The Mutiny of the Elsinore (Esprios Classics) Jack London, 2021-09-10 Jack London 1876-1916 was an American author and a pioneer in the then burgeoning world of commercial magazine fiction. He was one of the first Americans to make a lucrative career exclusively from writing. London was self-educated. He taught himself in the public library mainly just by reading books. In 1898 he began struggling seriously to break into print, a struggle memorably described in his novel *Martin Eden* (1909). Jack London was fortunate in the timing of his writing career. He started just as new printing technologies enabled lower cost production of magazines. This resulted in a boom in popular magazines aimed at a wide public and a strong market for short fiction. In 1900 he made \$2,500 in writing the equivalent of about 75,000 today. His career was well under way. Among his famous works are *Children of the Frost* (1902), *The Call of the Wild* (1903), *The Sea Wolf* (1904), *The Game* (1905), *White Fang* (1906), *The Road* (1907), *Before Adam* (1907), *Adventure* (1911), and *The Scarlet Plague* (1912).

The Mutiny of the Elsinore Jack London, 2014 Life has lost its savor for Mr Pathurst. New York fame, women and the arts have all become tedious. Searching for excitement, he books passage on a cargo vessel sailing from Baltimore to Seattle on a route that travels around the treacherous Cape Horn. Pathurst encounters more than he ever expected in rough seas, turbulent storms and a mutinous crew. His epic struggles aboard the sailing ship *Elsinore* have given him a new love for life, but will he survive to profit from it? Everyone who remembers *The Sea Wolf* with pleasure will enjoy this vigorous narrative. *The Mutiny of the Elsinore* is the same kind of tale as its famous predecessor and it has been pronounced even more stirring by those who have read it. Jack London writes of scenes and types of people with which he is very familiar: the sea ships and those who live in ships. In addition to the adventure element of which there is an abundance of the usual London kind, there is a thread of romance. The play of incident on the one hand, the ship's amazing crew and on the other, the lovers, results in a story that demonstrates anew what a master of his art the author is.

The Mutiny of the Elsinore Jack London, 2019 Jack London's Racial Lives Jeanne Campbell Reesman, 2011-03-15 Jack London 1876-1916 known for his naturalistic and mythic tales, remains among the most popular and influential American writers in the world. Jack London's *Racial Lives* offers the first full study of the enormously important issue of race in London's life and diverse works, whether set in the Klondike, Hawaii or the South Seas or during the Russo-Japanese War, the Jack Johnson world heavyweight bouts or the Mexican Revolution. Jeanne Campbell Reesman

explores his choices of genre by analyzing racial content and purpose and judges his literary artistry against a standard of racial tolerance Although he promoted white superiority in novels and nonfiction London sharply satirized racism and meaningfully portrayed racial others most often as protagonists in his short fiction Why the disparity For London racial and class identity were intertwined his formation as an artist began with the mixed heritage of his family His mother taught him racism but he learned something different from his African American foster mother Virginia Prentiss Childhood poverty shifting racial allegiances and a psychology of want helped construct the many houses of race and identity he imagined Reesman also examines London's socialism his study of Darwin and Jung and the illnesses he suffered in the South Seas With new readings of *The Call of the Wild* *Martin Eden* and many other works such as the explosive Pacific stories Reesman reveals that London employed many of the same literary tropes of race used by African American writers of his period the slave narrative double consciousness the tragic mulatto and ethnic diaspora Hawaii seemed to inspire his most memorable visions of a common humanity
