Going Somewhere Soon Brian Andreas,1995 **Zoopoetics** Aaron M. Moe,2013-12-19 Zoopoetics assumes Aristotle was right The general origin of poetry resides in part in the instinct to imitate But it is an innovative imitation An exploration of the oeuvres of Walt Whitman E E Cummings W S Merwin and Brenda Hillman reveals the many places where an imitation of another species poiesis Greek makings contributes to breakthroughs in poetic form However humans are not the only imitators in the animal kingdom Other species too achieve breakthroughs in their makings through an attentiveness to the ways of being of other animals For this reason mimic octopi elephants beluga whales and many other species join the exploration of what zoopoetics encompasses Zoopoetics provides further traction for people interested in the possibilities when and where species meet Gestures are paramount to zoopoetics Through the interplay of gestures the human animal textual spheres merge making it possible to recognize how actual biological animals impact the material makings of poetry Moreover as many species are makers zoopoetics expands the poetic tradition to include nonhuman poiesis **A Place to Call Home** Deborah Smith,1998-05-04 Rarely will a book touch your heart like A Place to Call Home So sit back put up your feet and enjoy The Atlanta Journal and Constitution Twenty years ago Claire Maloney was the willful pampered tomboyish daughter of the town s most respected family but that didn t stop her from befriending Roan Sullivan a fierce motherless boy who lived in a rusted out trailer amid junked cars No one in Dunderry Georgia least of all Claire s family could understand the bond between these two mavericks But Roan and Claire belonged together until the dark afternoon when violence and terror overtook them and Roan disappeared from Claire s life Now two decades later Claire is adrift and the Maloneys are still hoping the past can be buried under the rich Southern soil But Roan Sullivan is about to walk back into their lives By turns tender and sexy and heartbreaking and exuberant A Place to Call Home is an enthralling journey between two hearts and a deliciously original novel from one of the most imaginative and appealing new voices in Southern fiction Praise for A Place to Call Home A beautiful believable love story Chicago Tribune For sheer storytelling virtuosity Ms Smith has few equals Richmond Times Dispatch Enchanting new novel a beautiful love story of reunion The News Observer Raleigh NC Stylishly written filled with Southern ease and humor Tampa Tribune **Mom, everyone else does!** Sharon Hersh,2010-08-11 Help Your Daughter Resist Peer Pressure Even When You re Not Around A national survey in 2001 indicated that in the U S one fourth of the high school seniors have problems with drugs and alcohol nearly two thirds of teenagers experiment with drugs before finishing high school and fifty six percent of seventeen year olds know at least one drug dealer at school Studies also indicate that when a girl chooses to use substances peer pressure is the biggest reason

why Many parents believe the best they can do is to teach their daughters right from wrong and hope for the best But there is more that you can do Because while peer pressure may be the biggest influence for girls who choose to use substances parental involvement is the single most important factor for those who decide not to The dangers of substance abuse can actually bring you and your daughter closer Whether you want to help your daughter resist the overwhelming pressures to drink smoke and use drugs have discovered or suspect that your daughter may be using substances or want to help her develop a strong and positive identity in response to negative peer pressure this book shows how the lure of today s teen party culture puts you in your most powerful position ever to connect with and influence your daughter Living Spirit, Living Practice Ruth Frankenberg, 2004-03-15 An ethnographic study of the growing number of self invented East West hybrid religious practices in the U S Legend Tripping Lynne S. McNeill, Elizabeth Tucker, 2018-11-30 Legend Tripping A Contemporary Legend Casebook explores the practice of legend tripping wherein individuals or groups travel to a site where a legend is thought to have taken place Legend tripping is a common informal practice depicted in epics stories novels and film throughout both contemporary and historical vernacular culture In this collection contributors show how legend trips can express humanity s interest in the frontier between life and death and the fascination with the possibility of personal contact with the supernatural or spiritual The volume presents both insightful research and useful pedagogy making this an invaluable resource in the classroom Selected major articles on legend tripping with introductory sections written by the editors are followed by discussion questions and projects designed to inspire readers to engage critically with legend traditions and customs of legend tripping and to explore possible meanings and symbolics at work Suggested projects incorporate digital technology as it appears both in legends and in modes of legend tripping Legend Tripping is appropriate for students general readers and folklorists alike It is the first volume in the International Society for Contemporary Legend Research series a set of casebooks providing thorough and up to date studies that showcase a variety of scholarly approaches to contemporary legends along with variants of legend texts discussion questions and projects for students Contributors S Elizabeth Bird Bill Ellis Carl Lindahl Patricia M Meley Tim Prizer **My Side of the Bed** Margherita Gale Harris, 2018-02-05 On the outside I remained poised and collected Within I searched for answers The signs were there Her husband was distant Angry He withdrew if she so much as lightly brushed his shoulder Still nothing prepared Margherita Gale Harris for the day when Mark a physician and Episcopal priest confessed to having sexual encounters with hundreds of strangers They both sought counseling to no avail Faced with his shocking betrayal Gale wondered if their entire marriage was a lie Could she forgive Mark for lying Could she forgive herself for staying so long More secrets were revealed Divorce ended thirty five years of marriage Her lawyer said see your bishop The road to recovery was treacherous and filled with surprises Support came from numerous individuals new friends and former classmates and the daughter she d placed for adoption many years ago **Anatomy of Inculturation** Magesa, Laurenti , 2014-12-03 In his quest to identify practices that
