Murder Too Close To Home The Adventures Of Gabriel Celtic 1:

Gabriel's Revenge JT Lewis, We turned toward the blazing candles as one watching in horror as they landed on the floor The kerosene caught the old floorboards immediately bursting into flames with a whoosh As we watched in shock the fire started around the room in both directions surrounding us in seconds We were trapped Gabriel Celtic I heard the man say from the hallway You have meddled one too many times in the affairs of God He has determined that this is your day to die enjoy your coming hell Bastard I shouted after him his laughter only renewed at my words Turning toward Abby I found her still transfixed even as a line of flames approached her position My heart stopped as I sprinted toward her wrapping my arms around her waist and swinging her around narrowly escaping the line of fire as it passed When the passing fire reached the center of the room it branched out left and right creating an eerie cross that burned in the center of the floor our final message from the man Bastard I repeated again helplessly under my breath We both glanced around the room glumly taking in our quickly deteriorating situation The room was rapidly being devoured by the fire and the smoke was already choking us to tears Seeing a burning chair against the wall I grabbed it and ran toward the curtained window flinging it through the material at the last second The shattering of glass that met my ears was a welcome sound even as the added air promptly hiked up the level of the fire Grabbing Abby s hand her eyes were wide as I shouted One chance kid let s do this We both started running toward the wide window the curtains that blocked it burning at full intensity Jumping blindly I said a quick prayer as our bodies were propelled through the burning fabric into nothingness

that hold her family together are quickly unraveling Rumors of a massive human underground settlement draw her to the shadows of the city once more in search of other survivors more like her even with the hybrid vampires opposing her every move The darkness hides secrets along with the continued threat the Feral Vampires create but a greater evil hides within the city Something tells April that the humans will be less than welcoming of her and that s if she can find them before the Vampires do Joining sides with the enemy might be the only choice she has left Amplified Book 3 Who wants to be the prey in a world full of hunters In the aftermath of the end of her world April Tate decides that it s high time to leave the city that never sleeps Las Vegas After learning the origins of a Zompire Plague remedy she risks her life to steal the antidote makes the decision to separate from Jeremy for a while and joins a small band of new and old comrades on a trip to the Pacific Coast There they search out a legendary hive of vampires who are more than just wild blood drinking creatures they could be the very people she needs to help her On a mission to save the last of humanity April will use the antidote to save some from eternal damnation but will her decision bring hope for the future or create an ever bigger unforeseen devastation Resonant Prequel Surviving is worse than death As the first days of the end of humanity tumble across the city of Las Vegas in the form of an overwhelming viral infection turning almost everyone into vampire like creatures April Tate will find out what it really means to survive What does it take to make it out alive in a place where everything is but a withered echo of its former self and death does not come willingly Elijah The Miel Chronicles A Vampires of Vegas Companion Story These are the journeys of Miel the Keeper of the journal The workings of heaven are shrouded in mystery and myth leaving us to only theorize as to what awaits us when we pass There are those among us however that are special cases These are good people that have committed a horrendous crime such as murder
