Peter Kennard Peter Kennard, 2019-08-20 This fully illustrated anthology showcases key images from Peter Kennard's work as Britain's foremost political artist over the last fifty years. The book centres around Kennard's images, photomontages and illustrations from protests year by year which provoked public outrage including Israel/Palestine protests, anti-nuclear protests, responses to austerity, climate destruction and more. Each image is accompanied by captions detailing not only the events in question but Kennard's approach to the work including the genesis of the images and the techniques employed. Ultimately, the book highlights Kennard's extraordinary contribution to political art in the twenty-first century. **The British Journal of Photography** William Crookes, T.A. Future North Janike Kampevd Larsen, Peter Hemmersam, 2018-04-09 The changing Arctic is of broad political concern and is being studied across many fields. This book investigates ongoing changes in the Arctic from a landscape perspective. It examines settlements and territories of the Barents Sea Coast, Northern Norway, the Russian Kola Peninsula, Svalbard and Greenland from an interdisciplinary design-based and future-oriented perspective. The Future North project has travelled Arctic regions since 2012, mapped landscapes and settlements, documented stories and practices, and discussed possible futures with local actors. Reflecting the multidisciplinary nature of the project, the authors in this book look at political and economic strategies, urban development, land use strategies and local initiatives in specific locations that are subject to different forces of change. This book explores
