The Dutch Language in the Digital Age Georg Rehm, Hans Uszkoreit, 2012-07-16 This white paper is part of a series that promotes knowledge about language technology and its potential. It addresses educators, journalists, politicians, language communities and others. The availability and use of language technology in Europe varies between languages. Consequently, the actions that are required to further support research and development of language technologies also differ for each language. The required actions depend on many factors such as the complexity of a given language and the size of its community. META NET, a Network of Excellence funded by the European Commission, has conducted an analysis of current language resources and technologies. This analysis focused on the 23 official European languages as well as other important national and regional languages in Europe. The results of this analysis suggest that there are many significant research gaps for each language. A more detailed expert analysis and assessment of the current situation will help maximise the impact of additional research and minimize any risks. META NET consists of 54 research centres from 33 countries that are working with stakeholders from commercial businesses, government agencies, industry, research organisations, software companies, technology providers and European universities. Together they are creating a common technology vision while developing a strategic research agenda that shows how language technology applications can address any research gaps by 2020.

Word 2003+ Excel 2003 voor Dummies [dubbelpocket] Dan Gookin, 2006 HOE IK DE FILM CHANGEWYX
MAAKTE Dempsey Novak, Het boek beschrijft hoe je een film maakt. Het boek staat vol waardevolle suggesties en tips. **De jacht** Conrad Gietman, Yme Kuiper, Elyze Storms-Smeets, Leon Wessels, 2022-03-14 Van oudsher wordt het recht om te jagen verbonden met vorsten en adel. Hoe zit dat in de Nederlandse geschiedenis? Deze bundel geeft antwoord op die vraag en laat zien hoe de jacht in de loop van eeuwen minder elitair is geworden. In onze tijd heeft de jacht zich ontwikkeld tot onderdeel van wettelijk geregeld natuurbeheer. Toch vindt er regelmatig debat plaats over de ethiek van het jagen en de wenselijkheid van de jacht. Ook deze kwesties komen in dit boek aan de orde. Auteurs uit verschillende vakgebieden: geschiedenis, antropologie, geografie, ecologie, rechten, architectuurgeschiedenis, werkten mee aan de bundel. Als rode draad fungeert het spanningsveld tussen jachtrecht en jachtpraktijk dat in deze bundel vanuit een cultuurhistorisch perspectief wordt gezien. *Buitenschoolse hulp en zorg op school: succes verzekerd!?* Karine Verschuere, Elke Struyf, Eleonora Vervoort, Kathleen Bodvin, Lucia De Haene, 2016-03-10 De indruk bestaat dat het gebruik van buitenschoolse hulp de voorbije jaren is gestegen. Dat de buitenschoolse hulp zo'n groot succes kent lijkt moeilijk te rijmen met de inspanningen om het zorgaanbod op school te versterken. In opdracht van de Vlaamse overheid werd een grootschalig onderzoek opgezet met als doel de bestaande praktijken inzake buitenschoolse hulp in kaart te brengen. Niet alleen bestudeerden de onderzoekers de omvang en aard van de buitenschoolse hulp, ook de rol en motieven van centrale actoren zoals ouders, zorgverantwoordelijken en CLB medewerkers in het besluitvormingsproces werden onder de loep genomen, evenals de communicatie en afstemming.

tussen de buitenschoolse hulp en de zorg op school Ten slotte zochten de onderzoekers naar factoren die de verschillen in het gebruik van buitenschoolse hulp kunnen verklaren Ze gingen het effect na van kenmerken van zorg op school en andere schoolkenmerken en onderzochten ook het effect van kind SES en migratiegerelateerde kenmerken op het gebruik van buitenschoolse hulp De reflecties aangaande de bevindingen uit deze studie kaderen de auteurs binnen drie centrale invalshoeken 1 het model van geïntegreerde zorg op school en het idee van het zorg of ondersteuningscontinuüm 2 de beweging naar medicalisering van de hulpverlening en 3 het maatschappelijk perspectief van het in standhouden en vergroten van sociale ongelijkheid van onderwijskansen *Boekblad*, 1996 *Vogelvrij (Een Adele Sharp Mysterie - Boek Twee)* Blake Pierce, 2021-05-18 Net als je denkt dat het leven niet mooier kan bedenkt Blake Pierce nog een meesterwerk van thriller en mysterie Dit boek zit vol met onverwachte wendingen en eindigt met een verrassende openbaring Ik raad dit boek ten zeerste aan als deel van de permanente bibliotheek van elke lezer die van een zeer goed geschreven thriller houdt Books and Movie Reviews Roberto Mattos over Eens Weg VOGELVRIJ is boek 2 in een nieuwe FBI thrillerreeks van USA Today bestsellerauteur Blake Pierce wiens 1 bestseller Eens Weg boek 1 een gratis download meer dan 1 000 vijfsterrenrecensies heeft ontvangen Een seriemoordenaar houdt verschrikkelijk huis in de Amerikaanse expatgemeenschap in Parijs Zijn moorden doen denken aan die van Jack the Ripper In een dodelijke race tegen de klok moet FBI Special agent Adele Sharp zijn gedachten doorgronden en het volgende slachtoffer te redden totdat ze een geheim ontdekt dat duisterder is dan iemand zich had kunnen voorstellen Achtervolgd door de moord op haar eigen moeder stort Adele zich in de zaak en duikt in de gruwelijke onderbuik van een stad die ooit haar thuis was Kan Adele de moordenaar tegenhouden voordat het te laat is VOGELVRIJ een mysteriereeks boordevol actie met internationale intriges en meeslepende spanning die je tot diep in de nacht blijft lezen Boek 3 VERHOLEN is nu ook verkrijgbaar **Open** Nederlandse Vereniging van Bibliothecarissen, Documentalisten en Literatuuronderzoekers, 1980 **De Markies** Eveline Rethmeier, 2019-11-07 Waargebeurd verhaal van een Franse Markies die een nieuw Frankrijk stichtte **Grenzeloos** Jørn Lier Horst, 2024-09-03 IJzersterke nieuwe Wisting thriller van de Noorse topauteur Horst Een auto wordt langs de kant van de weg achtergelaten In het voertuig wacht de oplossing van een complex moordmysterie William Wisting wordt benaderd door de leider van een online groep die samen met hem een moordzaak wil oplossen de dood van de Australische backpacker Ruby Thompson Een van de actievere leden van de groep Astria zou zagezegd uit Noorwegen komen Maar net nadat Astria aan de andere groepsleden had verkondigd dat ze dicht bij het oplossen van het mysterie was ging ze offline Sindsdien heeft niemand in de groep nog iets van haar vernomen Met enige tegenzin moet Wisting toegeven dat hij gefascineerd is door het onorthodoxe onderzoek Al gauw bevindt hij zich diep in een zaak met talrijke aanwijzingen en verbindingen Maar of die nu allemaal even betrouwbaar zijn
