

Questions on chapter 9 of *The Great Gatsby* ANSWER KEY

1. Why does Nick say that he was "responsible" for Gatsby?

He says that he was responsible because "no one else was interested."

2. How does Nick feel when he receives the letter from Wolfsheimer?

He says, "I began to have a feeling of defiance, of scornful solidarity between Gatsby and me against them all." In other words, he feels like he is on Gatsby's side against the world.

3. Gatsby's father says, "If he'd of lived, he'd of been a great man. A man like James J. Hill. He'd of helped build up the country." James J Hill was a railroad executive who was nicknamed "The Empire Builder." Do you agree with this assessment of Gatsby? Why or why not?

Students answers will vary; keep the discussion going until they have discussed both sides of the question. Some might say that Gatsby wasn't a great man, just someone who made a lot of money to try to impress a girl. Some might say that Gatsby was a self-made man who pulled himself up from nothing, and since he was young when he died, he could have made something of himself if he had lived longer.

4. Why do you think the schedule that Gatsby made as a boy is included in the novel? What does it show about Gatsby?

Students answers will vary; keep the discussion going until they have discussed a few possible answers. Gatsby's father sees it as a sign that his son was going to be a great success in life; he says, "Jimmy was bound to get ahead. He always had some resolves like this or something. Do you notice what he's got about improving his mind? He was always great for that." Some students might point out that this shows how disciplined and driven Gatsby was, even from a young age. Some might point out that the schedule is an interesting objective piece of information, when everything we have read about Gatsby has been through the perspective of Nick, which is hardly objective.

5. Reread Nick's memory that starts "One of my most vivid memories..." and ends with "I decided to come back home." What time of year does he describe? What were the Nick and the others doing? Quote one vivid description of the landscape or setting.

Nick describes memories of December. They are going back to the midwest for Christmas break and they meet in Union station in Chicago to talk about holiday parties and connect with friends. There are many vivid descriptions of the winter night that Nick saw as he rood through the countryside. Some options that students might choose include "When we pulled out into the winter night and the real snow, our snow, began to stretch out beside us and twinkle against the windows, and the dim lights of small Wisconsin stations moved by a sharp wild brace came suddenly into the air" or "the thrilling returning trains of my youth, and the street lamps and sleigh bells in the frosty dark and the shudders of hell's semaphores thrown by lighted windows on

Costigan,2018-09-06 This book provides ways of thinking for preservice and new teachers to transition from the theory behind curricular design to engaged teaching and learning in the classroom It offers a

comprehensive framework for the creation and implementation of one's own authentic and effective ELA curriculum. In addition to strategies for preservice teachers to develop their own pedagogies, lessons, and teaching techniques, Costigan also demonstrates how to design tools for teaching in the current testing and standards-driven context of the educational reform movement. Containing real-life examples of reading and writing instruction, this book empowers preservice teachers to translate the concepts of curriculum design to actual ELA classroom practices that will engage students. *Study Guide* Garraty, 2000-07

Educational Experiences of Hidden Homeless Teenagers Ronald E. Hallett, 2012-01-30 Homeless youth face countless barriers that limit their ability to complete a high school diploma and transition to postsecondary education. Their experiences vary widely based on family access to social services and where they live. More than half of the 15 million homeless youth in America are in fact living doubled up, staying with family or friends because of economic hardship and often on the brink of full-on homelessness. *Educational Experiences of Hidden Homeless Teenagers* investigates the effects of these living situations on educational participation and higher education access. First-hand data from interviews, observations, and document analysis shed light on the experience of four doubled-up adolescents and their families. The author demonstrates how complex these residential situations are while also identifying aspects of living doubled up that encourage educational success. The findings of this powerful book will give students, researchers, and policymakers an invaluable look at how this understudied segment of the adolescent population navigates their education. **Christian Home Educators' Curriculum Manual** Cathy Duffy, 1992

Reimagining Literacy in the Age of AI Jason D. DeHart, Suriati Abas, Raúl Alberto Mora, Damiana Gibbons Pyles, 2025-04-17 This volume assesses the critical intersection of artificial intelligence (AI) and literacy education. Drawing on the concept of living literacies, it explores the transformative potential of AI in literacy practices, offering a comprehensive narrative that bridges theoretical frameworks with practical applications. The book goes beyond the conventional understanding of AI literacy as mere technological proficiency. Instead, it positions AI as a catalyst for expansive, inclusive, and multifaceted literacy practices in the digital age. Scholars from different parts of the world examine how AI is not just changing what we read and write but how we think, create, and express ourselves in a post-human context. **KEY FEATURES** Explores AI literacy that encompasses critical thinking, ethical reasoning, and creative expression. Offers insights into the role of educators and researchers in cultivating AI literacy among learners. Discusses how creativity and identity intertwine with AI literacy. Suggests practical approaches to integrating AI into classroom instruction across different age groups. This timely work serves as an essential guide for educators, researchers, and learners by navigating the evolving terrain of literacy in a world increasingly augmented by AI. *Proficiency-Based Grading in the Content Areas* Wendy Custable, Justin Fisk, Jonathan Grice, Darshan M.
