ReClaimed Church Bill Henard, 2018-06-01 It s no secret churches are dying Tragically thousands of churches in the United States are shrinking some closing their doors forever The key to reversing these trends argues Bill Henard is for a local church to recognize where it is in the church life cycle Unless churches intentionally do something about it many of them will follow the same pattern from birth to plateau and eventually to death But if a church learns to identify its place within the life cycle and embraces the necessary processes it can return to growth In a day when church membership has decreased evangelistic zeal has cooled and budgets are disappearing ReClaimed Church is the tool that struggling churches need Having previously written and taught seminary courses on church revitalization Bill Henard uses his expertise to provide all the practical insights and instructions needed to reclaim your church **Christ's Discipleship Deal** Richard Christenson, 2018-01-08 As a former pastor Richard Christenson has had the opportunity to address numerous congregations and men s ministry groups throughout the northwestern United States and his observations from these experiences are alarming He found that comprehensive discipleship training that addresses the spiritual formation and mission involvement requirement of Christ s followers has been replaced by felt needs driven programming and religious education classes The result is local churches are becoming increasingly ingrown and are comprised of consumers spectators and Jesus fans rather than cross carrying followers of Jesus Christ Richard Christenson believes this problem is the result of our incomplete presentation of the Gospel and our failure to provide comprehensive maturity ministry and mission training for church members Christ s discipleship deal comes with many temporal and eternal benefits but there are also costs involved that need to be counted before making a commitment to become a follower of Christ In his new book Christ s Discipleship Deal Christenson offers assistance for local church leaders in identifying and correcting concerns related to their presentation of the Gospel spiritual formation of their members and proactive participation in Christ s redemptive mission
