sky that they were left bereft of **Letters from a Broken Heart** Juliana Alano,2016-02-21 Inspired by William Shakespeare's The Sonnets Poems of Love Letters is a modern day collection of poems about heartache As the author believes that pain and despair are inevitable in experiencing true love twelve letters have been written to worthy recipients of pure unadulterated passion fondness desire yearning and infatuation Each feeling synonymous with love is of so much value to her it bled onto paper and therefore permanently marked her heart Perhaps it might mark yours too For we are all givers of love love we are not capable of taking back but perhaps may bury in a letter a letter not only of words but of time feelings energy gashes wounds hope and lack thereof These letters are a sealing of both memories and a lifetime of love These are letters from a broken heart **Love Always, A Broken Heart** Blair Fasan,2020-07-17 open my vessel exposing myself to all in hopes that one will be liberated why i write This book was created because it was exactly what I needed in my moments of self reflections dealing with past traumas remembering precious past memories and when I needed a different outlook on life or a situation This is an amazing 3 in 1 book It is filled with raw poetry illustrations that are hand to be used as a form of art therapy and meditation along with self reflection journal pages with prompts to assist you with finding yourself Love Always, A Broken Heart Blair THE WOMAN IN A MASK Fasan,2020-07-17 **Dear World** Amber Cole,2019-06-05 What if a simple conversation with a stranger on a plane was a sign to completely change your life What would change in yourself if you let go of everything you knew and decided to live out of a tent What if a retired woman living out of an RV with her husband changed the way you saw the world with the simple act of loaning you a chair for a night What if you lost every sense of yourself and then found it again lost somewhere in the middle of the desert What if in the middle of being helpless you somehow find your power That's what happened to me I left everything behind to travel the country with my rescue puppy and a tent I didn't know where I was going or what would happen or the impact that several strangers along the way would have on my journey and my heart This is the story of how I found myself in the middle of getting lost

Letters From Abroad to Kindred at Home, Vol. 1 of 2 (Classic Reprint) Catharine Maria Sedgwick,2016-07-15 Excerpt from Letters From Abroad to Kindred at Home Vol 1 of 2 I was aware that our stayers at home had already something too much of churches statues and pictures and yet that they cannot well imagine how much they make up the existence of tourists in the Old World I have sedulously avoided this rock and must trust for any little interest my book may possess to the honesty with which I have recorded my impressions and to the fresh aspect of familiar things to the eye of a denizen of the New World The fragmentary state in which my letters appear is owing to my fear of wearying readers less interested than my own family by prolonged details or prosing reflections or disgusting them with the egotism of personal experience About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an
