Honour Based Crimes and the Law Mukaddes Gorar,2021-05-10 Honour based violence and abuse manifests itself in different forms and this book offers a comprehensive understanding of this phenomenon This book argues that the limits of honour crimes must be defined more widely so that they include conducts and behaviours that originate from the patriarchal notion of honour such as honour based oppression and breast ironing The book provides a critical analysis and synthesis of the law in England and Wales and in the international human rights sphere The relevant domestic legislation and cases are examined to reflect on whether adequate protection is provided for the victims and potential victims of honour based violence and abuse Since honour based violence is a violation of human rights the relevant international human rights law is examined to illustrate the perception of such crimes in the international arena The effectiveness of any remedy for victims of honour based violence and abuse depends on its capability to change deep rooted behaviours in communities with honour based patriarchal values This book argues that the law does not provide the effective impact required in part due to patriarchal structures and that more efforts should be dedicated to changes in education It is held that there is a need for an educational programme that is especially designed to tackle violence and promote gender equality The book will be essential reading for academics researchers and policy makers working in the areas of Human Rights Law Criminal Law and Gender Studies

Islam Cenap Çakmak,2017-05-18 This expansive four volume encyclopedia presents a broad introduction to Islam that enables learning about the fundamental role of Islam in world history and promotes greater respect for cultural diversity One of the most popular and widespread religions in the world Islam has attracted a great deal of attention in recent times particularly in the Western world With the ongoing tensions in the Middle East and a pervasive sense of hostility toward Arab Americans there is ever increasing need to examine and understand Islam as a religion and historical force Islam A Worldwide Encyclopedia provides some 700 entries on Islam written by expert contributors that cover the religion from the birth of Islam to the present time The set also includes 16 pages of color images per volume that serve to illustrate the diverse expressions of this important religious tradition Each entry begins with a basic introduction followed by a general discussion of the subject and a conclusion Each entry also features a further readings list for readers In addition to supplying a comprehensive authoritative overview of Islam this work also specifically addresses many controversial related issues including jihad violence in Islam polygamy and apostasy

Cultural Representations of the

Second Wife Jo Parnell,2023-12-11 Cultural Representation of the Second Wife Literature Stage and Screen is a multifaceted interdisciplinary cross cultural work that provides insights into the realities of second wives the world over This book allows the reader a three dimensional view of the second wife experience It asks What does it mean and what does it feel like to be a second wife in a polygamous union or in a monogamous partnership Is there a difference Together the writers in this book cleverly create an in depth study of the subject through the productions referred to in the title to offer a different approach to the popularly held views of the second wife The book addresses the intricacies customs practices and lifestyles of the various Eastern and Western cultures and demonstrates the abilities of the Humanities to connect and interrelate with other disciplines as well as with the reader s own world

The Rise Of The Antichrist Kamran Faqir,2019-04-02 The Rise of The Antichrist carefully investigates the measurable effects of politics religion science and technology on the human psyche All mainstream religions traditionally share similar perspectives regarding the Antichrist and his developing systems which have been foretold by all prophets or messengers dutifully sent to every nation over time This book carefully explores the much debated topic of the Antichrist regarding his future emergence Will he lead humanity to eternal darkness or enlightenment Although modern science and human history popularly refer to the last 5 000 15 000 years of development in reality there are signs and evidence that human development is considerably older with possibilities of supernatural or otherworldly intervention This book explores stories such as the Nimrod who meticulously researched into longevity and occult magic with a possibility of alien or supernatural influence which was captured on stone glyphs Throughout history there have been developed mighty empires whose chosen kings proclaimed to be Gods But were they actually inter dimensional beings This book will ideally suit readers with an active interest in religion historical events and those interested in a thought provoking read

Global Women Leaders Kathleen Mollick,Michele Lockhart,2014-09-24 Global Women Leaders Studies in Feminist Political Rhetoric demonstrates the ways in which women have used political rhetoric and political discourse to provide leadership or assert their right to leadership on a global level This collection fits into the robust research area of international political women and their use of language in gaining and maintaining political power It casts a wider net in terms of discussing women s efforts to assert and preserve their roles of authority particularly when their audiences may perceive their authority as illegitimate due to gender Chapters dedicated to Elizabeth II and Sheikha Moza Bint Nasser discuss the more traditional ways in which women leaders use language to construct political power Other chapters focus on women who serve as political activists either individually or as part of a group including Aasma Mahfouz of the Egyptian Revolution of 2011 and the women who help direct United Nations policy through their speeches in the General Assembly Global Women Leaders will appeal to scholars of political communication and international rhetoric

Revolutionary Women Queen of the Neighbourhood,2010-11-01 A radical feminist history and street art resource for inspired readers This book combines short biographies with striking and usable stencil images of thirty women activists

anarchists feminists freedom fighters and visionaries It offers a subversive portrait history which refuses to belittle the military prowess and revolutionary drive of women whose violent resolves often shatter the archetype of woman as nurturer It is also a celebration of some extremely brave women who have spent their lives fighting for what they believe in and rallying supporters in climates where a woman s authority is never taken as seriously as a man s The text also shares some of each woman s ideologies philosophies struggles and quiet humanity with quotes from their writings or speeches The women featured are Harriet Tubman Louise Michel Vera Zasulich Emma Goldman Qiu Jin Nora Connolly O'Brien Lucia Sanchez Saornil Angela Davis Leila Khaled Comandante Ramona Phoolan Devi Ani Pachen Anna Mae Aquash Hannie Schaft Rosa Luxemburg Brigitte Mohnhaupt Lolita Lebron Djamila Bouhired Malalai Joya Vandana Shiva Olive Morris Assata Shakur Sylvia Rivera Hayd e Santamar a Marie Equi Mother Jones Doria Shafik Ondina Peteani Whina Cooper and Lucy Parsons
