My Avant Garde Education A Memoir:

My Avant-Garde Education: A Memoir Bernard Cooper, 2015-02-16 A wry and beautifully observed memoir about coming of age in the era of conceptual art Growing up in the suburbs confused about his sexuality about his consumer oriented world about the death of his older brother Bernard Cooper falls in love with Pop art and sets off for the California Institute of the Arts the center of the burgeoning field of conceptual art in this beguiling memoir The most famous and infamous artists of the time drift through the place including Allan Kaprow and John Baldessari not to mention the student who phones the Identi Kit division of the Los Angeles Police Department and has them make a composite drawing of the Mona Lisa My Avant Garde Education is at once an artist s coming of age story and a personal chronicle of the era of conceptual art from a writer of uncommon subtlety and nuance David Ulin Los Angeles Times It is a record of the wonders and follies of a certain era in art history always aware that awakening to art is for a young person inseparable from awakening to the ever shifting nature of the self

A Memoir of an Educational Biographer Gerald L. Gutek, 2024-09-01 In his interdisciplinary memoir Gerald Gutek applies history and philosophy of education to educational biography The author was guided by his focusing goals of exploring his path to becoming an educational biographer and working generalizations with his colleagues in the field Gutek s narrative begins with the author s childhood experiences that inclined him to a career in education followed by chapters on his doctoral program in the College of Education at the University of Illinois in Champaign Urbana his teaching of history and philosophy and education in the School of Education at Loyola University Chicago his research and writing of biographies of Johann Heinrich Pestalozzi and Joseph Neef and his textbook Historical and Philosophical Foundations of Education a Biographical Introduction and issues and strategies in writing about Maria Montessori Throughout the book Gutek analyzes concepts and applications he developed as an educational biographer such as parallel biographies slice of life writing reconsidering overlooked and understudied educators and the role of place and space in telling life stories

ENDORSEMENTS Readers both new to educational biography or familiar with the discipline will find a valuable account of the author s long and varied career as a biographer From his childhood memory of listening to neighbors stories in his grandfather s grocery store to encounters with the important teachers in his life Gutek brings his own story to life As he recounts the influences on his personal intellectual history and the processes of his research and writing readers gain valuable insights into the methods of an experienced educational biographer Larry Prochner University of Alberta For fifty years Gerald Gutek has been and remains one of the seminal and leading voices in the field of educational biography thus it only makes sense for him to create something new an intellectual memoir From his work on Counts in 1970 to his work on Montessori 2016 and her acolytes in the US 2020 Gutek has reliably bridged the worlds of educational history educational biography and philosophical foundations of education this work cements his legacy Gutek skillfully interweaves personal and family history with movements in educational history both formal and informal then explains how these

impacted his thinking and writing Throughout this eminently readable memoir Gutek also includes political and historical context without engaging in divisiveness Scholars of life writing should give this a close reading as Gutek sprinkles nuggets of methodological brilliance throughout the manuscript Junior scholars would do well to read Gutek's more substantive sections on the methods used to write each of his books it is the academic equivalent of Master Class in textual form Ed Janak University of Toledo

Hope in the Struggle Josie R. Johnson, Arleta Little, Carolyn Holbrook, 2019-03-26 How a Black woman from Texas became one of the most well known civil rights activists in Minnesota detailing seven remarkable decades of fighting for fairness in voting housing education and employment Why do you continue to work on issues of justice young Black people ask Josie Johnson today then perhaps in the same breath How do you maintain hope This book a lifetime in the making is Josie's answer A memoir about shouldering the cause of social justice during the darkest hours and brightest moments for civil rights in America and specifically in Minnesota Hope in the Struggle shines light on the difference one person can make For Josie Johnson this has meant making a difference as a Black woman in one of the nation's whitest states Josie's story begins in a tight knit community in Texas where the unfairness of the segregated South so antithetical to the values she learned at home sharpened a sense of justice that guides her to this day From the age of fourteen when she went door to door with her father in Houston to campaign against the Poll Tax to the moment in 2008 when as a delegate at the Democratic National Convention she cast her vote for Barack Obama for president she has been at the forefront of the politics of civil rights Her memoir offers a close up picture of what that struggle has entailed whether working as a community organizer for the Minneapolis Urban League or lobbying for fair housing and employment laws investigating civil rights abuses or co chairing the Minnesota delegation to the March on Washington becoming the first African American to serve on the University of Minnesota's Board of Regents or creating the university's Office of the Associate Vice President for Academic Affairs with a focus on minority affairs and diversity An intimate view of

civil rights history in the making Hope in the Struggle is a uniquely inspiring life story for these current dark and divisive times a testament to how one determined soul can make the world a better place
