U-Boat Attack Logs Bruce Taylor, Daniel Morgan, 2011-11-09 An indispensable reference work for anyone studying either the U boat campaign or WW2 at sea copiously illustrated fascinating and harrowing Navy News During the Second World War over 250 Allied warships from a dozen navies were sent to the bottom by German U boats This ground breaking study provides a detailed analysis of every sinking for which source material survives from both the Allied and the German sides resulting in detailed treatment of the fate of 110 vessels with the remainder summarized in an extensive appendix Uniquely each entry is built around a specialist translation of the relevant segment of the war diary log of the U boat in question taken directly from the surviving originals remarkably this represents the first large scale publication of the U boat war diaries in any language The book offers a wealth of new information not only with respect to the circumstances of the sinkings from both the Allied and German perspectives but also to the technical environment in which they lived as well as the fate of the crews The entries include background details on the vessels concerned and the men involved with a selection of rare and carefully chosen photos from archives and collections around the world Each entry is itself a compelling narrative but is backed with a list of sources consulted including documents published works and websites A decade in the making this is probably the most important book on the U boat war to be published for many a year Offers significant new information on many of the most famous incidents Maritime Advisor

Bibliography of Nautical Books Alan Obin, 2000-02 This is the 15th annual edition of the Bibliography of Nautical Books a reference guide to over 14 000 nautical publications It deals specifically with the year 2000 Canadian Gazette and Export Trader ,1909 **Ships Monthly** ,2000 Common Ownership by Regulated Carriers United States. Congress. Senate. Committee on Interstate and Foreign Commerce. Subcommittee on Surface Transportation, 1961 **Railway and Marine News** ,1919 *The Journal of the Engineering Institute of Canada* Engineering Institute of Canada, 1919 American Economist and Tariff League Bulletin ,1898

Syren and Shipping Illustrated ,1925 **Bill Lambert** Samuel J. Wilson, 2016-08-16 World War I fighter pilot William C Lambert of Ironton Ohio flew for the British Royal Air Force in 1918 When he left the Western Front in August he had 22 victories then the most achieved by any American pilot By the time of the Armistice in November his total was surpassed by Eddie Rickenbacker the former race car driver from Columbus Ohio with 26 victories Lambert survived the war and lived into his eighties unwilling until late in life to seek public acclaim for his war record This book examines his life and the wartime experiences that defined it Modern Miller ,1912 *Fairplay Weekly Shipping Journal* ,1928 The Royal Navy, China Station: 1864 - 1941 Jonathan Parkinson, 2018-02-20 A definitive history of the Royal Navy's China Station In the The Navy List for April 1864 the China Station was first shown as a separate Royal Navy Station It remained as such until the outbreak of the Pacific War in December 1941 which was to signal the end of that era In addition to a precis of the lives and naval careers of each of the Commanders in Chief of the China Station this volume also gives relevant information outlining

something of the concurrent internal affairs of China and Japan Both are very different but sad tales the former in decline towards the end of the Manchu Ch ing dynasty and then into the chaotic 1920 s and 1930 s and the latter increasingly adopting a militaristic attitude which was to result in their disaster of the Pacific War of 1941 1945 As a reminder of these days long gone are interwoven brief references to the British Consular Service This is especially relevant for China and for a shorter period for Japan during that era of extraterritoriality Mention is also made of the British Colonial Service with whom necessarily the Navy worked very closely In addition being one important reason for it all frequent references are made to a few British shipping and trading interests together with those of some other nations All of these areas are linked together to give a definitive history of this very important Royal Navy Station *The Log* ,1946 Hearings United States. Congress. House. Committee on Armed Services,1970 *The Nautical Gazette* ,1919 *Seaboard* ,1921 *Merchant Vessels of the United States...* United States. Coast Guard,1976 Canadian Railway and Marine World ,1922 *F & S Index International: Industries, Countries, Companies* ,1980
