**Pike County** Rachel McDaniel, 2011 Nestled between the Pine Mountains and plentiful Flint River Pike County and its county seat were named after army general and adventurer Zebulon Pike Early settlers as adventurous and independent as the county's famed namesake explorer built homes and raised families extending for generations in the gently rolling acres of central Georgia Many residents became well known across the state Austin Dabney freed slave and Revolutionary War hero supported the white family who nursed him to health after a crippling battle wound Journalist Jacques Jackie Futrelle became a famous novelist and playwright before losing his life on the Titanic After training World War I pilots early aviator Doug Davis returned home to build the first hangar at Atlanta's airport to make countless barnstorming trips and to win early racing and aerobatic competitions Generations of men and women raised families and worked in the fields orchards turkey farms country groceries and busy canneries cotton gins and packing plants Some served in the military or carried on family traditions like the Jugtown potters From Indian trails stagecoach stops and train depots to paved highways and Zebulon's Crazy Eight Track Pike County's history is quite a journey

**Coweta County: A Brief History** W. Jeff Bishop, 2017 Over two centuries Coweta County has been home to diverse residents who mastered the art of reinventing the county Initially home to Creek Muscogee Native Americans subsequent settlers ushered in an era of plantations slavery and textile manufacturing By 1851 the new Atlanta and LaGrange Railroad increased traffic locally The new railroad contributed to Newnan becoming a major healthcare hub during the Civil War home to seven hospitals Coweta County maintains its status as a major healthcare destination today with the establishment of Cancer Treatment Centers of America's southeast regional hospital in Newnan The county is now also known worldwide as the backdrop for major television productions like The Walking Dead and films like The Hunger Games Mockingjay Author and historian W. Jeff Bishop details Coweta County's history of transformation

**No-Body Homicides** Mark Stobbe, 2023-05-05 No Body Homicides The Evolution of Investigation and Prosecution examines how police and prosecutors have become more successful in obtaining convictions for homicide when the remains of the victim are unavailable as evidence Based on an examination of over 600 cases in the United States and Canada this book shows the length some killers will go to avoid punishment and the determination of police and prosecutors to bring them to justice For over 300 years murderers in the United States and Canada could avoid prosecution by successfully disposing of the body of their victim No

Body Homicides provides the reader with a historical overview of prosecutions in which a killer destroyed or hid the body of the victim. It explains why prosecutions were once extremely rare and how legal attitudinal and technical changes have made them more common. The book also explores how the logic of no body homicide prosecutions differs from body present homicides. It allows police and prosecutors to draw on the accumulated experience of hundreds of prosecutions. For criminology students, it provides fascinating insights into the process of investigating and prosecuting homicides as well as a glimpse into the motivations and practices of killers who are so determined to avoid punishment that they remove the bodies of their victims. No Body Homicides will be of practical interest to police or prosecutors confronted with a missing person's case that could be sinister. It is also written to be appropriate as a supplementary text in an undergraduate criminology class or for an aficionado of True Crime.

Encyclopedia of Television Film Directors Jerry Roberts, 2009-06-05 From live productions of the 1950s like *Requiem for a Heavyweight* to big budget mini series like *Band of Brothers*, long form television programs have been helmed by some of the most creative and accomplished names in directing. *Encyclopedia of Television Film Directors* brings attention to the directors of these productions, citing every director of stand alone long form television programs, made for TV movies, movie length pilots, mini series, and feature length anthology programs, as well as drama, comedy, and musical specials of more than 60 minutes. Each of the nearly 2,000 entries provides a brief career sketch of the director, his or her notable works, awards, and a filmography. Many entries also provide brief discussions of key shows, movies, and other productions. Appendixes include Emmy Awards, DGA Awards, and other accolades, as well as a list of anthology programs. A much needed reference that celebrates these often neglected artists, *Encyclopedia of Television Film Directors* is an indispensable resource for anyone interested in the history of the medium.

Explorer's Guide Atlanta Carol Thalimer, Dan Thalimer, 2008-02-26 A resource for travelers, features tips on dining, lodging, transportation, shopping, recreational activities, landmarks, and cultural opportunities.

The Tragedy and the Triumph of Phenix City, Alabama Margaret Anne Barnes, 1998 Writer Barnes tells the story of a corrupt crime ridden city, examining events that unfolded during 1916-1955. Phenix City had been a 19th century refuge from law enforcement for 120 years until three men in succession challenged the status quo. To reconstruct the story, the author draws on notes and private papers of the principals and investigators, depositions, trial transcripts, and court records, daily newspaper coverage, and transcripts of wire tapped recordings of the city's gamblers and politicians.
