## **Newkosher Jewish Vegan Cookbook:**

Beyond Chopped Liver Kenden Alford, 2021-02-23 Don't you think it is about time Jewish food's greatest hits received a makeover? Beyond Chopped Liver shares new and better ways to enjoy quintessentially Jewish food with delicious plant-based recipes from challah to matzo ball soup.

**Jewish Veganism and Vegetarianism** Jacob Ari Labendz, Shmuly Yanklowitz, 2019-03-25 A multidisciplinary approach to the study of veganism, vegetarianism, and meat avoidance among Jews, both historical and contemporary. In recent decades, as more Jews have adopted plant-based lifestyles, Jewish vegan and vegetarian movements have become increasingly prominent. This book explores the intellectual, religious, and historical roots of veganism and vegetarianism among Jews and presents compelling new directions in Jewish thought, ethics, and foodways. The contributors, including scholars, rabbis, and activists, explore how Judaism has inspired Jews to eschew animal products and how such choices, even when not directly inspired by Judaism, have enriched and helped define Jewishness. Individually and as a collection, the chapters in this book provide an opportunity to meditate on what may make veganism and vegetarianism particularly Jewish, as well as the potential distinctiveness of Jewish veganism and vegetarianism. The authors also examine the connections between Jewish veganism and vegetarianism and other movements, while calling attention to divisions among Jewish vegans and vegetarians, to the specific challenges of fusing Jewishness and a plant-based lifestyle, and to the resistance Jewish vegans and vegetarians can face from parts of the Jewish community. The book's various perspectives represent the cultural, theological, and ideological diversity among Jews invested in such conversations and introduce prominent debates within their movements. Whether looking at the pages of the Talmud, vegetarian poems written in Yiddish lyrics written by Jewish punk rockers, or into a pot of vegan matzo ball soup, this book explores the many ways in which Jews have questioned the ethics of eating animals. Labendz and Yanklowitz achieve their stated goal of exploring what distinguishes Jewish veganism and vegetarianism as Jewish. You do not have to be a vegetarian or a vegan or Jewish in order to learn from and indeed grapple with the many questions, dilemmas, and readings that the contributors raise.

Jordan D. Rosenblum, author of *The Jewish Dietary Laws in the Ancient World*, *Jewish Veganism and Vegetarianism* offers theological, pragmatic, ethical, environmental, and other ways to view non-meat eating as a viable, healthy, and holy Judaic strategy to consume the world. Anyone who eats or thinks about eating should take this volume seriously.

Rabbi Jonathan K. Crane, author of *Eating Ethically: Religion and Science for a Better Diet From the Talmud's Ambivalence about Human and Animal Suffering*, to the challenges of making a vegan matzo ball. *Jewish Veganism and Vegetarianism* offers surprising views of the many ways Jewish practice, Jewish culture, and individual Jews acted and reacted in their encounters with a vegetable diet. This important and overdue book does much to introduce a long-neglected chapter of Jewish culinary practice and to inspire and instruct future research.

Eve Jochnowitz, cotranslator of Fania Lewando's *The Vilna Vegetarian Cookbook: Garden Fresh Recipes Rediscovered and Adapted for Today's Kitchen*, , **The Ultimate Cheesecake Cookbook** Michael

Leventhal,2025-05-20 Simple to make and delicious cheesecakes are among the oldest desserts in the world Discover 66 irresistible recipes from around the globe with this unique collection by some of the best known chefs and cookery writers as well as tried and tested family recipes Highlights include classics such as Mary Berry s chocolate truffle cheesecake Ravneet Gill s Basque cheesecake and Mark Hix s borset blueberry ricotta and cobnut cheesecake The book also features a foreword by acclaimed food writer Giles Coren and a brief history of cheesecakes and insights into the important role cheese has played in Jewish culture through the centuries Illustrated with stunning photography this is the perfect book for cheesecake fans or anyone who enjoys trying new and unusual flavours Whether you prefer your cheesecake baked or unbaked rich and chocolatey or tangy and fruity sweet or savoury simple and refined or with toppings piled high there s something here for everyone The Essential Cheesecake Cookbook is published in conjunction with the British Jewish charity Chai Cancer Care and 100% of royalties will support their work
