Billboard, 1982-06-26 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Health Sector Performance Hossein Jalilian, 2003-08-01 There is growing international evidence that the effectiveness of health services stems primarily from the extent to which the incentives facing providers and consumers are aligned with e better healthe objectives Efficiency in health service provision requires that providers and consumers have incentives to use healthcare resources in ways that generate the maximum health gains Equity in at least one sense requires that consumers requiring the same care are treated equally irrespective of their ability to pay Efficiency in the use of health services requires that consumers are knowledgeable about the services on offer and which are most appropriate to their needs Although these principles are enshrined in the design of every health system in the world they have proven extremely difficult to apply in practice Healthcare providers have financial obligations to their families as well as professional obligations to their patients Health service consumers generally lack information about both their health and health services so that they under consume or over consume healthcare The papers in this volume are selected from an international conference organized by the CDRI Cambodia that tried to deal with some of these issues With participation of international and local experts it aimed at collecting major experiences and innovative solutions from inside and outside the country to improve health sector performance with particular focus on institutions motivations and incentives **Buddhist Dynamics in Premodern and** Early Modern Southeast Asia D. Christian Lammerts, 2016-04-29 The study of historical Buddhism in premodern and early modern Southeast Asia stands at an exciting and transformative juncture Interdisciplinary scholarship is marked by a commitment to the careful examination of local and vernacular expressions of Buddhist culture as well as to reconsiderations of long standing questions concerning the diffusion of and relationships among varied texts forms of representation and

religious identities ideas and practices The twelve essays in this collection written by leading scholars in Buddhist Studies and Southeast Asian history epigraphy and archaeology comprise the latest research in the field to deal with the dynamics of mainland and pen insular Buddhism between the sixth and nineteenth centuries C E Drawing on new manuscript sources inscriptions and archaeological data they investigate the intellectual ritual institutional sociopolitical aesthetic and literary diversity of local Buddhisms and explore their connected histories and contributions to the production of intraregional and transregional Buddhist geographies **Leisurely Tokyo** Cheng Siu Chun, 2018-09-04 A highly comprehensive Tokyo Travel Guidebook Over 400 Traditional Sightseeing Spots and Fabulous Shops27 Relaxing Areas and RoutesTracking down the latest in style shopping areas in TokyoRoaming around old town on Toden Arakwara LinePopular Eateries and Long Established RestaurantsOutlet shoppingMajor theme parksCalendar of yearly festivals and eventsDetailed explanation on transportation means and ticket purchase procedures With easy to read maps at hand even first timers can roam around Tokyo worry free Modernity and Re-enchantment Philip Taylor, 2003-08-01 The richness and vibrancy of Vietnamese spirituality are vividly portrayed in these twelve essays that shed light on the remarkable reflorescence of religion in this communist country Ancestor worship mediumship sacrifices and communal rituals have not only survived Vietnam s reintegration into the capitalist world they are intrinsic to the dramatic reshaping of its contemporary social and cultural life Transnational Buddhism and Christianity challenge the political status quo as they answer conflicting aspirations for enlightenment justice national development and cultural identity Making conceptual contributions to anthropology and comparative religion this book provides insights from post revolutionary Vietnam into the diverse passages to re enchantment in the modern world Rising India and Indian Communities in East Asia K Kesavapany, 2003-08-01 This edited volume containing thirty five chapters focuses on three main contemporary issues the phenomenon of e new Indianse in the past five decades the impact of rising India on settled Indian communities and the recent migrants By examining these interrelated aspects this study seeks to address questions like what does e Rising Indiae mean to Indian communities in East Asia How are members of Indian communities responding to India s rise Will India pay greater attention to people of Indian origin And last but not least will Indians in East Asia identify themselves with their ancestral land or view such identification as problematic **UIST 2006** ,2006 Billboard, 1961-08-28 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends One Degree, Many Choices Liu Fook Thim, 2003-08-01 An early crossroad in life is choosing a field of study at the university That will lay the foundation for the rest of our lives This book recorded the career choices of the first batch of 557 engineering graduates from the Nanyang Technological Institute NTI as NTU was known in 1985 Engineering was then the only discipline offered The passage of 25 years yielded deep insights as these pioneers reflected on the impact

of their engineering education on their careers Demonstrating the reach and significance of engineering will arouse the curiousity and imagination of the young especially those good at maths and science Our lIfe stories showcase the options open to an engineering graduate If this book inspires some to take up an engineering education in general and at NTU in particular it will have achieved its purpose Veil of Circumstance Jorgen Orstrom Moller, 2017-03-09 Discontent and frustrations around the world fuel commotion and rebellion against the global model How did we get into this mess How do we get out of it Why doesn't globalization work. The author puts forward solutions to the most challenging transition civilization has ever faced from individual Societies to full Humanity Moller shows how the understanding of groups and values is the key to making our economics and politics work again **Globalization and Its Counter-forces in Southeast** Asia Terence Chong, 2003-08-01 This volume is a collection of essays from a diverse group of scholars Collectively they present a multidimensional perspective of globalization in Southeast Asia They delve into the political economic security social and cultural dimensions of globalization and local responses offering evidence of complex interfacing between the global and the local thus championing the need for a multidisciplinary approach to globalization studies This volume depicts globalization as an uneven and sometimes undesired process and resists the temptation for easy conclusions to the challenges facing the region today **From Traders to Innovators** Goh Chor Boon, 2018-02-14 Today more than ever the state of a country's science and technology is a critical factor for economic competitiveness and long term growth This book traces the development of science and technology policies and initiatives in Singapore since 1965 Developed as a trading entrepot by the British science and technology were never strongly emphasized right up to the 1970s However the need to stay ahead of economic competitiveness motivated the Singapore Government to initiate its national science and technology policy from the 1980s moving Singapore from a low skilled low technology economy to a high skilled high technology one Today the drive for Singapore to become a hotbed for technological start ups and R D activities supported by strong government funding and cutting edge facilities seems promising Are the aspirations of nurturing a Silicon Valley type culture in Singapore achievable Are pragmatic risk averse Singaporeans ready for the mindset change Can a nation of traders and service brokers become a nation of technological innovators and entrepreneurs This book attempts to provide the answers

