Musings On Love A Tanka Collection:

Being in Love Judith Pickering, 2014-02-25 Finding true love is a journey of transformation obstructed by numerous psychological obstacles Being in Love expands the traditional field of psychoanalytic couple therapy and explores therapeutic methods of working through the obstacles leading to true love Becoming who we are is an inherently relational journey we uncover our truest nature and become most authentically real through the difficult and fearful yet transformative intersubjective crucibles of our intimate relationships In this book Judith Pickering draws comparisons between Bion's concept of becoming in O and being in love She searches for pathways that lead away from relational confusion towards the discovery of genuine transformational relationships and works towards finding better ways of relating to one another This is achieved by encouraging couples to enjoy the actual presence humanity otherness and particularity of each other rather than expecting a partner to conform to our own expectations projections desires and presuppositions Pickering draws on clinical material contemporary psychoanalysis cultural themes from the worlds of mythology and literature and a wealth of therapeutic techniques in this fresh approach to couple therapy Being in Love will therefore interest students and practitioners of psychoanalysis psychology and couple therapy as well as all of those seeking to be more authentic in their relationships

Stragging Into Winter Kathy Kituai, 2009-01-22 how truthful the trees outstretched and bare this winter no leaves to clothe them how honest your nakedness here beside me in old age A serene and very human voice emerges from a year long tanka journal in which the changing seasons reflect the poet's thoughts on illness love and world events The great delight of the tanka is the jewel like images it produces how a bowl captures moonlight willow twigs flaring at sunset a poet wandering into a fog pumpkin shoots playing checkers when the doorbell rings Poems that chronicle the progress of illness the black butterfly of cancer alternate with visiting wild birds and animals and moments of humour even in the hospital where crutches are stolen by hospital terrorists musings on the Israel Palestine tragedy and the nature of old age and love Kituai may be one of those rare writers who reject the idea that illness and death are things that have to be worked through and then left behind rather by beginning and ending with winter she suggests death and loss are where we begin and what we work towards There's peace in that thought

Montemora, 1978 **Songs Before Dawn** Adonna Marie Gipe, 2017-11-09 There is a place where love walks hand in hand with poetry and melodies of song It is a sunlit stretch of golden sand where only gentle hearts in love belong Adonna Marie Gipe Adonna Marie Gipe is a passionate poet whose writings reflect her love of God nature family and friends the creative life and the electrifying joy of loving others In this varied collection of love poems Gipe employs traditional styles such as sonnets blank and free verse rondeaus villanelles and other forms to share poetry that marries love and heartache with nature and faith Rich in metaphor and simile her words beam like sunlight through the trees the crackling fire of laughter warms a soul a heart wounded by life's pain overflows with love's warm touch and a precious gift from God is wrapped up and sent from heaven Hopefully this collection will inspire

others to both accept and give love in a world that needs it more now than ever Songs Before Dawn by Adonna Gipe is perhaps one of the most aesthetically pleasing poetry books I have read in decades The poetry within this book blends a unique tapestry of poems of faith love contemplation natural beauty and more The poet skillfully blends deeply meaningful and beautiful phrasing to convey her thoughts By this I once again refer to aesthetically pleasing poetry Importantly her poetry allows the reader to insert him herself into the read thus becoming part of the poem itself Whether its an English sonnet quatrains blank verse etc each poem within this book is stellar and leaves the reader sated yet yearning for more of her verse Without a doubt Ms Gipes ability to create word art in the form of poetry is second to none Ray Griffin teacher poet writer Reflecting the heart of a true poet Adonna Gipe has a masterful ability to weave words and phrases into beautiful emotionally connected fabrics Garrett Cooper former CEO of Ambassador Enterprises and Taylor University faculty member

