David Hunger,2002-05-15 **Consumer Behavior in Action** Geoffrey Paul Lantos,2015-01-28 Consumer Behavior in Action is a down to earth highly engaging and thorough introduction to consumer behavior It goes further than other consumer behavior textbooks to generate student interest and activity through extensive use of in class and written applications exercises Each chapter presents several exercises in self contained units each with its

own applications Learning objectives background and context are provided in an easy to digest format with liberal use of lists and bullet points Also included in each chapter are a key concepts list review questions and a solid summary to help initiate further student research The author s practical focus and clear conversational writing style combined with an active learning approach make this textbook the student friendly choice for courses on consumer behavior [Pretend We're Dead](#) Tanya Pearson,2025-01-28 A refreshing and much needed contribution to the male dominated history of rock n roll Kirkus Reviews From the founder of the Women of Rock Oral History Project an exploration of women in the 90s rock scene featuring original interviews with Liz Phair Shirley Manson Kristin Hersh Donita Sparks Tanya Donnelly members of Hole Luscious Jackson Veruca Salt Babes in Toyland and more In 2018 during an interview with journalist Tanya Pearson Shirley Manson lamented It s a blanket fact that after September 11th nonconformist women were taken off the radio This comment echoed a reality Pearson had personally witnessed as a musician and a fan and launched her into a quest to figure out just what happened to these extraordinary female figures PRETEND WE RE DEAD seeks to answer two big questions First where did all these wildly different politically conscious and supremely talented women in rock come from in the 1990s And second after their unprecedented breakout why did they vanish from the mainstream by the early aughts Along with analysis and narrative PRETEND WE RE DEAD is built on exclusive interviews with the unfiltered voices of legends including Shirley Manson Melissa Auf der Maur Patty Schemel Kate Schellenbach Nina Gordon Louise Post Josephine Wiggs Tanya Donnelly Kristin Hersh Tracy Bonham Donita Sparks Liz Phair Zia McCabe Tracy Bonham Lori Barbero Josephine Wiggs and Jill Emery Through thought provoking conversations these women explore how they fell in love with music and started bands fought labels their coverage in the media and sexism and wrote deeply political and feminist music Readers also learn about the effects of Woodstock 99 the corporatization of the music industry the rise of Clear Channel and its ties to the Bush administration and finally the nationalist sentiment after 9 11 While sonically diverse these musicians all wrote fierce socially conscious feminist lyrics and PRETEND WE RE DEAD commemorates and celebrates the overlooked contributions of true trailblazers [Live from the Underground](#) Katherine Rye Jewell,2023-12-05 Bands like R E M U2 Public Enemy and Nirvana found success as darlings of college radio but the extraordinary influence of these stations and their DJs on musical culture since the 1970s was anything but inevitable As media deregulation and political conflict over obscenity and censorship transformed the business and politics of culture students and community DJs turned to college radio to defy the mainstream and they ended up disrupting popular music and commercial radio in the process In this first history of US college radio Katherine Rye Jewell reveals that these eclectic stations in major cities and college towns across the United States owed their collective cultural power to the politics of higher education as much as they did to upstart bohemian music scenes coast to coast Jewell uncovers how battles to control college radio were about more than music they were an influential if unexpected front in the nation s culture wars These battles created unintended consequences and overlooked contributions to popular

culture that students DJs and listeners never anticipated More than an ode to beloved stations this book will resonate with both music fans and observers of the politics of culture

Appetite for Self-Destruction Steve Knopper,2009-01-06 For the first time Appetite for Self Destruction recounts the epic story of the precipitous rise and fall of the recording industry over the past three decades when the incredible success of the CD turned the music business into one of the most glamorous high profile industries in the world and the advent of file sharing brought it to its knees In a comprehensive fast paced account full of larger than life personalities Rolling Stone contributing editor Steve Knopper shows that after the incredible wealth and excess of the 80s and 90s Sony Warner and the other big players brought about their own downfall through years of denial and bad decisions in the face of dramatic advances in technology Big Music has been asleep at the wheel ever since Napster revolutionized the way music was distributed in the 1990s Now because powerful people like Doug Morris and Tommy

Mottola failed to recognize the incredible potential of file sharing technology the labels are in danger of becoming completely obsolete Knopper who has been writing about the industry for more than ten years has unparalleled access to those intimately involved in the music world s highs and lows Based on interviews with more than two hundred music industry sources from Warner Music chairman Edgar Bronfman Jr to renegade Napster creator Shawn Fanning Knopper is the first to offer such a detailed and sweeping contemporary history of the industry s wild ride through the past three decades From the birth of the compact disc through the explosion of CD sales in the 80s and 90s the emergence of Napster and the secret talks that led to iTunes to the current collapse of the industry as CD sales plummet Knopper takes us inside the boardrooms recording studios private estates garage computer labs company jets corporate infighting and secret deals of the big names and behind the scenes players who made it all happen With unforgettable portraits of the music world s mighty and formerly mighty detailed accounts of both brilliant and stupid ideas brought to fruition or left on the cutting room floor the dish on backroom schemes negotiations and brawls and several previously unreported stories *Appetite for Self Destruction* is a riveting informative and highly entertaining read It offers a broad perspective on the current state of Big Music how it got into these dire straits and where it s going from here and a cautionary tale for the digital age Billboard ,1996-03-30 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Communication Arts* ,2007 *SPIN* ,2006-08 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks
