colleges and four year colleges easy to search alphabetically American Universities and Colleges Praeger
Publishers,2010-04-16 For well over a half century American Universities and Colleges has been the most comprehensive and
highly respected directory of four year institutions of higher education in the United States A two volume set that Choice
magazine hailed as a most important resource in its November 2006 issue this revised edition features the most up to date
statistical data available to guide students in making a smart yet practical decision in choosing the university or college of
their dreams In addition the set serves as an indispensable reference source for parents college advisors educators and
public academic and high school librarians These two volumes provide extensive information on 1 900 institutions of higher
education including all accredited colleges and universities that offer at least the baccalaureate degree This essential
resource offers pertinent statistical data on such topics as tuition room and board admission requirements financial aid
enrollments student life library holdings accelerated and study abroad programs departments and teaching staff buildings
and grounds and degrees conferred Volume two of the set provides four indexes including an institutional Index a subject
accreditation index a levels of degrees offered index and a tabular index of summary data by state These helpful indexes
allow readers to find information easily and to make comparisons among institutions effectively Also contained within the
text are charts and tables that provide easy access to comparative data on relevant topics **Digest of Education**
Statistics ,2007 The Journal of the American Medical Association ,1901
