Killer in The Woods: A Psychological Thriller R. Barri Flowers, 2011-10-09 In the town of Bluffs Bay Washington a serial killer dubbed by the press as The Woods Strangler is killing beautiful women in the affluent neighborhood of The Woods. In an effort to bring the community together to fight this terror Selene Herrera, director of a local battered women's shelter, helps establish a neighborhood crime watch group. She is newly married to her second husband Quinn, who is named the director of The Woods Citizens Against Crime group. A best-selling mystery novelist and nonfiction writer, he too is on a second marriage, having lost his first wife to violence. The Herreras' life together is threatened when Selene's abusive ex-husband Michel Giovanni shows up in town under the guise of seeking the reward money offered for information leading to the killer. But he soon begins to stalk Selene, wanting her back and determined to have her any way he can. Selene starts to receive calls from an anonymous caller implicating Quinn as The Woods Strangler. Though she tries to dismiss it, the chilling calls and continued murders unnerve Selene and threaten to undermine her marriage. Quinn fights the allegations as best as possible while keeping secrets that he fears could destroy his life with Selene. Selene is also faced with the demands of running a battered women's shelter, including trying to help a battered policewoman and dealing with a fire at the shelter caused by an arsonist. A strong set of supporting characters include Police Officer Ashley Leighton, who hides her dangerous abusive relationship while trying to do her job in pursuit of a killer; Homicide Detective Dennis Cramer, who is faced with the realization that a serial killer might be one of his neighbors in The Woods and must be stopped at all costs; Marvin and Elisa Bonet, the Herreras' next-door neighbors; Todd Foxworth, a spa owner whose girlfriend becomes a victim of the strangler; and Julian McKenzie, a local firefighter. Selene tries to keep her head above water as the killer prowls the neighborhood and sets his sights on her to join his growing list of victims.
