Veronique I try to look away I try not to fantasize about my stepbrother his smile his abs his c c k This day could not get any more surreal Yesterday I was at my full ride music conservatory in Philadelphia working hard and minding my own business Today I'm somehow in the most exotic expensive private island resort in the world and REMINGTON WILDE is standing in front of me Remington Wilde the sex god from the cover of Vogue named People's Sexiest Man Alive and Men's Health's Hottest Bod in the Universe He's the World's Most Eligible Bachelor now that Prince William got married Bad boy Billionaire Business tycoon And get this he's my brand new surprise stepbrother I could deal with his relentlessly hot body his smoldering eyes his mocking grin and the chills that shoot down

my spine when he stands just barely too close to me But I can't stand his cocky attitude and self absorbed personality or the way he treats me like shit The fact is we just met and Remington Wilde already hates my guts It doesn't help that my family's entire future suddenly depends on his whims He's a spoiled arrogant jerk and yet I've somehow got to change his mind about ruining my father's life all without tumbling into his bed My entire future is in jeopardy and I know it's going to be a rough ride Because there are some men a girl just can't say no to And my stepbrother is definitely their king Remington Wilde What has gotten into me Ever since I met my new stepsister it's like I've lost all sense of control and devolved into a punch drunk sex maniac desperate for a taste of that hot sticky honey only she could give me hungry for one particular flavor that's rare and forbidden and completely out of my usual taste For as long as I can remember sex was easy as 1 2 3 I'm rich I'm hot and I know it So I always get what I want I'm just better at the game than anybody else Except with Veronique What is it about her How did she come out of nowhere and turn my entire perfect world upside down Her and her father are ruining my family's reputation I have to put a stop to this and get rid of them But all I can think about is getting her alone and naked And it's the worst idea ever Because I need to get rid of her and her Dad to protect my family's legacy and keep this secret stupid new marriage out of the spotlight No matter what I'm going to end my mother's foolish marriage to Veronique's dad and get this hot mysterious dangerous woman the hell away from me But we've already made a few mistakes and now I have a feeling she's keeping a secret that's going to ruin both our lives
