**Raced to Death in 1920s Hawai i** Jonathan Y Okamura, 2019-08-30 On September 18 1928 Myles Yutaka Fukunaga kidnapped and brutally murdered ten year old George Gill Jamieson in Waik k Fukunaga a nineteen year old nisei or second generation Japanese American confessed to the crime Within three weeks authorities had convicted him and sentenced him to hang despite questions about Fukunaga's sanity and a deeply flawed defense by his court appointed attorneys Jonathan Y Okamura argues that officials raced Fukunaga to death first viewing the accused only as Japanese despite the law supposedly being colorblind and then hurrying to satisfy the Haole white community's demand for revenge Okamura sets the case against an analysis of the racial hierarchy that undergirded Hawai ian society which was dominated by Haoles who saw themselves most threatened by the island's sizable Japanese American community The Fukunaga case and others like it in the 1920s reinforced Haole supremacy and maintained the racial boundary that separated Haoles from non Haoles particularly

through racial injustice As Okamura challenges the representation of Hawai i as a racial paradise he reveals the ways Haoles usurped the criminal justice system and reevaluates the tense history of anti Japanese racism in Hawai i *Chinese Immigrants, African Americans, and Racial Anxiety in the United States, 1848-82* Najia Aarim-Heriot,2003 The first detailed examination of the link between the Chinese question and the Negro problem in nineteenth century America this work forcefully and convincingly demonstrates that the anti Chinese sentiment that led up to the passage of the Chinese Exclusion Act of 1882 is inseparable from the racial double standards applied by mainstream white society toward white and nonwhite groups during the same period Najia Aarim Heriot argues that previous studies on American Sinophobia have overemphasized the resentment labor organizations felt toward incoming Chinese workers This focus has caused crucial elements of the discussion to be overlooked especially the broader ways in which the growing nation sought to define and unify itself through the exclusion and oppression of nonwhite peoples This book highlights striking similarities in the ways the Chinese and African American populations were disenfranchised during the mid 1800s including nearly identical negative stereotypes shrill rhetoric and crippling exclusionary laws traditionally studied this book stands as a holistic examination of the causes and effects of American Sinophobia and the racialization of national immigration policies *Japanese American Midwives* Susan L. Smith,2005-10-10 In the late 19th century midwifery was transformed into a new women s profession by modernizing Japan As emigration to the U S increased so Japanese midwives became involved as cultural brokers participated in the creation of a Japanese American identity *The Work of Mothering* Harrod J Suarez,2017-10-16 Women make up a majority of the Filipino workforce laboring overseas Their frequent employment in nurturing maternal jobs nanny maid caretaker nurse has found expression in a significant but understudied body of Filipino and Filipino American literature and cinema Harrod J Suarez s innovative readings of this cultural production explores issues of diaspora gender and labor He details the ways literature and cinema play critical roles in encountering addressing and problematizing what we think we know about overseas Filipina workers Though often seen as compliant subjects the Filipina mother can also destabilize knowledge production that serves the interests of global empire capitalism and Philippine nationalism Suarez examines canonical writers like Nick Joaquin Carlos Bulosan and Jessica Hagedorn to explore this disruption and understand the maternal specificity of the construction of overseas Filipina workers The result is a series of readings that develop new ways of thinking through diasporic maternal labor that engages with the sociological imaginary *"A Half Caste" and Other Writings* Onoto Watanna,2010-10-01 Born Winnifred Eaton to a British father and Chinese mother Onoto Watanna was the first novelist of Chinese descent published in the United States Eaton became Watanna to escape Americans scorn of the Chinese and to capitalize on their fascination with all things Japanese This volume includes nineteen of Watanna s shorter works including thirteen short stories and six essays A Half Caste the earliest essay appeared in 1898 a year before Miss Num A Japanese American Romance the first of her bestselling novels The last short story Elspeth appeared in 1923 Some of

Watanna's fictional characters will remind readers of the delicate but tragic Madame Butterfly while others foreshadow types like the trickster in Maxine Hong Kingston's *Tripmaster Monkey* where Watanna makes a cameo appearance. Throughout *Watanna* tells stories of people very much like herself: capable, clever, and endlessly inventive. *Queering the Global Filipina Body* Gina K. Velasco, 2020-11-16 Contemporary popular culture stereotypes Filipina women as sex workers, domestic laborers, mail order brides, and caregivers. These figures embody the gendered and sexual politics of representing the Philippine nation in the Filipina diaspora. Gina K. Velasco explores the tensions within Filipina American cultural production between feminist and queer critiques of the nation and popular nationalism as a form of resistance to neoimperialism and globalization. Using a queer diasporic analysis, Velasco examines the politics of nationalism within Filipina American cultural production to consider an essential question: can a queer and feminist imagining of the diaspora reconcile with gendered tropes of the Philippine nation? Integrating a transnational feminist analysis of globalized gendered labor with a consideration of queer cultural politics, Velasco envisions forms of feminist and queer diasporic belonging while simultaneously foregrounding nationalist movements as vital instruments of struggle. **From Concentration Camp to Campus** Allan W. Austin, 2010-10-01 In the aftermath of Japan's attack on Pearl Harbor and the systematic exile and incarceration of thousands of Japanese Americans, the National Japanese American Student Relocation Council was born. Created to facilitate the movement of Japanese American college students from concentration camps to colleges away from the West Coast, this privately organized and funded agency helped more than 4,000 incarcerated students pursue higher education at more than 600 schools during WWII. Austin argues that the resettled students transformed the attempts at assimilation to create their own meanings and suit their own purposes and succeeded in reintegrating themselves into the wider American society without sacrificing their connections to community and their Japanese cultural heritage. *Chinese American Transnational Politics* Him Mark Lai, 2023-12-11 Born and raised in San Francisco, Lai was trained as an engineer but blazed a trail in the field of Asian American studies. Long before the field had any academic standing, he amassed an unparalleled body of source material on Chinese America and drew on his own transnational heritage and Chinese patriotism to explore the global Chinese experience. In *Chinese American Transnational Politics*, Lai traces the shadowy history of Chinese leftism and the role of the Kuomintang of China in influencing affairs in America. With precision and insight, Lai penetrates the overly politicized portrayals of a history shaped by global alliances and enmities and the hard intolerance of the Cold War era. The result is a nuanced and singular account of how Chinese politics, migration to the United States, and Sino-U.S. relations were shaped by Chinese and Chinese American groups and organizations. Lai revised and expanded his writings over more than thirty years as changing political climates allowed for greater acceptance of leftist activities and access to previously confidential documents. Drawing on Chinese and English language sources and echoing the strong loyalties and mobility of the activists and idealists he depicts, Lai delivers the most comprehensive treatment of Chinese
