Murder In The Telephone Exchange:

Murder in the Telephone Exchange June Wright, 2014-06-10 First published in 1948 when it was the best selling mystery of the year in the author's native Australia Murder in the Telephone Exchange stars feisty young operator Maggie Byrnes When one of her more unpopular colleagues is murdered her head bashed in with a buttinsky a piece of equipment used to listen in on phone calls Maggie resolves to turn sleuth Some of her coworkers are acting strangely and Maggie is convinced she has a better chance of figuring out who is responsible for the killing than the rather stolid police team assigned to the case who seem to think she herself might have had something to do with it But then one of her friends is murdered too and it looks like Maggie might be next Narrated with verve and wit this is a whodunit in the tradition of Dorothy L Sayers and Daphne du Maurier by turns entertaining and suspenseful and building to a gripping climax

Australian Crime Fiction Stephen Knight, 2018-07-10 Australian crime fiction has grown from the country's origins as an 18th century English prison colony Early stories focused on escaped convicts becoming heroic bush rangers or how the system mistreated those who were wrongfully convicted Later came thrillers about wealthy free settlers and lawless gold seekers and urban crime fiction including Fergus Hume's 1887 international best seller The Mystery of a Hansom Cab set in Melbourne The 1980s saw a surge of private eye thrillers popular in a society skeptical of police Twenty first century authors have focused on policemen and increasingly policewomen and finally indigenous crime narratives The author explores in detail this rich but little known national subgenre **Clues: A Journal of Detection, Vol. 34, No. 2 (Fall 2016)** Elizabeth Foxwell, 2016-09-20 For over two decades Clues has included the best scholarship on mystery and detective fiction With a combination of academic essays and nonfiction book reviews it covers all aspects of mystery and detective fiction material in print television and movies As the only American scholarly journal on mystery fiction Clues is essential reading for literature and film students and researchers popular culture aficionados librarians and mystery authors fans and critics around the globe

So Bad a Death June Wright, 2014-12-21 The return of Maggie Byrnes heroine of Murder in the Telephone Exchange Maggie is married now with a young son and living in an outer Melbourne suburb But violent death dogs her footsteps even in apparently tranquil Middleburn It's perhaps not that much of a surprise when widely disliked local bigwig James Holland who also happens to be Maggie's landlord is shot but Maggie suspects that someone is also trying to poison the infant who is his heir and turns sleuth once more to uncover the culprits First published in 1949 So Bad a Death is June Wright's second novel which she originally planned to call Who Would Murder a Baby Her publishers demurred but under any title it's a worthy sequel to Murder in the Telephone Exchange Novelist and crime fiction historian Lucy Sussex contributes an introduction to this reissue which also includes a fascinating interview she conducted with June Wright in 1996 *Victims & Villains* Derham Groves, 2009 A collection of projects by some University of Melbourne students involving dolls made up to look like victims and villains from Arthur Conan Doyle's books about Sherlock Holmes *I Killed Lincoln at*

10:13! Harry Stephen Keeler,2009 Murder!
