Municipal Finances A Handbook For Local Governments:

Municipal Finances Catherine D. Farvacque-Vitkovic, Mihaly Kopanyi, 2014-06-27 This book tells a fascinating story on municipal finances for local government practitioners with rich examples global practices and good and bad experiences the authors gained in decades of field work *Municipal Finances* Catherine D Farvacque-Vitkovic, Mihaly Kopanyi, 2014-08-01 The Municipal Finance Handbook aims to help local government practitioners particularly staff of medium and large cities improve strategic management of municipal finances The demands for pragmatic knowledge are fueled in part by decentralization and fiscal pressures as transfer of responsibilities from central to local governments are not often accompanied with an adequate transfer of resources Practitioners seek ideas and tools to control expenditures strengthen revenues as well as to tap large external funds achieve creditworthiness and adopt good borrowing practices Advocating sound municipal management based on improved governance and enhanced accountability this handbook provides a comprehensive picture of municipal finances with a broad scope The eight chapters cover such topics as fiscal decentralization and intergovernmental finances management of metropolises instruments of good financial management management of revenues expenditures assets and external resources and performance measurement Focusing on the perspectives of local officers this handbook combines theory pragmatic how to advice best practices from global experiences and possible solutions *Handbook of Local Government Fiscal Health* Helisse Levine, Jonathan B. Justice, Eric Anthony Scorsone, 2012 Fiscal health of local governments and municipalities has remained an important issue since the crises of the 1970s in places like New York Philadelphia and Cleveland More recently the bankruptcy of Orange County California raised the possibility of a different type of financial failure than earlier ones The beginning of the 21st century has witnessed two major economic bubbles including the dotcom and housing bubbles These economic cycles combined with increasing health care pension and other structural costs continue to challenge the fiscal viability of many jurisdictions In particular the economic and financial crisis of 2007 2008 is likely to result in potentially serious fiscal challenges for local jurisdictions

Research Handbook on City and Municipal Finance Craig L. Johnson, Tima M. Moldogaziev, Justin M. Ross, 2023-09-06 This timely Research Handbook explores the handling of city and municipal finances in the 21st century It examines the impact of the Great Recession and COVID 19 pandemic on cities and municipalities highlighting strengths weaknesses and avenues for future progress in city and municipal financial management Better Cities, Better World Catherine Farvacque-Vitkovic, Mihaly Kopanyi, 2019-07-30 The planet is becoming increasingly urban In many ways the urbanization wave and the unprecedented urban growth of the past 20 years have created a sense of urgency and an impetus for change Some 54 percent of the world population 3.9 billion people lives in urban areas today thus it has become clear that business as usual is no longer possible This new configuration places great expectations on local governments While central governments are subject to instability and political changes local governments are seen as more inclined to stay the

course Because they are closer to the people the voice of the people is more clearly heard for a truly democratic debate over the choice of neighborhood investments and city wide policies and programs as well as the decision process on the use of public funds and taxpayers money In a context of skewed financial resources and complex urban challenges which range from the provision of basic traditional municipal services to the newer agenda of social inclusion economic development city branding emergency response smart technologies and green investment more cities are searching for more effective and innovative ways to deal with new and old problems Better Cities Better World A Handbook on Local Governments Self Assessments is at the heart of this debate It recognizes the complex past current and future challenges that cities face and outlines a bottom line no nonsense framework for data based policy dialogue and action a common language that for the first time helps connect the dots between public investments programming Urban Audit Self Assessment and financing Municipal Finances Self Assessment It helps address two key questions too often bypassed when it comes to municipal infrastructure and services financing Are we doing the right things Are we doing things right Better Cities Better World A Handbook on Local Governments Self Assessments offers a bit of everything for everyone Central governments will be attracted by the purposefulness and clarity of these tools their impact on local government capacity and performance building and how they improve the implementation of transformative actions for policy change City leaders and policy makers will find the sections on objectives and content instructive and informative with each issue placed in its context and strong connections between data and municipal action Municipal staff in charge of day to day management will find that the sections on tasks and the detailed step by step walk through the process give them the pragmatic knowhow that they need Cities partners such as bilateral and multilateral agencies banks and funds utility companies civil society and private operators will find the foundations for more effective collaborative partnerships
