The Murders in Great Diddling Katarina Bivald, 2024-08-13 2024 Lillian Jackson Braun Edgar Award Nominee The best stories are the ones we didn t know needed to be told The small rundown village of Great Diddling is full of stories author Berit Gardner can feel it The way the villagers avoid outsiders the furtive stares and whispers in the

presence of newcomers Berit can sense the edge of a story waiting to be unraveled and she's just the person to do it. In fact with a book deadline looming over her and no manuscript not even the idea for a manuscript truth be told Berit doesn't just want this story. She needs it. Then while attending a village tea party Berit becomes part of the action herself. An explosion in the library of the village's grand manor kills a local man and the resulting investigation and influx of outsiders sends the quiet rundown community into chaos. The residents of Great Diddling each one more eccentric and interesting than any character Berit could have invented rewrite their own narrative and transform the death of one of their own from a tragedy into a new beginning. Taking advantage of Great Diddling's new notoriety the villagers band together to start a book and murder festival designed to bring desperately needed tourists to their town. What they couldn't have predicted is how the new story they've begun to tell will change all their lives forever. Uplifting charming and laugh out loud funny. *The Murders in Great Diddling* by New York Times bestselling author Katarina Bivald is a celebration of the life changing magic of books and the people who love them.

The Man Who Ate the World Jay Rayner, 2025-06-25 An astronomical gastronomical undertaking one of the world's preeminent restaurant critics takes on the giants of haute cuisine one tasting menu at a time. Like the luxury fashion companies Gucci and Chanel high end dining has gone global and Jay Rayner has watched amazed as the great names of the restaurant business have turned themselves from artisans into international brands. Long suspecting that his job was too good to be true Rayner uses his entrance into this world to probe the larger issues behind the globalization of dinner. Combining memoir with vivid scenes at the table interviews with the world's most renowned chefs restaurateurs and eaters and a few well placed rants and raves about life as a paid gourmand Rayner puts his thoughtful innovative and hilarious stamp on food writing. He reports on high end gastronomy from Vegas to Dubai Moscow to Tokyo London to New York ending in Paris where he attempts to do with Michelin starred restaurants what Morgan Spurlock did with McDonald's in *Super Size Me* eating at those establishments on consecutive days and never refusing a sixteen course tasting menu when it's offered. *The Man Who Ate the World* is a fascinating and riotous look at the business and pleasure of fine dining.
