Musings Mark Devotional Through Gospel:

Musings Through Mark Sarah Woodall, 2015-12-03 Musings through Mark is a unique creative storytelling experience combining prose poetry and striking images Sarah Woodall walks us through Mark's Gospel showing at each step how Jesus' identity as the Son of God unfolds. The words are powerful and they show us who Jesus wants to be for us in every sphere of our life. The book follows a daily devotional format and after each thought provoking commentary there is a pause for reflection followed by a prayer. Readers will find that they are drawn more deeply into God's presence each day.

Mark-Devotional Readings from the Gospel of Mark , Musings of a Christian Physician on the Physical and Spiritual Healing of Man Joseph DeMay MD FAAP, 2020-05-27 I had always believed in the healing power of our Lord and viewed my life as one of service to Him via the practice of medicine. But in retrospect I had a deeper trust in the power of modern medicine and science than I did in Jesus Christ and His fully accomplished work on the Cross. My thinking was flawed but as I grew in my walk with the Lord and meditated on Scripture more fully I began to see the superiority of faith over the limited interventions modern medical science had to offer and that this interplay between faith and science was not mutually exclusive but complimentary for the spiritual aspects of our lives illuminate and empower the carnal aspects of intellect and physical senses. I began jotting notes to myself related to this interplay of faith and healing and science and just filed them away for years. Then in December of 2017 a baby was born to a first time mother of mine, his little body riddled with the most fulminant form of acute lymphoblastic leukemia, almost always fatal. His absolutely miraculous healing was the impetus to start putting these thoughts into writing in the form of weekday morning emails entitled "A Christian Doctor's View of Healing, Faith and Science." It was soon made clear to me that these writings were to take the form of a year-long devotional book comprised of short weekday messages that are intimately linked such that they can be read through as a book. And that book was to paint a picture and that picture was to be of a face and the face was to be that of Jesus for He is the source of all healing. Parish Musings; Or, Devotional Poems ... And the words with which the Inspired Writings had closed were remarkable both from their distinct declaration and for the very mysterious manner in which alone it could be fulfilled. As the silence of night came on and the light of prophecy was going down it spoke of the rising of the Sun of Righteousness with healing in His wings and yet not so for all men but for them shall He arise that fear My name.