The Inside Story Paul T. Brockelman,1992-01-01 This book explores what is meant by claims of religious understanding and truth It argues that at the end of the twentieth century we are undergoing a revolution in our thinking about ourselves and our place in nature and that the worldview pervading modern culture is dissolving because it has marginalized and hindered authentic religious understanding and practice It has spiritually degraded and destroyed the natural environment upon which it depends The book describes how this situation developed and proposes an alternative postmodern narrative concept of religious understanding that may help us to transcend these spiritual and ecological problems This model of religious truth explores a new cosmological story that has emerged over the past twenty five years It is a story that will enrich and deepen our spiritual experience while helping us cope with possibly the most disastrous and dangerous consequence of modernity the present worldwide ecological crisis *The Continuum Encyclopedia of American Literature*

Embracing the Firebird Janine Beichman,2002-07-31 How did a girl from the provinces meant to do nothing more than run the family store become a bold and daring poet whose life and work helped change the idea of love in modern Japan Embracing the Firebird is the first book length study in English of the early life and work of Yosano Akiko 1879 1942 the most famous post classical woman poet of Japan It follows Akiko who was born into a merchant family in the port city of Sakai near Osaka from earliest childhood to her twenties charting the slow process of development before the seemingly sudden metamorphosis Akiko s later poetry has now begun to win long overdue recognition but in terms of literary history the impact of Midaregami Tangled Hair 1901 her first book still overshadows

everything else she wrote for it brought individualism to traditional tanka poetry with a tempestuous force and passion found in no other work of the period Embracing the Firebird traces Akiko's emotional and artistic development up to the publication of this seminal work which became a classic of modern Japanese poetry and marked the starting point of Akiko's forty year long career as a writer It then examines Tangled Hair itself the characteristics that make it a unified work of art and its originality The study throughout includes Janine Beichman's elegant translations of poems by Yosano Akiko both those included in Tangled Hair and those not as well as poems by contemporaries such as Yosano Tekkan Yamakawa Tomiko and others *Christian Register and Boston Observer*, 1911 *American Poets, 1880-1945, Third Series* Peter Quartermain, 1987 Essays on the writers whose works are the story of modern American poetry to World War II the story of successive generations of writers increasingly gaining familiarity in and security with the American idiom gaining confidence in being American poets without having to turn to Europe for models or for approval nor of having to turn away from Europe

Metamorphoses Harvey Jones, 2024-01-04 This is the story of the life of a man who has gone through many metamorphoses or changes in his eighty plus years of living It chronicles the changes in his attitudes on love and marriage his religion his sexuality and even his appearance It is written in various poetic styles from simple rhyming couplets to the more rigid discipline of haiku and tanka forms of Asiatic poetry It was written in the hope that others regardless of age or gender might find themselves reflected Hopefully they will realize that others have gone through the same turmoils they are now going through and have managed quite well *Diversity and Society* Joseph F. Healey, 2013-02-27 The only brief text to present a unified sociological frame of reference to help students analyze minority dominant relations The fourth edition of Joseph F Healey's *Diversity and Society* updated to include the latest information from the 2010 census continues to provide a solid foundation for understanding minority dominant relations Derived in part from bestselling *Race Ethnicity Gender and Class* this accessible 10 chapter text teaches concepts and theories through current engaging topics such as immigration and slavery in the world today The concepts are reinforced through case studies and enhanced through gender and comparative perspectives Particular emphasis is given to the history of race and ethnicity in the United States more coverage than any other brief text **Why Are You So Sad? McFadden, 2014-05-14 His life in Canadian poetry has spanned five decades and David W McFadden is still going strong This selection from his career to date brings back into print many of the greatest poems from nearly two dozen books Chosen and introduced by fellow poet Stuart Ross in full collaboration with the author these poems reaffirm McFadden's status as one of Canada's most gratifying ineffable and necessary poets **Granger's Index to Poetry** Edith Granger, 1953 **The Columbia Granger's Index to Poetry in Anthologies**, 2001 **Japan Quarterly**, 1990 **The Reader**, 1904 International Books in Print, 1986 *The Argosy*, 1938 **In Search of Wisdom** 田邊聖吉, 2004 The boy and the sea A special lecture by Tanabe Hajime Labor service and penicillin Kure shigeichi My visit with Nishida Kitar in Kamakura Musings of my undergraduate years Stepping on the