Road to the President's Own ...and Beyond! Terrence Detwiler,2014-02-18 My Road to the President's Own and Beyond tells the story of a young prodigy from western Pennsylvania who went on to play in the U S Marine Band's White House Jazz Combo and who served four years as the band's solo cornetist It recounts how he was debilitated by a stroke and loss of his wife to cancer and yet mustered the fortitude to persevere and ultimately conquer the challenges he faced so unexpectedly

Living with Uncertainty Setsuko Shibuya,2016-04-29 This book is one of the first ethnographies written on the life of farmers in rural Southern Vietnam since the economic reform in the 1980s It investigates how social economic and political factors affect the farmers life in the Mekong Delta in the late socialist era with a particularly focus on the family which serves

as the basic and most significant social unit for the farmers Dealing with classical anthropological topics of kinship and family the book examines them as dynamic institutions With vivid illustrations of the village life family farming education of children jobs outside of farming and everyday politics it presents new and different pictures of the current Vietnamese family under rapid social changes The book will contribute to the current ethnographical research in Vietnam and Southeast Asia and also be of particular interest to those working on society and culture in the geographical region from broader disciplines It will also appeal to readers who are interested in such topics as late socialism social transformation and rural development

Post-war Laos Vatthana Pholsena, 2003-08-01 More than a quarter of century after the end of the war in 1975 the Lao leadership is still in search for a compelling nationalist narration Its politics of culture and representation appear to be caught between the rhetoric of preservation and the desire for modernity Meanwhile originating from the periphery where ethnic minorities had hitherto been symbolically politically and administratively confined the participation of some of their members in the Indochina Wars 1945 75 exposed these individuals to socialization and politicization processes This rigorously researched and cogently argued book is a fine grained analysis of substantial ethnographic material showing the politics of identity the geographies of memory and the power of narratives of some members of ethnic minority groups who fought during the Vietnam War in the Lao People's Liberation Army and or were educated within the revolutionary administration No study has ever been conducted on the latter's views on the national ist project of the late socialist era Their own perceptions of their membership of the nation have been overlooked Post War Laos is a set to be a landmark study and an original contribution which refines established theories of nationalism such as Anderson's imagined community by addressing a common weakness namely their tendency to deny agency to individuals who in fact interpret their relationship to and place within the nation in a variety of ways that may change according to time and circumstance **SPIN** ,1986-09 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks

Managing Globalization in the Asian Century Hal Hill,2016-11-17 The global centre of gravity continues to shift to the Asia Pacific the most dynamic region in the world These economies have generally grown faster for longer periods of time than any other major region in world history Their embrace of globalization has been a central feature and driver of their dynamism The management of Asia Pacific economic integration and globalization is crucial not only for the countries themselves but also for the state of the global economy including importantly latecomer developing economies who look to the region for analytical and development policy lessons Twenty eight leading international authorities in the field drawn from nine countries provide a comprehensive examination of the causes consequences and challenges of globalization in a

volume that celebrates the distinguished career of Professor Prema Chandra Athukorala Among the major issues examined are the region's distinctive approach to trade liberalization the effects of economic growth on poverty reduction and the labour market the special challenges of by passed regions the role of ideas in influencing policy making the modalities of connecting to global production networks and the importance of remittances in economic development Several country case studies provide in depth analyses of development processes and outcomes These include episodes in economic development the challenges faced by transition economies the macroeconomics of adjusting to slower growth and rising debt in advanced economies and the so called middle income trap phenomenon Thirty Years Hundred Stories Liu Fook Thim, 2016-04-29 Engineers play a vital role in nation building Since independence they have been driving Singapore s efforts in industrialisation Their vision creativity and resilience gave Singapore a competitive edge enabling a meteoric rise from Third World to First in one generation Going forward the government wants to make Singapore a e Smart Natione a nation where people live meaningful and fulfilled lives enabled seamlessly by technology offering exciting opportunities for all Engineers are vital in making this happen This book captures 100 stories of engineering accomplishments in Singapore over a span of 30 years as told by the Nanyang Technological Institute now known as NTU Pioneer Engineering Class of 85 They demonstrate the breadth and depth of the engineering landscape in our nation If this book inspires some to take up an engineering career it will have achieved its purpose
