Vanished in Vincennes David Boyer,2019-08-08 Dolores Oliver fondly nick named Lert by her friends as a term of endearment was out an out going and friendly woman who was well liked by all who knew her Yet on September 7 1974 while on a visit to a local bar to chat

with friends she simply vanished without a trace Foul play was immediately suspected by her family who knew in their hearts that they could think of absolutely no one who would want to do her any harm Yet her lifeless body was found at the end of October in a bean field by a farmer in Illinois Lawrence County coroner Dale Nichols was able to make a positive ID through dental records and a ring Mrs Oliver was wearing Who would have done such a thing and why Hopefully VANISHED IN VINCENNES will help to finally solve one of the oldest cold cases in Indiana and bring her family some closure they have sought for so long Radio personality Paul Harvey once said If you want to get away with murder Just go to Vincennes Indiana Sadly in September of 1974 that comment rang true Everybody's Best Friend Ken Englade,1999-01-15 It seemed like the perfect crime The police inspected the house in the suburbs of Philadelphia finding no signs of break in or foul play The Rabinowitzes were a perfectly normal young family with no marital problems and an adorable toddler Even after Stefanie Rabinowitz 29 was found dead in the bathtub there was no indication to police or emergency room workers that it was anything but a tragic drowning accident But as the hours passed an accidental drowning turned into a calculated strangulation Craig Rabinowitz was no longer an ordinary salesman he was the ultimate con man killer fooling everyone in order to get insurance money Photo insert *Wasted* Linda Wolfe,2000-07 This is an Authors Guild BIP title Please use Author s Guild BIP specs text for author s bio box Linda Wolfe is a journalist and novelist who lives in New York text for book description box A New York Times Notable Book *Wasted* tells the true story behind New York s famed rough sex murder the killing of teenager Jennifer Levin by prep student Robert Chambers A delicious true crime book San Francisco Chronicle Chilling and taut Cosmopolitan Magazine A real page turner Mademoiselle Magazine **Staggered Paths** Steven Spingola,2017-06-16 The strange deaths of over two dozen young men in Wisconsin have led some to conclude a serial killer is lying in wait to lure inebriated victims to their deaths The vast majority of drowning victims pulled from rivers lake and streams drank to excess and often traveled alone as did a handful of other men who died in wooded areas Law enforcement professionals on the other hand emphatically state alcohol or drugs created a bizarre series of events that placed these men in harm s way In *Staggered paths* strange deaths in the Badger state retired Milwaukee Police Department Homicide Lieutenant Steven Spingola reviews each case in its totality page 4 of cover **Murder In Spokane** Mark Fuhrman,2002-04-30 True crime at its very best Building on his two previous Murder in bestsellers Mark Fuhrman turns his formidable detective skills to the apprehension and arrest of Robert L Yates Jr a serial killer responsible for the deaths of at least 23 women Written in the same fast paced style as *Murder in Brentwood* and *Murder in Greenwich* this is a shocking account of Fuhrman s investigation of the prostitutes deaths as he worked alongside the Spokane Task Force The serial killer preyed on prostitutes with drug problems He intentionally selected street people who would not be missed right away often women who were new to town The police seemingly put these murders on the back burner because the victims did not stir up public sentiment Only after the serial killer began to play with the police planting bodies for attention and escalating the

murders did intense effort go into the case Though the understaffed police force did catch the killer Fuhrman shows that their reliance on computers and on DNA test results from everyone they interviewed was slower than doing old fashioned gumshoe detective work With the clues they had Fuhrman writes the police could have made the arrest two years earlier saving the lives of at least nine women Prolific True Crime Of Murder Reena Beare,2021-06-18 In the 8th book in the series about the crime of Chris watts the end is drawing near but something is not right Let s learn about the facts in the testimonies In this book it was firmly established and reinforced that the scenario of the crime Chris Watts gave his interrogators during the Second Confession was a lie The Watts children weren t killed after Shan ann and they weren t murdered at the well site The murder was more calculated and cunning than Watts has let on It was premeditated Love's Blood Clark Howard,1994-08-15 When businessman Frank Columbo his wife Mary and their 13 year old son Michael were savagely murdered on their suburban Chicago home one thought raced through everyone s mind who would tell Patty But Patty already knew Led into an adult world of drugs and kinky sex parties by Frank DeLuca a married man twice her age the fifteen year old had become his sexual slave desperately blindly devoted to him when her parents divorced their daughter s shocking secret life her enraged father threatened to kill them both But the lovers struck first leaving a scene of appalling family carnage rowing into womanhood in a maximum security prison Patricia Ann Columbo has finally revealed to author Clark Howard what really happened that dark and fateful night From their intimate conversations come a chilling first hand view of cold blooded murder and a twisted love gone horribly wrong **Who Killed Chrissy?** Beverly Simcic,2012-10-19 A miracle a vision a premonition and an unsolved death in Las Vegas have hung in my memory like a broken antique for the last twenty four years of my life I ve had that long to think about the reason it all happened in the first place and why I was drawn to and ultimately placed in the old apartment building on Riverview Avenue in Pittsburgh If you believe that nothing happens by accident or if you have lost your faith this true story of fate and divine intervention will shed a bright light on all the possibilities I ve had this true story locked in my mind since June of 1982 I have never told this story to anyone for reasons of paralyzing fear and the fact that the murder has never been solved *Met Her on the Mountain* Mark I.
