Jeffery Renard Allen's stunning short story collection is a place like no other. A recognizable city certainly, but one in which a man might sprout wings or copper pennies might fall from the skies onto your head. Yet these are no fairy tales. The hostility, the hurt, is all too human. The protagonists circle each other with steely determination: a grandson taunts his grandmother determined to expose her secret past; for years a sister tries to keep a menacing neighbor away from her brother; and in the local police station an officer and prisoner try to break each other's resolve. In all the stories Allen calibrates the mounting tension with exquisite timing in mesmerizing prose that has won him comparisons with Joyce and Faulkner. *Holding Pattern* is a captivating collection by a prodigiously talented writer.

Bitches on a Budget Rosalyn Hoffman, 2009-12-29 A witty recession era guide to being thrifty while not forgoing the fabulous. Today's woman may have a dwindling stock portfolio but that shouldn't make her bite one well-manicured nail with worry. Rosalyn Hoffman dishes up the wisdom women need to get perfect style without busting what's left of their bank accounts. The author is a recession era fashion guru, travel agent, grooming consultant, therapist, sommelier, and life coach all rolled into one, and with this book vows no coupon clipping, Prada depriving, carb-hating, allowed. Because it doesn't take oodles of moola to live well, and that's one trend that will never go out of style.
