Crusading Against Christians in the Middle Ages Mike Carr, Nikolaos G. Chrissis, Gianluca Raccagni, 2024-03-27 This is the first book length study into crusading against Christians examining this complex phenomenon from the twelfth to fifteenth centuries and across numerous regions from France to Russia and from southern Italy to the Baltic Whilst the crusades are an immensely popular topic those launched against Christian rulers and communities have been comparatively overlooked in the past with existing studies typically focusing on a particular area period or campaign This volume brings together the expertise of thirteen scholars on a variety of primary and secondary sources not often accessible to Anglophone readership as well as their knowledge of national discourses which have often shaped historiography It aims to serve as the first port of call for anyone who wishes to approach crusades against Christians within and without the specialism of crusader studies and to provide the basis for a thorough comparative analysis of this phenomenon covering its variety as comprehensively as possible

The Mongol Archive in Late Medieval France Mark Cruse, 2025-02-15 The Mongol Archive in Late Medieval France is the first comprehensive study of contact between France and the Mongols in the late Middle Ages As these realms expanded across Eurasia the French through crusade and settlement the Mongols through conquest their encounters altered each other s understanding of the world and their place in it The Mongol influence on French culture is visible in what Mark Cruse calls the Mongol archive a wide range of materials including chronicles crusade treatises encyclopedias manuscript illuminations maps romances and travel accounts revealing how the French court made sense of a people previously unknown to the European intellectual tradition Cruse mines this archive of Franco Mongol contact to reassess France s place in the

continental history of medieval Eurasia By comparing the French and Mongol courts Cruse shows how their similarities allowed meaningful communication between them and highlights the surprising connections diplomatic intellectual and genealogical across vast distances The library of King Charles V r 1364 1380 one of the largest in medieval Europe is a monument to the richness of these encounters which anticipate the global interconnectedness of the modern world Ultimately the innovative approach in The Mongol Archive in Late Medieval France toward French conceptions of and relations with the Mongols demonstrates how a global perspective transforms our understanding of the medieval world

freedom was won The Sultan's Fleet Christine Isom-Verhaaren,2021-12-02 While the Ottoman Empire is most often recognized today as a land power for four centuries the seas of the Eastern Mediterranean were dominated by the Ottoman Navy Yet to date little is known about the seafarers who made up the sultans fleet the men whose naval mastery ensured that an empire from North Africa to Black Sea expanded and was protected allowing global trading networks to flourish in the face of piracy and the Sublime Porte s wars with the Italian city states and continental European powers In this book Christine Isom Verhaaren provides a history of the major events and engagements of the navy from its origins as the fleets of Anatolian Turkish beyliks to major turning points such as the Battle of Lepanto But the book also puts together a picture of the structure of the Ottoman navy as an institution revealing the personal stories of the North African corsairs and Greek sailors recruited as admirals Rich in detail drawn from a variety of sources the book provides a comprehensive account of the Ottoman Navy the forgotten contingent in the empire s period of supremacy from the 14th century to the 18th century

The Travels of Cristoforo Buondelmonti and Ciriaco d'Ancona in the Aegean Sea Eleni Tounta,2024-07-19 This book explores the travels of Cristoforo Buondelmonti and Ciriaco d'Ancona to the Greek lands in the early fifteenth century eastern Mediterranean Drawing on post colonial studies frameworks such as travel writing and imaginative geographies this volume offers an innovative examination of colonial discursive and cultural practices within the Latin dominions in the Greek lands It sheds light on their contributions to the conceptualisation of both the Italian metropolitan space and the Greek identity of the colonised This volume investigates how Cristoforo s and Ciriaco s travel narratives utilised conceptual tools and representation systems of early humanism to support Latin political and economic interests in the eastern Mediterranean It delves into the imaginative geographies of Venetian Crete the islands of the archipelago Constantinople the Byzantine Despotate of the Morea and portrayals of the Ottomans as constructed by the two travelers offering insights into the interaction of Latin humanistic and colonial discourses and the agency of travellers in shaping the colonial space The book will be of value to scholars undergraduate and postgraduate students across various research fields including Renaissance and postcolonial studies travel literature Latin dominions in the Aegean Byzantine and Ottoman histories **Military**

Orders and Crusades Peter Edbury,Paul Webster,2025-08-29 This volume celebrates the work and impact of Professor Helen Nicholson by bringing together twenty two chapters by colleagues former students and friends which focus on her major research interests the Military Orders women in the Middle Ages and the history of the crusades and the Latin East These chapters develop and continue discussion that owes much to Nicholson s research contributions which she has continued since retirement from her chair in Cardiff University in 2022 They are sorted into five parts reflecting a range of themes everyday life of the Military Orders women in their royal crusading and Military Orders contexts the Military Orders in England and their members aspects of warfare in the Latin East and in Europe and new findings about the history of crusading and the Military Orders that can be derived from the careful study of archives records and manuscript sources

This book will appeal to researchers and students interested in Medieval History the crusades the Military Orders and Women s History **Military Society and the Court of Chivalry in the Age of the Hundred Years War** Philip J. Caudrey,2019 An investigation into three of the best known cases tried under the Court of Chivalry reveals much about gentry military society **Journal of Medieval Military History: Volume XXI** Kelly DeVries,Clifford J. Rogers,John France,2023-06-06 The leading academic vehicle for scholarly publication in the field of medieval warfare Medieval Warfare The twenty first volume of the Journal of Medieval Military History begins with three studies examining aspects of warfare in the Latin East an archaeological report on the defenses of Jerusalem by Shimon Gibson and Rafael Y Lewis a study of how military victories and defeats viewed through the lens of carefully shaped reporting affected the reputation and the flow of funds and recruits to the Military Orders by Nicolas Morton and an exploration of how the Kingdom of Jerusalem quickly recovered its military strength after the disaster of Hattin by Stephen Donnachie Turning to the other side of the Mediterranean Donald J Kagay analyzes how Jaime I of Aragon worked to control violence within his realms by limiting both castle construction and the use of mechanical artillery Guilhem P pin also addresses the limitation of violence using new documents to show that the Black Prince s sack of Limoges in 1370 was not the unrestrained bloodbath described by Froissart The remaining three contributions deal with aspects of open battle Michael John Harbinson offers a large scale study of when and why late medieval men at arms chose to dismount and fight on foot instead of acting tactically as cavalry Laurence W Marvin reconsiders the Battle of Bouvines concluding that it was far from being a ritualized mass duel Finally Michael Livingston elucidates some principles for understanding medieval battles in general and the battle of Agincourt in particular *The Mongol Storm* Nicholas Morton,2022-11-15 How the Mongol invasions of the Near East reshaped the balance of world power in the Middle Ages For centuries the Crusades have been central to the story of the medieval Near East but these religious wars are only part of the region s complex history As *The Mongol Storm* reveals during the same era the Near East was utterly remade by another series of wars the Mongol invasions In a single generation the Mongols conquered vast swaths of the Near East and upended the region s geopolitics Amid the chaos of the Mongol onslaught long standing powers such as the Byzantines the Seljuk Turks and the crusaders struggled to survive while new players such as the Ottomans arose to fight back The Mongol conquests forever transformed the region while forging closer ties among societies spread across Eurasia This is the definitive history of the Mongol assault on the Near East and its enduring global consequences
