Les Misérables Victor Hugo, 2024-07-08 In 1815 M Charles Francois Bienvenu Myriel was Bishop of D He was an old man of about seventy five years of age he had occupied the see of D since 1806 Although this detail has no connection whatever with the real substance of what we are about to relate it will not be superfluous if merely for the sake of exactness in all points to mention here the various rumors and remarks which had been in circulation about him from the very moment when he arrived in the diocese True or false that which is said of men often occupies as important a place in their lives and above all in their destinies as that which they do M Myriel was the son of a councillor of the Parliament of Aix hence he belonged to the nobility of the bar It was said that his father destining him to be the heir of his own post had married him at a very early age eighteen or twenty in accordance with a custom which is rather widely prevalent in parliamentary families In spite of this marriage however it was said that Charles Myriel created a great deal of talk He was well formed though rather short in stature elegant graceful intelligent the whole of the first portion of his life had been devoted to the world and to gallantry The Revolution came events succeeded each other with precipitation the parliamentary families decimated pursued hunted down were dispersed M Charles Myriel emigrated to Italy at the very beginning of the Revolution There his wife died of a malady of the chest from which she had long suffered He had no children What took place next in the fate of M Myriel

Les Misérables Victor Hugo, 2019-08-15T21:23:54Z Les Misérables by Victor Hugo has been described as one of literature's greatest novels The first two volumes were published in French in March 1862 and translated into English later the same year Since then it has been translated by numerous others and has been adapted for film television radio animation and the stage This epic novel tells the story of Jean Valjean an ex convict who is attempting to escape from his past Newly released from the galley ships Jean Valjean steals the silverware from the bishop who has taken him in for the night When he is captured the bishop urges him to use the silver to become an

honest citizen Valjean becomes a wealthy man owner of a factory and mayor of his town but his past is only a footstep away in the form of Javert Inspector of Police who recognises Valjean from his time as a guard A factory worker who has been dismissed from Valjean's employment is sentenced to six months imprisonment but ends up dying in the town's hospital and Valjean feels responsible for the downward spiral of her life so rescues her child Cosette from the corrupt inn keepers with whom her mother had left her The rest of the novel tells the stories of Valjean Cosette and other characters which intertwine with each other Hugo also included a number of digressions on subjects including cloistered religious orders the use of slang language and most significantly the battle of Waterloo The book was highly anticipated in 1862 having been advertised from as early as 1860 Hugo did not allow the publishers to summarise the story in advance surely because any summary could not do a novel of this length any justice This book is part of the Standard Ebooks project which produces free public domain ebooks

Edo's Souls Stella Gaitano, 2025-06-01 *Edo's Souls* is a compelling multi generational epic that sees the three main characters trapped in a nation gripped by the terrors of civil war forcing each one to confront their past selves and to resolve what is most important to them love family or country When a young Lucy Eghino who is coming of age in a 1970s village in southern Sudan is beset by rumours of approaching violence she has no choice but to flee first to Juba then northwards to Khartoum Marco a gentle young father wages a daily battle to keep his family together while avoiding friction with any northerners Peter a soldier unsure of where his loyalties lie is forced to carry out night raids searching for bands of rebels This is apparently the first novel from South Sudan to be translated into English and a very fine novel it is This is quite a complicated novel We are dealing with the Sudan Civil War and the differences between the South and the North We follow the stories of several interrelated characters whose relationships with one another are not always smooth Peter and his foster family for example clash more than once We see feminist issues as being key particularly though certainly not only as regards the role of women in Muslim society We also learn a lot about the culture of the two Sudans Gaitano tells her story very well and a complex well written novel from South Sudan is most welcome John Alvey in *The Modern Novel* Stella Gaitano's debut novel *Edo's Souls* set between Sudan and South Sudan stages an epic battle between the forces of Motherhood and Death Now available in Sawad Hussain's excellent English translation *Edo's Souls* follows Gaitano's two striking short story collections and is filled with the same sensory intensity as her short works Marcia Lynx Qualey in *Qantara* This was a complete joy to read A warm delightful novel that bursts frequently into the most searing unique and audacious images Leila Aboulela *Pelle the Conqueror* Martin Andersen Nexø, 2021-07-07T22:51:27Z *Pelle* is still just a young boy when his father decides to move them from Sweden to the Danish island of Bornholm in search of riches Those riches of course being nonexistent they fall into the life of farm laborers As *Pelle* grows up among the other lowly and poor residents of the island their cares and worries seep into him and he finds himself part of a greater struggle for their dignity *Pelle the Conqueror* has been compared to Victor Hugo's *Les Misérables* in its themes and scope Nexø had become involved in
