Enough to Make You Sick... Jerry A. Grunor, 2009 Are there maggots in your mushrooms Is your drywall reeking of sulfur and turning your silver black What are the secrets that restaurants don't want you to know What's worse tainted or counterfeit products Has China turned a blind eye or tried to cover up What is the price to pay for food safety Is it time to ban all imports from China While the Chinese knowingly and intentionally export inferior products and dangerous toys food prescriptions and any type of goods to America we keep buying them and putting our lives in danger There is enough going on to make you sick as most imports are not inspected Even Wal Mart cracked down on Chinese suppliers After years of FDA and congressional investigations testimony and posturing are we any safer Basically the government has failed to improve the safety of products the cheapest stuff is the riskiest Simply look on the bottom of every product you buy and if it says

MADE IN CHINA or PRC just choose another product or none at all Is this the decline and fall of the American Economy Is off shoring our security Enough to Make You Sick **Animals and Bioterrorism** University of Minnesota.
