C. Daly,R. A. Fuck,J. Julià,D. I. M. Macdonald,A. B. Watts,2018-12-03 Cratonic basins are large distinctive features of the continental crust They are preferentially developed on thick continental lithosphere are typically sub circular in shape and subside over periods of hundreds of millions of years They are also endowed with significant resources However in spite of their location in continental interiors and often well known geology the subsidence driving mechanism and tectonic setting of these basins remains controversial This volume presents both lithospheric and basin scale datasets acquired specifically to interrogate the tectonic process of cratonic basin formation Focused on the Silurian to Triassic Parna ba cratonic basin of Brazil the papers discuss the results of a multidisciplinary basin analysis project comprising new geophysical geological and geochemical data This unique dataset enables the characterization of the lithospheric crust and mantle beneath the Parna ba Basin constrains the detailed evolution of the basin itself and enables comparisons with cratonic basins globally Several convergent themes emerge providing new and powerful constraints for models of the driving mechanisms of these enigmatic basins *Geological Survey Occasional Paper* Indiana. Geological Survey,1974 *Digital, Political, Radical* Natalie Fenton,2018-02-27 Digital Political Radical is a siren call to the field of media and communications and the study of social and political movements We must put the politics of transformation at the very heart of our analyses to meet the global challenges of gross inequality and ever more impoverished democracies Fenton makes an impassioned plea for re invigorating critical research on digital media such that it can be explanatory practical and normative She dares us to be politically emboldened She urges us to seek out an

emancipatory politics that aims to deepen our democratic horizons To ask how can we do democracy better What are the conditions required to live together well Then what is the role of the media and how can we reclaim media power and politics for progressive ends Journeying through a range of protest and political movements Fenton debunks myths of digital media along the way and points us in the direction of newly emergent politics of the Left Digital Political Radical contributes to political debate on contemporary re configurations of radical progressive politics through a consideration of how we experience counter politics in the digital age and how this may influence our being political
