Online Fast Into Night Journey Iditarod:

Fast into the Night Debbie Clarke Moderow, 2016-02-02 Moderow's dedication and love for the Huskies that accompany her from Anchorage to Nome is the soul that drives this insightful and touching memoir Cowgirl Magazine At age forty seven a mother of two Debbie Moderow was not your average musher in the Iditarod but that's where she found herself when less than 200 miles from the finish line her dogs decided they didn't want to run anymore After all her preparation after all the careful management of her team and after their running so well for over a week the huskies balked But the sting of not completing the race after coming so far was nothing compared to the disappointment Moderow felt in having lost touch with her dogs Fast into the Night is the gripping story of Moderow's journeys along the Iditarod trail with her team of spunky huskies Taiga and Su Piney and Creek Nacho and Zeppy Juliet and the headstrong leader Kanga The first failed attempt crushed Moderow's confidence but after reconnecting with her dogs she returned and ventured again to Nome pushing through injuries hallucinations epic storms flipped sleds and clashing personalities both human and canine And she prevailed A tale of survival loyalty and the mysterious connection between humans and dogs Fast into the Night is what may be the quintessential Iditarod story a great Alaskan adventure well told Dave Atcheson author of Dead Reckoning When a memoir magically materializes before your eyes striking all the right chords it's a wonder to behold truly beautiful In Fast into the Night that is precisely what Debbie Clarke Moderow graces us with Anchorage Press

Running with Champions Lisa Frederic, 2012-02-29 An inspiring book about dedication the love of dogs and the physical endurance and mental toughness needed to run the Iditarod sled dog race from a female perspective Lisa Frederic didn't set out to run the Iditarod She just fell in love with the event and wanted to help She ended up working as a volunteer for the Trail Committee at various checkpoints Then she helped Iditarod champion Jeff King train his puppies She had never mushed before She was a rookie but a rookie with heart and drive She started out with short races and eventually raced the 1 049 miles from Anchorage to Nome in the Iditarod Her story speaks to everyone who has ever followed a dream and found that the dream realized is even bigger than the imagined one

Looking for Alaska Peter Jenkins, 2014-03-18 More than twenty years ago a disillusioned college graduate named Peter Jenkins set out with his dog Cooper to look for himself and his nation His memoir of what he found A Walk Across America captured the hearts of millions of Americans Now Peter is a bit older married with a family and his journeys are different than they were Perhaps he is looking for adventure perhaps inspiration perhaps new communities perhaps unspoiled land Certainly he found all of this and more in Alaska America's last wilderness Looking for Alaska is Peter's account of eighteen months spent traveling over twenty thousand miles in tiny bush planes on snow machines and snowshoes in fishing boats and kayaks on the Alaska Marine Highway and the Haul Road searching for what defines Alaska Hearing the amazing stories of many real Alaskans from Barrow to Craig Seward to

Deering and everywhere in between Peter gets to know this place in the way that only he can His resulting portrait is a rare and unforgettable depiction of a dangerous and beautiful land and all the people that call it home He also took his wife and eight year old daughter with him settling into a home base in Seward on the Kenai Peninsula coming and going from there and hosting the rest of their family for extended visits The way his family lived how they made Alaska their home and even participated in Peter s explorations is as much a part of this story as Peter s own travels All in all Jenkins delivers a warm funny awe inspiring and memorable diary of discovery both of this place that captures all of our imaginations and of himself all over again
