Mowat,2021-01-07 We are all bombarded with words and images We are not conscious of most because our subconscious thinking filters them out Yet too often the church relies almost exclusively on words and images to tell the most important story of all the good news of Jesus Christ In His book Interactive Christianity John W Mowat takes us back to the methods and teachings of Jesus Christ Himself all of which are relational thus interactive John examines three different areas of interaction He believes that it is only when all 3 are healthy that larger numbers of individuals and groups of people can come to ongoing growing relationships with God Any one of these relationships that are missing or out of focus will tend to result in either no birth stillbirth or choked birth Jesus described this in the parable of the seed and soils John examines first our interaction with Jesus Christ This interaction he believes is foundational to the other two Many will tend to skip over this believing they have arrived however this is a mistake Second John examines our interaction with unbelievers Some readers want to go to this section and skip the rest While there is very critical information in this section readers especial pastors and teachers need to get the whole picture Finally John examines the believer s interaction with other believers as we relate together to each other and to the unbelieving world around us This is a complicated relationship Learning to love is the greatest ongoing challenge of the Church yet it is critical to the difference between making decisions and making disciples

Founding Gods, Inventing Nations William F. McCants,2012 From the dawn of writing in Sumer to the sunset of the Islamic empire *Founding Gods Inventing Nations* traces four thousand years of speculation on the origins of civilization Investigating a vast range of primary sources some of which are translated here for the first time and focusing on the dynamic influence of the Greek Roman and Arab conquests of the Near East William McCants looks at the ways the conquerors and those they conquered reshaped their myths of civilization s origins in response to the social and political consequences of empire The Greek and Roman conquests brought with them a learned culture that competed with that of native elites The conquering Arabs in contrast had no learned culture which led to three hundred years of Muslim competition over the cultural orientation of Islam a contest reflected in the culture myths of that time What we know today as Islamic culture is the product of this contest whose protagonists drew heavily on the lore of non Arab and pagan antiquity McCants argues that authors in all three periods did not write about civilization s origins solely out of pure antiquarian interest they also sought to address the social and political tensions of the day The strategies they employed and the postcolonial dilemmas they confronted provide invaluable context for understanding how authors today use myth and history to locate themselves in the confusing aftermath of empire *The Illuminated Messiah Bible* ,2023-11-07 The infallible living Word of God as penned in the majestic King James Version has had a powerful influence on language and literature since 1611 Developed by scholars and entwined with poetic cadence and vivid imagery this version of the Bible is the standard by which all translations are measured and the most printed book of all time The Illuminated Messiah Bible harkens back to the handcrafted Bibles from medieval times Within these pages is a beautiful collection of sixty six original portraits of Jesus from each book of the Bible The Messianic theme from Genesis to Revelation is illuminated in spectacular fashion with a detailed treatise by the artist explaining the theology behind every brushstroke Grow your Christian faith as you immerse yourself in the beauty and truth found in these trusted words **NKJV, Beautiful Word Bible** Zondervan,2016-03-22 Be drawn into God s Word through a fresh creative expression of the beautiful words of Scripture Featuring inspiring full color art the NKJV Beautiful Word™ Bible will encourage a deeper and more authentic quiet time With 500 verses illustrated to help you see the rich diversity of stories characters prophecies rewards and hope contained within Scripture you will discover wisdom to sustain you in every season drawing you deeper into God s life changing Word Features Complete text of the New King James Version NKJV 500 Full color illustrated verses Index of illustrated Scripture passages **The NASB, MacArthur Study Bible** Thomas Nelson,2013-11-05 A classic resource The MacArthur Study Bible is perfect for serious study Dr John
