant special dispensation to non initiates whom he considers worthy of receiving extraordinary spiritual development This publication Following Christ Across the Threshold The Non Initiate s Guide to Entering the Spiritual World is not therefore a manual of initiatory training But rather it is intended as a step by step preparatory guide in the form of a sequential series of lessons for non initiates in order to assist them as to what to expect how to react and what to do if they are ever granted the opportunity while still being physically alive of entering the spiritual world under the inner direction of Christ Jesus Hopefully this intellectual preparation will help alleviate some of the horrific terrifying and soul shattering experiences associated with consciously crossing the threshold into the spiritual world during life and also after death
